Independent Auditor's Report

To the Plan Administrator
Bridgewater Healthcare, Inc. 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements Bridgewater Healthcare, Inc. 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bridgewater Healthcare, Inc. 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bridgewater Healthcare, Inc. 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bridgewater Healthcare, Inc. 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bridgewater Healthcare, Inc. 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bridgewater Healthcare, Inc. 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report (Continued)

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRIDGEWATER HEALTHCARE, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements
December 31, 2022 and 2021

Note 1: Description of Plan

The following description of Bridgewater Healthcare, Inc. 403(b) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution profit-sharing plan established by Bridgewater Healthcare, Inc. (the Organization) on March 1, 1993, and restated effective January 1, 2010. Employees who work more than 20 hours a week generally become eligible to participate in the Plan on the first day of employment. The Plan qualifies under Section 403(b) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions: The Plan generally allows eligible participants to contribute an amount not to exceed the maximum limitation on annual additions to a participant's account under the applicable provision of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participant contributions are made through payroll deductions. Each participant designates the percentage of their contributions which are to be invested in one or more of the available investment fund options. Participants are also allowed to make contributions to a Roth account and to contribute distributions received from other qualified retirement plans (rollovers).

Employer Contributions: The Organization, under the safe harbor matching provision of the Plan, is required to make non-elective safe harbor contributions equal to 100% of the first 6% of participant's elective salary deferrals.

Participant Accounts: Each participant's account is credited with the participant's contributions, allocations of the Organization's contributions, and Plan earnings. Employer matching contributions are allocated to participants based on the participant's contributions for the year. Plan earnings and losses are allocated based on the account balances of the participants. The benefit to which a participant is entitled is that which can be provided from the participant's vested account.

Vesting: Participants are immediately vested in all their contributions, employer safe harbor contributions and investment earnings thereon.

Payment of Benefits: In-service withdrawals of a participant's vested account balance are permitted after a participant has attained 59½ years of age. Hardship withdrawals are also permitted under the plan for participants who have experienced a qualified hardship under IRS rules. Upon termination of employment, participants may elect to have Plan benefits to which they are entitled distributed as a lump-sum payment or in installments. If employment is terminated prior to retirement, the participant may receive a mandatory distribution depending on their vested account balance in the Plan. Participants are generally required to take minimum distributions upon reaching the age of 72.

BRIDGEWATER HEALTHCARE, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements
December 31, 2022 and 2021

Note 2: Summary of Significant Accounting Policies

Following is a description of the significant accounting and reporting policies of the Plan:

Basis of Presentation: The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan trustees are responsible for oversight of the Plan, determine the appropriateness of the Plan's investment offerings and monitor investment performance. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions: Contributions from participants, including any related employer matching contributions are recorded in the period the employer withholds payroll deductions from Plan participants.

Benefits Paid to Participants: Benefits are recorded when paid.

Subsequent Events: In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 5, 2023, the date the financial statements were available to be issued. During the period from January 1, 2023 through September 5, 2023, the Plan did not have any material recognizable subsequent events.

Note 3: Fair Value Measurements

Generally accepted accounting principles (GAAP) establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;

BRIDGEWATER HEALTHCARE, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements
December 31, 2022 and 2021

Note 3: Fair Value Measurements (Continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2022 and 2021. Following is a description of the valuation methodologies used for Plan assets measured at fair value.

Mutual Funds: The fair value of mutual funds is based on the closing price at year end as reported by the fund. Mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In determining the appropriate levels, the Plan performs a detailed analysis of the assets and liabilities that are to be reported at fair value. The table below presents the assets and liabilities measured at fair value on a recurring basis by level within the hierarchy as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,340,724	\$ -0-	\$ -0-	\$ 16,340,724
Money market fund	678,446	-0-	-0-	678,446
	<u>\$ 17,019,170</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 17,019,170</u>

BRIDGEWATER HEALTHCARE, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements
December 31, 2022 and 2021

Note 4: Information Certified by the Plan Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by Capital Bank and Trust Company (Capital Bank), the custodian of the Plan as of December 31, 2022 and 2021, except to compare such information to information included in the Plan's financial statements and supplemental schedule.

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments in mutual funds and money market fund held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2022 and 2021 was derived from information certified as complete and accurate by Capital Bank.

Note 5: Plan Termination

The Organization has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan, subject to applicable statutory provisions. In the event of termination, all participants will remain fully vested. The Organization has not indicated any intention to terminate the Plan.

Note 6: Income Tax Status

The Plan has adopted a Volume Submitter 403(b) Plan sponsored by American Fund Distributors, Inc. The Volume Submitter Plan provider has received an advisory letter from the IRS as to the Volume Submitter Plan's qualified status. The Volume Submitter Plan advisory letter has been relied upon by the Plan. The Plan has been amended since the Volume Submitter Plan received the advisory letter. The Plan's administrator and the Plan's sponsor believe that the Plan is designed and currently operating in compliance with the applicable requirements of the Internal Revenue Code. The Plan's federal tax returns are subject to examination by the Internal Revenue Service generally for a period of three years after the returns are filed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator does not believe that the Plan has any uncertain tax positions. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

BRIDGEWATER HEALTHCARE, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements
December 31, 2022 and 2021

Note 7: Reconciliation of Financial Statements to Form 5500

For the years ended December 31, 2022 and 2021, there were no significant differences between the financial statements of the Plan and the amounts reported on Schedule H (Financial Information) of Form 5500 (Annual Return/Report of Employee Benefit Plan) filed with the Internal Revenue Service.

Note 8: Parties-in-Interest

The Plan offers various investment options to participants which are managed by American Funds Distributors, Inc., a division of Capital Bank and Trust Company. Capital Bank and Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as part-in-interest transactions for which a statutory exemption applies.

Capital Group Retirement Plan Services is the third-party administrator for the Plan and, therefore, a party-in-interest. For the year ended December 31, 2022 and 2021, administrative fees to Capital Group Retirement Plan Services totaled \$1,044 and \$1,300, respectively.

Certain officers of the Plan sponsor, who are administrators of the Plan and act as fiduciaries and trustees, are also participants in the Plan.

Note 9: Administrative Expenses

The Plan provides that the Organization, at its discretion, can agree to pay administrative expenses of the Plan. For the years ended December 31, 2022 and 2021, the Organization paid Plan administrative expenses of approximately \$16,000 and \$10,250, respectively. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 10: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
