SCHEDULE OF ASSETS (HELD AT END OF YEAR) – DECEMBER 31, 2022	15

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the Weil, Gotshal & Manges Section 401(k) Savings and Investment Plan

Opinion

We have audited the financial statements of Weil, Gotshal & Manges Section 401(k) Savings and Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SECTION 401(k) SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Weil, Gotshal & Manges Section 401(k) Savings and Investment Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan was established effective September 1, 1984 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Substantially all full-time employees in the United States ("US") (Partners, Non Capital Partners formerly defined as Contract Partners, Counsel, Associates and Support Staff) of Weil, Gotshal & Manges LLP (the "Sponsor", or the "Employer") are eligible to participate upon the entry date immediately following their date of employment, except as disclosed. Part-time US employees are eligible to participate on the first day of the first month coincident with or following the completion of a 12-month period of service or any Plan year thereafter in which the employee completes 1,000 hours of service. Non Capital Partners and Counsel whose principal place of employment is located in the United States, Germany, Hong Kong, Beijing, and Shanghai shall be eligible for a Non-Capital Partner Contribution or a Counsel Contribution as applicable as provided by the Plan, whereas Non-Capital Partners and Counsel whose principal place of employment is located in France, United Kingdom and Brussels, Belgium shall not be eligible for such Non-Capital Partner or Counsel Contributions. The Plan was restated effective July 29, 2022 incorporating all prior amendments.

(b) Contributions

Participants may contribute between 2% and 60% of their eligible compensation, as defined by the Plan. The aggregate amount of a participant's deferral contributions cannot exceed \$20,500 for 2022. A participant, who is at least age 50 may contribute between 2% and 75% of their eligible compensation and may defer an additional "Catch-Up" contribution of up to \$6,500 for 2022.

The Plan calls for Employer contributions ("Staff Contributions") for eligible Support Staff participants ("DC participants"). DC participants are eligible for Staff Contributions on the first day of the first month coincident with or following the completion of 12 months of service (with at least 1,000 hours). Continuing service requirements for DC participants include 1,000 hours of service and employment on the last day of the Plan year or retirement or death during the Plan year.

The contribution rate for eligible Support Staff participants is 7.5% of eligible annual compensation up to the Social Security Wage Base of \$147,000 in 2022 and 8% of eligible annual compensation in excess of the Social Security Wage Base, up to an Internal Revenue Service ("IRS") compensation limit of \$305,000 for the year ended December 31, 2022.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

(b) Contributions (Continued)

The Employer will also provide an additional discretionary contribution ("Special Staff Contribution") for identified participants who are a DC participant, have completed 1,000 hours of service during the relevant Plan year and who is an eligible employee on the last day of the Plan year, or retired (age 65 or later) or died during the Plan year.

The Employer also provides for contributions for Non Capital Partners (formerly known as Contract Partners) and Counsel whose principal place of employment is located in the United States, Germany, Hong Kong, Beijing, and Shanghai, whereas Non-Capital Partners and Counsel whose principal place of employment is located in France, United Kingdom and Brussels, Belgium shall not be eligible for such contribution. Eligible Non-Capital Partners and Counsel, who complete 1,000 hours of service in the 12 months following employment, or any year thereafter and is an eligible employee on the last day of the Plan year, or retired or died during the Plan year shall be eligible to receive a contribution in an amount based on the Non-Capital Partner's and Counsel's age as of the nearest birthday at the end of the Plan year, in accordance with the following schedule.

<u>Age</u>	<u>Non Capital Partners</u>	<u>Counsel</u>
39 and under	\$ 10,000	\$ 7,500
40 through 44	\$ 15,000	\$ 10,000
45 through 49	\$ 22,800	\$ 15,000
50 and above	\$ 30,000	\$ 20,000

Non-Capital Partners and Counsel who are not United States citizens and who work outside of the United States shall have their contribution reduced by the amount of pension contribution paid by the Employer on behalf of the eligible employee to a similar plan maintained by the Employer in the country of employment of the eligible employee.

(c) Vesting

Participants are immediately 100% vested in their 401(k) deferral amount. The account balance attributable to Employer contributions vests at three or more years of service. Participant accounts will automatically become 100% vested upon attaining Normal Retirement Age while working (age 65), upon death while eligible to participate in the Plan or upon becoming eligible for a disability distribution.

WEIL, GOTSHAL & MANGES
SECTION 401(k) SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

(d) Forfeitures

All non-vested amounts are forfeited by a participant on the valuation date following termination and are used to reduce future contributions from the Sponsor or pay Plan expenses. At December 31, 2022 and 2021, the forfeiture accounts approximated \$55,000 and \$21,000, respectively. During the year ended December 31, 2022, \$16,070 in forfeitures were used to reduce Employer contributions. The Employer contributions receivable in the amount of \$7,751,984 recorded as of December 31, 2022, is presented net of \$55,179 in forfeitures used to reduce this Employer contribution.

(e) Participant Accounts

The Plan provides for a participant-directed investment program that allows participants to choose among various investments and enables the participants to change their selections periodically. Each participant's account is credited and charged with the participant's contribution and allocation of (a) the Sponsor's contribution, (b) investment fees and administrative expenses, and (c) Plan earnings.

Allocations are based on participant earnings or account balances, as defined. The ultimate benefit to be received by a participant is the participant's vested account balance, which depends on the aggregate amount contributed to each participant's account over the years and the investment earnings allocated to his or her account.

(f) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, excluding Employer contributions.

