## INDEPENDENT AUDITOR'S REPORT

To the Trustee and Plan Administrator  
Southeast Mechanical Contractors 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Southeast Mechanical Contractors 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the year then ended, stating that the certified investment information, as summarized in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Plan management is responsible for the accompanying financial statement of the Plan, which comprises the statement of net assets available for benefits as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements of the Plan as of and for the year ended December 31, 2021.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## Southeast Mechanical Contractors 401(k) Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Note 1 - Description of the Plan

The following description of Southeast Mechanical Contractors 401(k) Plan (the "Plan") provides only general information. A more complete description of the Plan's provisions may be found in the Summary Plan Description, which has been distributed to all participants, and also in the Plan Document, which is also available to all Plan participants upon request.

**General and eligibility:** The Plan is a defined contribution Plan that was established in February 2002 by Southeast Mechanical Contractors, LLC d/b/a Southeast Mechanical Contractors (the "Sponsor"/"Company") to provide benefits to eligible employees. The Plan was restated in its entirety effective July 1, 2022 to bring the Plan into the most current regulatory compliance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Plan administrator:** The Company has appointed an administrative committee to manage the operation and administration of the Plan. The Company has contracted with DWC ERISA Consultants, LLC ("DWC") to act as third-party administrator to process and maintain the records of participant data and Reliance Trust Company act as the trustee.

**Contributions:** Each year, eligible participants may contribute a specific percentage or dollar amount of annual compensation, subject to Internal Revenue Service regulations and other limitations specified in the Plan. Contributions to the Plan may be either pre-tax, deductible from gross income for federal income tax purposes, or Roth, from amounts that have been treated as taxable income. In addition, the Plan allows for rollover contributions from other plans under certain conditions.

The Plan Sponsor has made a Safe Harbor election for the Plan. The Sponsor's safe harbor contribution is dollar-for-dollar matching on salary deferrals up to four percent (4%) of qualified compensation. This safe harbor contribution is fully vested when made.

The Plan also provides for an additional discretionary matching contribution on salary deferrals up to six percent (6%) of qualified compensation. As determined annually by the Company's management, the Company may make nonelective contributions. There were no discretionary matching or nonelective contributions made by the Company for the year ended December 31, 2022.

**Participants' accounts (self-directed):** Each participant's account is credited with the participant's contributions, an allocation of the Company's contribution, Plan earnings (losses), and charged with the participant's withdrawals and an allocation of administrative expenses. Allocations are based on contributions, eligible compensation, participant account balance, or specific participant transactions, as defined by the Plan. The earnings or losses, including fair value adjustments, on a participant's account are based on the performance of investment funds. In addition, interest charged on individual participant loans is credited directly to the respective participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately 100% vested in their contributions and safe harbor contributions plus actual earnings thereon. Vesting of the remainder of their accounts is based on years of service. Participants are fully vested in Company nonelective contributions after six years of credited service.

Upon attainment of normal retirement age of 65 or if the participant becomes deceased or is disabled, the Plan provides for 100% vesting of Company contributions and earnings.

**Note 1 - Description of the Plan (continued)**

**Notes receivable from participants:** Participants may borrow from their account balance a minimum of \$ 1,000 up to a maximum, which is the lesser of 50% of their vested account balance, reduced by any current outstanding loan balance, or \$ 50,000. The loans are secured by the participant's account balance and bear interest computed based on the Prime rate plus 1% as of the loan date, ranging from 4.25% to 8.00% as of December 31, 2022. Principal and interest are paid ratably through weekly payroll deductions. At December 31, 2022 and 2021, participant loans were approximately \$ 151,000 and \$ 81,000, respectively. Interest income earned in connection with participant loans for the year ended December 31, 2022 was approximately \$ 5,100.

**Payment of benefits:** Benefit payments and distributions of a participant's account are made upon the normal retirement age of 65, termination from service with the Company, death, disability, or hardship. In-service distributions can be made only if the participant has attained age 59 ½ and is fully vested in their account. Hardship distributions are also permitted by the Plan. Distributions may be made in lump-sum or installments. In addition, the Plan allows for automatic distribution of participant account balances that do not exceed \$ 5,000.

**Forfeitures:** Any non-vested account balance after distribution of a terminated participant's vested account balance is forfeited. Forfeitures may be used to reduce future employer contributions, to pay Plan expenses, or allocate as additional company contributions. At December 31, 2022 and 2021, there were no forfeiture balances.

