INDEPENDENT AUDITOR'S REPORT

To the Trustee Committee of
Orange Group 401(k) Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Orange Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section -

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNI).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) and schedule H, line 4a - delinquent participant contributions are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Information Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We have audited the 2021 financial statements, and in our report dated October 3, 2022, we expressed an unmodified opinion on those 2021 financial statements.

ORANGE GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of Orange Group 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document, not included herein, for a more complete description of the Plan and its provisions.

General

The Plan is a defined-contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers all full-time employees of Orange Business Services, Inc., Orange Silicon Valley, LLC, and Globecast North America, Inc. (collectively, the "Company"). The Plan is maintained for the exclusive purpose of providing certain tax-favored benefits for eligible employees, as a plan qualified under Section 401(a) and is exempt from tax under Section 501(a) of the Internal Revenue Code ("IRC") and compliant with Sections 40(k) and 401(m) of the IRC.

Eligibility

Employees become eligible to participate in the Plan after completing 30 days of employment. Eligible employees are automatically enrolled in the Plan at a 2% deferral rate. Participants become eligible to receive matching employer contributions after completing six months of employment.

Contributions

The Plan provides for employee contributions of pre-tax annual compensation (as defined by the Plan), employer matching contributions (as defined by the Plan) and employee rollover contributions. The Plan includes Roth contributions, which are treated similar to regular contributions. Participants may contribute to the Plan up to the lesser of 50% of their annual eligible compensation or subject to limits specified under IRC Sections 401(k), 404 and 415.

Additionally, as of January 1, 2020, participants may contribute up to 20% of their annual eligible compensation on an after-tax basis.

Participants who are of age 50 or older before the close of the Plan year may elect to make catch-up contributions, subject to certain limitations under the IRC (\$6,500 per participant for the year ended December 31, 2022).

For the year ended December 31, 2022, employer matching contributions were in an amount equal to 50% of the participant's pre-tax savings contribution limited to 3% of the participant's annual eligible compensation, for employees of Orange Business Services, Inc. and Globecast North America, Inc.

For the year ended December 31, 2022, employer matching contributions were in an amount equal to the participant's pre-tax savings contribution limited to 6% of the participant's annual eligible compensation, for employees of Orange Silicon Valley, LLC.

The matching contributions are invested as directed by each participant. Contributions in any calendar year may not exceed the limits under IRC Sections 401(k), 404 and 415.

Participants' Accounts

Each participant directs the investment of their contributions among a group of mutual funds (including a bond fund) and common collective trust funds. The allocation of a participant's contributions to these investment funds is selected by the participant and may be changed at their discretion. Each participant's account is credited with the participant's contributions, a share of the Plan's matching contribution, and the investment earnings or losses, net of administrative expenses.

ORANGE GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their accounts amounts ranging from a minimum of \$1,000 to a maximum of the lesser of \$50,000 (reduced in the case of participants' prior loans outstanding) or 50% of the vested account balance. Loans are secured by the balance in the participant's account, are withdrawn on a pro-rata basis from the investments in the participant's account, and bear interest at the prime rate published in *The Wall Street Journal* at the beginning of the month in which the loan occurs plus 1%. Loan terms, as approved by the Plan's administrative committee, cannot exceed five years, except for a loan for a primary residence, which can be for 15 years. For the year ended December 31, 2022, interest rates on notes receivable ranged from 4.25% to 9.83%, with various maturity dates through September 2036.

If a participant fails to make a payment when the loan is due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a deemed distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit a participant would otherwise be entitled to from the Plan. During the year ended December 31, 2022, the Company recorded \$257,266 of deemed distributions, which were included in "Benefits paid to participants" in the accompanying statement of changes in net assets available for benefits.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service. Company contributions vest over time, generally 20% per year for five years. However, participants are fully vested upon reaching normal retirement age, death or disability. Forfeitures of nonvested Company matching contributions are used to reduce the Company's future contributions.

Participant Distributions

Participants may receive all or a portion of their account balance related to their pre-tax deferral if they terminate employment, become disabled, reach age 59-1/2 or on account of financial hardship, as defined in the IRC.

Administrative Expenses

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

The Company has entered into an agreement whereby the Plan's trustee will make payments to the Plan, as defined. Any amounts received by the Plan pursuant to this agreement are available to pay qualified Plan administrative expenses. In connection with this agreement, the Plan was credited with \$160,130 during the year ended December 31, 2022, which is included in "Other income" in the accompanying statement of changes in nets assets available for benefits. During the year ended December 31, 2022, the Plan did not have funds available to use for future qualified Plan administrative expenses.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

At December 31, 2022, forfeited nonvested accounts totaled \$19,779. These accounts will be used to reduce future employer contributions and pay for administrative expenses. In 2022, employer contributions were reduced by \$162,210, from forfeited nonvested accounts.

During 2021, the Company identified an operational error, in which unvested portions of certain participants' accounts were not timely forfeited in accordance with the terms of the Plan. At December 31, 2021, the aggregate unvested account balance of approximately \$3,600,000 had not been forfeited timely in accordance with the terms of the Plan. The Plan has filed a submission with the Internal Revenue Service ("IRS") under the Voluntary Correction Program to correct the operational error.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements.