Loan terms may not exceed five years unless the loan is for the acquisition of the participant's principal residence, in which case the loan term may not exceed ten years. The loans are secured by the balance in the participant's account and the interest rate charged for participant loans is prime plus 1% for personal loans and prime plus 2% for home loans based on interest rates in effect at the time the loan is requested. Interest rates on outstanding loan balances ranged from 4.25% to 7.50% at December 31, 2022. Delinquent participant loans are reclassified as distributions, based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

(g) Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or monthly/annual installments. For other terminations, the participants may receive the value of the vested interest in his or her account as a lump-sum distribution.

SECTION 401(k) SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

(h) Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right to discontinue contributions and terminate the Plan at any time subject to provisions set forth in ERISA. The net assets of the Plan, less any Plan expenses, would then be distributed to participants in accordance with the Plan's provisions and participants would become 100% vested in their Employer contributions.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements have been presented on the accrual basis of accounting.

(b) Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

(c) Valuation of Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

(d) Payment of Benefits

Benefits are recorded when paid.

(e) Administrative Expenses

Administrative expenses are primarily comprised of loan processing fees and the charges associated with administering participant accounts. These expenses are paid directly by the Plan. Other expenses related to the Plan are paid directly by the Sponsor and are not reflected in the Plan's financial statements.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Subsequent Events

The Plan has evaluated subsequent events through October 4, 2023, the date that the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's ("FASB's") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs.

Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide the following information according to the fair value hierarchy.

The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1), and the lowest priority to unobservable inputs (Level 3). Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1

Valuation is based upon quoted prices for identical instruments traded in active markets.

Level 2

Observable inputs other than Level 1 including quoted prices for similar assets or liabilities, quoted prices in less active markets, or other observable inputs that can be corroborated by observable market data.

Level 3

Unobservable inputs supported by little or no market activity for financial instruments whose value is determined by using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

WEIL, GOTSHAL & MANGES
SECTION 401(k) SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds

Valued at the NAV of units held by the Plan at year-end. The NAV, as calculated on a daily basis and provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021:

Type of Security	Investment Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 246,829,980	\$ -	\$ -	\$ 246,829,980
Collective trust funds (A) (B)	-	-	-	332,431,340
Total investment assets at fair value	\$ 246,829,980	\$ -	\$ -	\$ 579,261,320

Type of Security	Investment Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 708,949,721	\$ -	\$ -	\$ 708,949,721
Collective trust funds (A) (C)	-	-	-	8,002,711

SECTION 401(k) SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

- (A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.
- (B) As of December 31, 2022, the Plan invests in collective trust funds with investment strategies that are generally embedded within the name of the investment. The Plan's investments in the Vanguard Fiduciary Trust Company Target Retirement Trust II funds invest with a principal investment objective to provide a diversified portfolio of equity and fixed-income securities that will gradually become more conservative over time, consistent with a participant's expected retirement date. The Plan's investment in the Vanguard Fiduciary Trust Company Institutional 500 Index Trust invests with the principal investment objective of providing a total return that approximates the performance of the Standard & Poor's 500 Index. The trustees may impose restrictions on redemptions, transfers or withdrawals in their sole discretion as deemed necessary or advisable in order to ensure that securities liquidations will be carried out in an orderly business manner. The trustees may terminate the trust by resolution upon 30 days advanced written notice.
- (C) As of December 31, 2021, the Plan had invested in the T. Rowe Price International Small Cap Equity Trust and the Wilmington Trust Martin Currie Emerging Markets CIT. The objective of the T. Rowe Price International Small Cap Equity Trust is to seek long-term growth of capital through investment primarily in the common stock of rapidly growing, small to medium-sized companies outside of the US and to diversify broadly among developed and emerging countries throughout the world. If the Plan initiates a redemption of all or a portion of the collective trust, the issuer reserves the right to require 30 days notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The objective of the Wilmington Trust Martin Currie Emerging Markets CIT is to seek long-term growth of capital by investing primarily in securities of issuers with substantial economic ties to one or more emerging market countries and other investments with similar economic characteristics. Pursuant to the investment agreement, the issuer may require advanced notice up to 5 business days in advance of Plan sponsor directed contributions or withdrawals exceeding \$1,000,000 and may, in its sole discretion, impose a transaction fee.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

NOTE 4 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

WEIL, GOTSHAL & MANGES
SECTION 401(k) SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4 – RISKS AND UNCERTAINTIES (Continued)

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2022 may not necessarily be indicative of amounts that could be realized in a current market exchange.

NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fidelity Workplace Services and Fidelity Management Trust Company are the recordkeeper and trustee of the Plan, respectively. Therefore, transactions related to these investments and parties qualify as party-in-interest transactions. Fidelity Workplace Services charged administrative fees to participants for distributions and loan withdrawals as well as participant recordkeeping fees, as applicable, that amounted to \$168,097 for the year ended December 31, 2022.

Fidelity Workplace Services and Fidelity Management Trust Company provide certain administrative services to the Plan and receive revenue from mutual fund providers for services provided to the funds. This revenue is used to offset certain amounts owed for its administrative services to the Plan. If the revenue received from such mutual fund service providers exceeds the amounts owed, the excess is remitted to the Plan pursuant to the service agreement. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants, depending on the Plan's provisions. During the year ended December 31, 2022, \$94,857 was allocated to the accounts of participants and shown as a reduction of Plan expenses on the accompanying statement of changes in net assets available for benefits.

NOTE 6 – TAX STATUS

Effective July 29, 2022, the Plan adopted a Non-Standardized Pre-Approved Plan with CODA sponsored by Fidelity Management & Research Company. On June 30, 2020, the IRS stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax years in progress.

NOTE 7 – MUTUAL FUND FEES

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.
