Independent Auditor's Report

Administrative Committee  
A Caring Alternative, LLC 401(k) Plan:

**Scope and Nature of the ERISA Section 103(a)(3)(c) Audit**

We have performed audits of the financial statements of A Caring Alternative, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of A Caring Alternative, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by Empower Annuity Insurance Company of America, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of A Caring Alternative, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A Caring Alternative, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of A Caring Alternative, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A Caring Alternative, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedule of delinquent participant contributions and schedule of assets (held at end of year), as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by Empower Annuity Insurance Company of America, a qualified institution, agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **A CARING ALTERNATIVE, LLC 401(K) PLAN**

## **Notes to Financial Statements**

**December 31, 2022 and 2021**

### **(1) Plan Description**

The following description of A Caring Alternative, LLC 401(k) Plan ("Plan") is provided for general informational purposes only. Participants should refer to the Plan agreement for more complete information.

#### **(a) General**

The Plan is a defined contribution plan established by A Caring Alternative, LLC (the Company) on January 1, 2017. Employees become eligible to begin deferring a portion of their salary into the Plan after completing three consecutive months of employment. The Plan's Administrative Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **(b) Contributions**

Each year, participants may contribute up to the maximum allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also make rollover contributions to the Plan. The Company makes a discretionary match contribution that gets determined each year.

#### **(c) Participant Accounts**

Each participant's account is credited with the participant's contribution, and allocations of the Company's contribution and plan earnings (losses) on their individual accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **(d) Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution account is based on years of service. A participant is 100% vested after becoming disabled, at death, upon their attainment of normal retirement age, or after 3 years of credited service based upon the following schedule:

### Notes to Financial Statements, Continued

#### (1) Plan Description, Continued

##### (d) Vesting, Continued

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| 1 or less               | 0%                        |
| 2                       | 50                        |
| 3 or more               | 100                       |

##### (e) Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum payment equal to the value of their vested interest in his or her account. In the event that participant terminates employment with the Company and the participant's vested account balance is less than \$5,000, the participant will automatically receive a lump-sum payment. A participant may request a withdrawal from his or her account balance based upon financial hardship as defined by the Internal Revenue Code. In the event such a withdrawal is made, the distribution is subject to a 10% excise tax if the participant has not attained age 59 ½.

##### (f) Forfeited Nonvested Accounts

Forfeitures may be used to pay Plan expenses or to reduce company contributions. At December 31, 2022 and 2021, unallocated forfeitures totaled \$4,874 and \$3,809, respectively.

##### (g) Administrative Expenses

Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid by either the Plan or the Company.

##### (h) Investment Options

Upon enrollment in the Plan, a participant may direct contributions into several investment options as allowed by the Plan.

##### (i) Notes Receivable from Participants

Loans are available to participants, provided the outstanding balance of the loan does not exceed 50% of the participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

### **Notes to Financial Statements, Continued**

#### **(1) Plan Description, Continued**

##### **(j) Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their accounts.

#### **(2) Summary of Significant Accounting Policies**

The following are the significant accounting policies followed by the Plan:

##### **(a) Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

##### **(b) Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

##### **(c) Investment Valuation and Income Recognition**

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by investment advisors, custodians and trust company. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## **A CARING ALTERNATIVE, LLC 401(K) PLAN**

### **Notes to Financial Statements, Continued**

#### **(2) Summary of Significant Accounting Policies, Continued**

##### **(d) Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

##### **(e) Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest on notes receivable from participants for the years then ended was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America (“Empower”).

#### **(3) Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Pooled separate accounts:* Valued at the net asset value (NAV) of shares held by the Plan at year end.

### **Notes to Financial Statements, Continued**

#### **(4) Investment Contract with Insurance Company**

During 2022 and 2021, the Plan invested in a benefit-responsive investment contract with Empower. Empower maintains the contributions in an unallocated fund. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The contract value of the investment contract at December 31, 2022 and 2021 was \$7,144 and \$6,319, respectively. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

#### **(5) Distributions Payable**

There were no amounts allocated to accounts of persons who had withdrawn from the Plan and were not paid as of December 31, 2022 and 2021.

#### **(6) Tax Status**

Effective January 1, 2021, the Plan adopted a non-standardized defined contribution prototype plan document sponsored by Ascensus LLC. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

#### **(6) Tax Status, Continued**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **(7) Related Party Transactions**

Plan assets include investments in funds managed by Empower, the Plan's custodian. Any transactions with the custodian qualify as party-in-interest transactions under ERISA. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge.

#### **(8) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statements of net assets available for benefits.

#### **(9) Nonexempt Transactions**

During the years ended December 31, 2022 and 2021, the Company failed to remit employee contributions to the Plan within the required time period as stated by the United States Department of Labor (DOL). Lost earnings on these late remittances were remitted to the Plan in 2022 and 2023. In addition, the Company failed to remit employee contributions to the Plan within the required time period in 2018, 2019 and 2020. The lost earnings on the 2018 and 2019 remittances were remitted to the Plan in 2021. The lost earnings on the 2020 late remittances were remitted to the Plan in 2022.

The Department of Labor considers late deposits to be prohibited transactions. The Plan sponsor will file Form 5330 and remit the applicable excise tax from the Plan administrator's assets and not from the assets of the Plan. Lost earnings were remitted to the Plan by the Plan Sponsor.