The investment in common collective trust funds is valued at the net asset value ("NAV") per unit, as determined by the trustee at year end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the assets held by the fund, less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used

DECEMBER 31, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the *Level 2* input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Payment of Benefits

Benefits are recorded upon distribution or when paid.

Subsequent Events

The Company has evaluated subsequent events through September 26, 2023, the date on which these financial statements were available to be issued, and has determined that, there are no subsequent events that require disclosure under FASB ASC 855, *Subsequent Events*.

3. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

4. INFORMATION PREPARED AND CERTIFIED BY PLAN TRUSTEE

The following tables summarizes investment and other asset information regarding the Plan as of December 31, 2022, and for the year then ended, included in the Plan's financial statements and supplemental schedules, that was prepared by or derived from, without audit, information prepared by T. Rowe Price Retirement Plan Services, Inc., the trustee, and furnished to the Plan administrator. The Plan administrator has obtained a certification from the trustee that such information is complete and accurate.

5. PLAN TERMINATION

Although the Plan has not expressed any intention to do so, the Sponsors have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are entitled to the entire amount of their employer contributions.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and common trust fund contracts managed by the trust, the directed trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions.

7. ADMINISTRATION OF THE PLAN

The Plan is administered by the Employee Benefit Plans Administrative Committee of Orange Business Services Holdings U.S., Inc. (the "Administrative Committee"), which consists of employees of the Sponsors and the participating employers. These individuals also serve as members of the Plan's board of trustees. The Administrative Committee appoints a record-keeper to maintain the records of the Plan. T. Rowe Price Retirement Plan Services, Inc. is the recordkeeper and directed trustee of the Plan.

8. TAX STATUS

In accordance with a restatement effective January 1, 2015, the IRS has determined and informed the Plan by a letter dated February 24, 2016, that the Plan is designed in accordance with applicable sections of the IRC and that, therefore, the Plan qualifies under Section 401(a) of the IRC and is exempt from federal income taxes under Section 501(a) of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) of the IRC and is exempt from federal income taxes under Section 501(a) of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ORANGE GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

8. TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. FAIR VALUE MEASUREMENTS

Assets and liabilities are measured at fair value based on one or more of three valuation techniques identified in the tables below. The valuation techniques are as follows:

- (a) *Market approach.* Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- (b) *Cost approach.* Amount that would be required to replace the service capacity of an asset (replacement cost); and
- (c) *Income approach.* Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

The following tables summarize the Plan's assets measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy as of December 31, 2022 and 2021:

Description	Total at December 31, 2022	Level 1	Level 2	Level 3	Valuation Technique

9. FAIR VALUE MEASUREMENTS (CONTINUED)

*Includes common/collective trust funds which are measured at the net asset value per share (or its equivalent) and have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying statements of net assets available for benefits.

During the years ended December 31, 2022 and 2021, there were no transfers between levels of the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust funds: Valued at the NAV of units of a bank collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the assets held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

10. STABLE VALUE COMMON TRUST FUND

Participants may invest in the T. Rowe Price Stable Value Common Trust Fund (the "Fund"), a common collective trust. The Fund seeks to preserve principal and achieve high current income through a diversified portfolio of high-quality investment contracts. The Fund invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions. The fund does not guarantee principal and interest, and there is no guaranteed floor for the interest rate at the Fund level. The Fund is valued on a daily basis and all income and expenses shall be deemed to be accrued, received or paid at an equal rate from day to day. Subject to certain restrictions, withdrawals from the Fund are generally permitted daily.

12. VOLUNTARY COMPLIANCE RESOLUTION

In certain instances during 2021, the Plan did not meet the requirements of ERISA with respect to the timeliness of remittance of participant contributions. Failure to meet all of ERISA's requirements can result in the imposition of substantial fines, excise taxes, or other penalties. The Plan has taken remedial actions under the Voluntary Compliance Program of the U.S. Department of Labor and has recalculated the amounts needed to correct the affected individual account balances. In 2022, the Company made the necessary remittance to the Plan. Plan management believes that this matter will not have a material effect on the Plan's financial statements.

13. CARES ACT AND SECURE ACT PROVISIONS

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"). These laws permit the Plan to (a) allow certain eligible individuals to receive coronavirus-related relief for loan repayment, (b) suspend required minimum distributions for 2020, and (c) delay the commencement date for required minimum distributions from age 70-1/2 to age 72 beginning January 1, 2020.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") was signed into law. The CARES Act contains several provisions affecting retirement plans in the area of distributions and loans due to the impact of COVID-19. During 2020, the Plan adopted the provision to allow for coronavirus-related distributions, taken prior to December 31, 2020, of up to \$100,000 for participants impacted by COVID-19. Such distributions are permitted to be paid back over a three-year period.

13. CARES ACT AND SECURE ACT PROVISIONS (CONTINUED)

During 2020, the Plan also adopted the provision to allow for coronavirus-related loans, taken from March 27, 2020 through September 22, 2020 of up to \$100,000 for participants impacted by COVID-19. Such loans are permitted to be paid back over a five-year period.

The adopted provisions are required to be executed in a plan amendment. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date, in accordance with applicable law and IRS guidance.
