**Independent Auditor's Report**

Plan Administrator  
Flagship Food Group 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Flagship Food Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of schedule H, part IV, line 4i—schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Flagship Food Group 401(k) Plan

### Notes to Financial Statements

---

#### Note 1. Description of the Plan

The following description of the Flagship Food Group 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

**General and eligibility:** The Plan is a defined contribution safe harbor plan established January 1, 2010. Effective January 1, 2022, the Plan was amended and restated to bring the Plan into compliance with the Cycle 3 restatement. The Plan is available to all non-union employees of Flagship Food Group, LLC (the Plan Sponsor), and its subsidiaries (collectively, the Employers), who have attained the age of 17. Employees are eligible to participate in the Plan after 30 days of service for Class 1 employees or 60 days of service for Class 2 employees, unless they are excluded per the Plan Document, and may enter the Plan on the first day of each month after the eligibility requirements have been met. Excluded employees include nonresident aliens, leased employees, and employees under a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions:** Participants may elect to contribute up to 100% of their annual pretax compensation, as defined in the Plan, not to exceed the limits according to the Internal Revenue Code (IRC). Participants who attain the age of 50 by the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to designate contributions as Roth 401(k) contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. For the year ended December 31, 2022, the Plan Sponsor made safe harbor matching contributions equal to 100% up to 3% of compensation and 50% of the next 2% of participant compensation.

**Participant accounts and investment options:** Each participant's account is credited with the participant's contributions, employer safe harbor matching contributions and allocations of the Plan's earnings (losses) and is charged with an allocation of administrative expenses. Allocations are based on the participant's eligible compensation, participant contributions, investment elections and/or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct both employee and employer contributions to be invested among various investment options offered by the Plan. Participants may change their investment options at any time during the year via phone or online with the Trustee.

**Vesting:** Participants are immediately vested in their deferral contributions, employer contributions, rollover contributions, safe harbor matching contributions, and the allocated earnings thereon.

**Notes receivable from participants:** Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 less any outstanding balance of loans in the past 12 months from the date the loan is made or 50% of their vested account balance. Loan terms range from one to five years or within a reasonable period of time that is longer than five years for a note used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and generally bear interest at the Wall Street Journal prime rate plus 2%. Principal and interest are paid ratably through payroll deductions. Notes outstanding at December 31, 2022, bear interest at rates ranging from 5.25% to 9.50% and are due through April 2032.

**Payment of benefits:** Upon termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. In-service distributions are allowed for participants attaining the age of 59½. Participants may also elect to roll over their account to another tax deferred account or remain in the Plan until they are legally required to begin taking distributions. Participants may also withdraw money from their account in the event of financial hardship.

#### Note 1. Description of the Plan (Continued)

Terminated participants with vested account balances less than \$5,000 but greater than or equal to \$1,000 will automatically have their vested account balance rolled into an individual retirement account unless they otherwise instruct the third party administrator and take a lump-sum distribution as soon as practicable following termination. Terminated participants with vested account balances less than \$1,000 must take a lump-sum distribution as soon as practicable following termination.

**Forfeited accounts:** Forfeitures of terminated participants' non-vested accounts and uncashed distributions are used to pay Plan expenses or to reduce employer contributions, as defined.

**Administrative expenses:** Certain administrative functions are performed by employees of the Employers. No such employee receives compensation from the Plan. Administrative expenses of the Plan are charged against earnings, except to the extent expenses are paid by the Employers.

**Investment management fees and operating expenses:** Certain investment management fees and operating expenses are charged to the Plan for investments in mutual funds and are deducted from income earned on a daily basis and reflected as a component of net appreciation (depreciation) in fair value of investments.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The accompanying financial statements are prepared on the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires Plan management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

**Risks and uncertainties:** The Plan utilizes various funds as investments instruments. Mutual funds are exposed to various risks, such as interest rate and credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivables are treated as distributions based upon the terms of the Plan Document.

**Valuation of investments and income recognition:** Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as those held during the year.

**Payment of benefits:** Benefit payments to participants are recorded upon distribution.

**Subsequent events:** The Plan Administrator has evaluated subsequent events through September 27, 2023, the date the financial statements were available to be issued, and determined that there are no matters requiring disclosure.

#### Note 3. Information Certified and Provided by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, that was prepared by or derived from information provided by Ascensus Trust Company (the Trustee) and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. The Plan Administrator has elected the method of compliance by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

|                                        | 2022         | 2021         |
|----------------------------------------|--------------|--------------|
| Investments, at fair value:            |              |              |
| Mutual funds and interest-bearing cash | \$ 6,832,329 | \$ 9,060,528 |
| Notes receivable from participants     | 76,414       | 116,573      |

The Trustee also certified to the completeness and accuracy of \$1,628,896 of net depreciation in fair value of investments (including investments bought, sold and held during the year), \$136,515 of interest and dividends received, \$850 of other loss related to the aforementioned investments, and \$2,916 of interest income on notes receivable from participants for the year ended December 31, 2022, included on the statement of changes in net assets available for benefits.

#### Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 compared to 2021.

**Mutual funds:** Reported at fair value based on quoted market price of the fund and classified within Level 1 of the valuation hierarchy.

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### Note 4. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2022 and 2021:

|                                        | 2022         |         |         |              |
|----------------------------------------|--------------|---------|---------|--------------|
|                                        | Level 1      | Level 2 | Level 3 | Total        |
| Mutual funds and interest-bearing cash | \$ 6,832,329 | \$ -    | \$ -    | \$ 6,832,329 |
| Total assets at fair value             | \$ 6,832,329 | \$ -    | \$ -    | \$ 6,832,329 |

  

|                                        | 2021         |         |         |              |
|----------------------------------------|--------------|---------|---------|--------------|
|                                        | Level 1      | Level 2 | Level 3 | Total        |
| Mutual funds and interest-bearing cash | \$ 9,060,528 | \$ -    | \$ -    | \$ 9,060,528 |
| Total assets at fair value             | \$ 9,060,528 | \$ -    | \$ -    | \$ 9,060,528 |

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

There were no transfers in or out of Level 3 assets during the year ended December 31, 2022.

#### Note 5. Party-in-Interest Transactions

Transactions with the Trustee, recordkeeper, and third-party administrator qualify as party-in-interest transactions. Fees paid by the Plan to these parties amounted to \$39,409 for the year ended December 31, 2022.

#### Note 6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net assets of the Plan will be distributed to the participants of the Plan in accordance with the provisions of ERISA.

#### Note 7. Tax Status

The Plan is a non-standardized pre-approved plan sponsored by Ascensus LLC, an affiliate of the Trustee. The pre-approved plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain positions that more likely than not would not be sustained upon examinations. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
