## **Report of Independent Auditors**

Diesel Laptops Employee Retirement Plan

### **Scope and Nature of the Employee Retirement Income Security Act of 1974 (“ERISA”) Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Diesel Laptops Employee Retirement Plan (the "Plan"), an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for Plan benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for Plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

Plan Administrator

### **Opinion (continued)**

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

### **Auditors' Responsibilities for the Audit of the Financial Statements (continued)**

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule as of December 31, 2022, as listed in the table of contents, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**Supplemental Schedule Required by ERISA (continued)**

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**1. Description of Plan**

The following description of the Diesel Laptops Employee Retirement Plan (the “Plan”) provides only general information. Participants may refer to the Plan’s documents for a more complete description of the Plan’s provisions.

**General**

The Plan was established January 1, 2021 (“Inception”), and is a defined contribution plan covering employees of Diesel Laptops, LLC (the “Company”). From Inception through December 31, 2021, employees became eligible to make employee elective deferrals and receive employer contributions upon completion of one year of service with the Company, defined as at least 1,000 hours of service during a calendar year. Effective January 1, 2022, employees are eligible to make employee elective deferrals immediately upon hire with the Company and are eligible to receive employer contributions upon completion of one year of service with the Company. Union employees and non-resident aliens are excluded from participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

**Contributions**

The Plan allows contributions of any portion of a participant’s pre-tax compensation, subject to contribution limitations specified by law. The Plan has an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation, and an annual 1% deferral rate increase thereafter until a deferral rate of 6% is reached. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified benefit plans.

The Company is required to make safe harbor matching contributions equal to 100% of the amount of a participant’s elective deferrals that are not in excess of 1% of the participant’s compensation, plus 50% of the amount of a participant’s elective deferrals that exceed 1% but are not in excess of 6% of the participant’s compensation each plan year. The Company also has the option to make discretionary matching and nonelective contributions to participants. No discretionary or nonelective matching contributions were made for the years ended December 31, 2022 and 2021.

**1. Description of Plan (continued)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions, employer safe harbor matching contributions, allocations of the Company's discretionary contributions (if any), Plan earnings or losses, and charged with an allocation of any administrative expenses paid by the Plan. Participants direct their contributions into various investment options offered by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their salary deferrals. Upon reaching retirement age, as defined in the Plan documents, permanent total disability, or death while employed, participants are immediately vested in all employer matching contributions, plus actual earnings or losses thereon. Vesting in the remainder of their account balance is based on years of continuous service. Participants are vested in the Company's safe harbor matching contributions based on a two year cliff vesting schedule (0% vested if participant has less than two years of service, 100% vested after two years of service). Participants are 20% vested in the Company's discretionary matching and nonelective contributions at the end of two years of service, with additional vesting of 20% for each of the next three years, and are 100% vested after six years of service.

**Payment of Benefits**

Upon retirement, permanent total disability, death, or termination of employment, participants or their beneficiaries may elect to receive their vested portion of Plan assets under several payout options specified in the Plan's documents. Participants who have attained fifty-nine and a half years of age are permitted to withdraw all or part of their vested accounts as in-service distributions. Participants automatically begin receiving required minimum distributions on April 1st of the calendar year following the year in which they have attained seventy two years of age.

**Forfeitures**

Participants withdrawing from the Plan with non-vested employer contributions in their account forfeit their share of non-vested contributions and earnings thereon. The Plan's provisions allow these amounts to be used for administrative expenses of the Plan or to reduce any employer contributions. During the years ended December 31, 2022 and 2021, approximately \$2,300 and \$400, respectively, in forfeited non-vested accounts were used to reduce administrative expenses. As of December 31, 2022, there were no unallocated forfeited non-vested accounts.

**1. Description of Plan (continued)**

**Administrative Expenses**

The Plan pays trustee, custodial, recordkeeping, and certain professional and administration fees. The Company pays for certain other professional and administration fees.

**Plan Termination**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in all employer matching contributions.

**2. Basis of Presentation and Summary of Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States ("US GAAP").

**Estimates**

The preparation of financial statements in conformity with US GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value, except for the fully benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**2. Basis of Presentation and Summary of Significant Accounting Policies (continued)**

**Investment Valuation and Income Recognition (continued)**

The Plan invests in a fully benefit-responsive fixed interest contract with Principal Trust Company (“Principal”), the custodian of the Plan. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fixed interest investment contract issuer is contractually obligated to repay the principal and specific interest rate that is guaranteed to the Plan. The contract may be subject to a market value adjustment upon contract termination. Crediting interest rates on the fixed fund portion of the insurance investment contracts are determined quarterly by the issuers with a minimum rate of 1%, subject to limitations relating to Plan termination, early retirements, etc. There are no reserves against contract values for credit risk or otherwise.

As the fixed interest investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fixed interest investment contract. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with Principal. Such events include the following: (1) amendments to the Plan’s documents, (2) changes to Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Company or other Company events that cause a significant withdrawal from the Plan or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at a different amount than contract value. The Plan administrator does not believe the occurrence of any such events are probable.

**Risks and Uncertainties**

The Plan’s investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the 2022 statement of net assets available for plan benefits.

**Payment of Benefits**

Benefit payments are recorded when paid.

**3. Custodian Certification**

Information disclosed in the accompanying financial statements as of and for the years ended December 31, 2022 and 2021, related to investments, net appreciation (depreciation) in fair value of investments, and interest and dividends, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Principal and its affiliate, Principal Life Insurance Company.

**4. Fair Value Measurements**

The Plan's investments in pooled separate accounts are reported at fair value in the accompanying statements of net assets available for plan benefits. The methods used to measure fair value may produce amounts that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although Plan management believes the valuation methods used are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

US GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs to the valuation methodology are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. All of the Plan's pooled separate account investments were valued using Level 1 inputs.

**5. Income Tax Status**

The plan is a non-standardized profit sharing plan designed to be in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service ("IRS") determined that the pre-approved plan document and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

During 2023, management discovered errors relating to 2022 contributions that resulted in an underpayment of contributions to the Plan. As of the date the financial statements were available to be issued, management has determined that the errors do not have a material impact on the Plan's 2022 financial statements. Management will take the necessary corrective actions to ensure that these errors have no impact on the Plan's tax status and to ensure that the impacted participants are made whole. This includes possible corrective filings with the IRS or the Department of Labor.

**5. Income Tax Status (continued)**

US GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities were identified as of December 31, 2022 and 2021. The Plan is subject to routine audits by tax authorities; however, there are currently no audits in progress.

**6. Party-in-Interest Transactions**

Certain Plan investments were managed by the Plan's custodian, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for trustee, custodial, recordkeeping, and investment advisory services amounted to approximately \$14,000 (net of forfeitures of approximately \$2,300) and \$5,000 (net of forfeitures of approximately \$400) for the years ended December 31, 2022 and 2021, respectively. These transactions are exempt from the prohibited transaction rules of ERISA.

**7. Subsequent Events**

Management evaluated events and transactions after December 31, 2022 through September 27, 2023, the date the financial statements were available to be issued, for subsequent events, and determined that there were no subsequent events to report.