**Note 2 - Summary of Significant Accounting Policies**

**Basis of accounting:** The Plan's policy is to prepare its financial statements on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (U.S. GAAP). Consequently, additions to net assets are recognized when earned and deductions from net assets are recognized when the obligation is incurred.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded as earned. Related fees are charged directly to the borrowing participant's accounts and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

**Investment valuation and income recognition:** At December 31, 2022 and 2021, the Plan's investments were primarily held in mutual funds. Investments are reported at their fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net appreciation or depreciation in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan.

**Investment valuation and income recognition (continued)**

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued as it is earned, and dividend income is recorded as of the ex-dividend date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustee.

**Note 2 - Summary of Significant Accounting Policies (continued)**

**Payment of benefits:** Benefits are recorded when paid.

**Administrative expenses:** Certain administrative expenses are paid directly from Plan assets. These amounts, if any, are reflected as deductions from net assets on the accompanying statement of changes in net assets available for benefits. The Sponsor pays all other administrative expenses.

**Use of estimates:** The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures in the financial statements and the reported amounts of additions to and reductions from net assets during the reporting period. Accordingly, actual results could differ from those estimates.

**Date of management review:** Subsequent events have been evaluated by management through September 26, 2023, the date the financial statements were available to be issued.

**Note 3 - Information Certified by the Plan's Trustee**

The Plan Sponsor has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Reliance Trust Company, the trustee of the Plan assets, has certified to the completeness and accuracy of all investments, including notes receivable from participants, reflected on the accompanying statement of net assets available for benefits as of December 31, 2022 and 2021, the related investment activity reflected in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022; and the information reflected on the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2022.

**Note 4 - Fair Value Measurements**

In accordance with the Financial Accounting Standards Board in its Accounting Standards Codification, (ASC) No. 820, *Fair Value Measurements and Disclosures*, the Plan has defined and established a framework for measuring fair value and expanded disclosures about fair value measurements. Various inputs are used in determining the value of the Plan's investments. These inputs are summarized in three levels listed below:

- Level 1 - inputs are quoted market prices (unadjusted) in active markets for identical investments that the reporting entity can access at the measurement date.
- Level 2 - inputs are other than quoted prices included within Level 1 that are observable for the investments, either directly or indirectly (e.g. quoted prices in active markets for similar securities, securities valuations based on commonly quoted benchmarks, interest rates and yield curves, and/or securities indices).
- Level 3 - inputs are significant unobservable inputs (e.g. information about assumptions, including risk, market participants would use in pricing a security).

**Note 4 - Fair Value Measurements (continued)**

The inputs or methodology used for valuing securities are not necessarily an indication of the risks associated with investing in those securities.

*Mutual funds* are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price and are considered to be actively traded.

Fair values of investments held by the Plan are classified as follows:

|                       | Level 1             | Level 2     | Level 3     | Total               |
|-----------------------|---------------------|-------------|-------------|---------------------|
| At December 31, 2022: |                     |             |             |                     |
| Mutual funds          | \$ <u>4,236,106</u> | \$ <u>-</u> | \$ <u>-</u> | \$ <u>4,236,106</u> |
| At December 31, 2021: |                     |             |             |                     |
| Mutual funds          | \$ <u>5,318,735</u> | \$ <u>-</u> | \$ <u>-</u> | \$ <u>5,318,735</u> |

**Note 5 - Cash Receipts and Payments**

All contributions to the Plan have been placed in investments referred to in Note 4, excluding the employer and participant receivables at December 31, 2022 which were deposited subsequent to year-end. In addition, there have been benefit and withdrawal distribution payments of approximately \$ 679,000 to Plan participants during the year ended December 31, 2022. There were no deemed distributions to participants for the year ended December 31, 2022.

**Note 6 - Tax Status**

The Plan obtained its latest determination letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, a Volume Submitter Profit Sharing Plan with CODA, was in compliance with the applicable requirements of Internal Revenue Code Section 401(k) (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Trust is, therefore, exempt from federal income tax.

The Plan Administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax period in progress.

**Note 7 - Parties-in-Interest**

Section 3(14) of ERISA defines a party-in-interest to include fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Notes receivable from participants also reflect party-in-interest transactions.

**Note 7 - Parties-in-Interest (continued)**

Certain Plan investments are managed and held by Transamerica Retirement Solutions, LLC and its affiliates ("Transamerica"), the trustee and custodian of the plan, therefore these transactions and fee payments to Transamerica qualify as party-in-interest transactions.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**Note 8 - Risks and Uncertainties**

The Plan's investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect a participant's account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**Note 9 - Plan Termination**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become one hundred percent (100%) vested in their accounts.

**Note 10 - Reconciliation to Form 5500**

The following is a reconciliation of certain differences between these financial statements (accrual basis) and amounts reported on the Plan's Form 5500 at December 31, 2022:

|                                                                                              |                              |
