Independent Auditor's Report

Plan Administrator and Plan Participants
Winnebago Tribe of Nebraska Commercial Enterprise Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Winnebago Tribe of Nebraska Commercial Enterprise Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Advisory, Assurance, and Tax offered through REDW LLC. Wealth Management offered through REDW Wealth LLC.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter—Required Supplementary Information

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. Our opinion on the basic financial statements is not affected by the missing information.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2022 and 2021

1) Summary of Significant Plan Provisions

The following description of Winnebago Tribe of Nebraska Commercial Enterprise Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General
Effective January 1, 2010, Winnebago Tribe of Nebraska Commercial Enterprises, a governmental enterprise of the Winnebago Tribe of Nebraska (the "Tribe"), a federally recognized Indian Tribe, established the Plan. The Plan is a defined contribution plan covering all employees of the WinnaVegas Casino Resort, the Winnebago Gaming Development Corporation, and the WinnaVegas Gaming Commission (collectively, the "Employer" or "Plan Sponsor"), who have completed six months of service and are age 18 or older. The Employer services as the Plan administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. As of December 31, 2022 and 2021, there were 246 and 239 participants in the Plan, 158 and 149 of whom had account balances, respectively.

The Plan is subject to the provisions of Section 906 of the Pension Protection Act of 2006 (PPA). Although the Employer and the Tribe maintain that the Plan is entitled to governmental status following the passage of the PPA, the Employer is operating this as a nongovernmental plan pending further guidance from the U.S. Departments of Treasury and Labor. The Employer is operating the Plan in accordance with its reasonable and good faith interpretation of the PPA, as required by IRS Notice 2006-89 and IRS Notice 2007-67.

Contributions
Each year, participants may make pretax contributions up to the lesser of the federal statutory limits or 100% of pretax eligible annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified Plans (rollover). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan does not allow Roth contributions.

The Plan Sponsor contributes discretionary matching contributions equal to 75% of participant contributions up to 4% of the participant's eligible compensation during the Plan year. The total matching contributions for the year ended December 31, 2022, was $113,291. The Plan Sponsor may also make discretionary profit sharing contributions. For the year ended December 31, 2022, no discretionary profit-sharing contribution was made.

Participant Accounts

Each participant's account is credited with the participant's contributions, an allocation of Employer contributions and Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting of Accounts

Participants are immediately vested in their contributions and related earnings thereon. Vesting in the Employer discretionary contributions portion of their accounts plus earnings thereon is based on years of continuous service as follows through July 25, 2019:

Years of Service	Percent Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Effective July 26, 2019, vesting is as follows:

Years of Service	Percent Vested
1	33%
2	67%
3	100%

A participant may also become fully vested, regardless of the vesting schedule, upon retirement due to disability as defined by the Plan or upon death.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balances, subject to specific needs. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% at the date of the loan. Principal and interest are repaid through payroll deductions.

Payment of Benefits
Upon termination of service for any reason, a participant may elect to receive the vested portion of his or her account as a lump-sum distribution or partial non-periodic distributions. Upon attaining age 59½, or with evidence of financial hardship, a participant may elect to receive an in-service distribution from their account. Hardship distributions can only be made from the pre-tax portion of a participant's account and upon proof of hardship.

Mandatory Cash-Out
If the amount of benefits in a participant's account does not exceed $1,000 at the time of separation, the vested balance is distributed directly in the form of cash. If the amount of benefits in a participant's account is more than $1,000, but less than $5,000 at the time of separation, and the participant does not make a timely election, the Plan will distribute benefits to an individual retirement account (IRA) established in the participant's name as a direct rollover. These "cash-out" distributions are processed without consent of the participant.

Investment Options
Upon enrollment in the Plan, a participant may direct all contributions into any of the investment options offered by the Plan. Participants may change their investment options each business day. If a participant does not make an investment election, their account will be invested in a default investment chosen by the trustee.

Forfeitures
Forfeited nonvested accounts are used to pay administrative expenses or to offset the Employer matching contribution. At December 31, 2022 and 2021, there were no forfeited nonvested accounts balances. During the Plan year ended December 31, 2022, no forfeitures were used to pay Plan expenses.

2) Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting based on the accounting standards as promulgated by the Governmental Accounting Standards Board.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties
The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis and related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the loan to be in default in accordance with Plan provisions, the participant's loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
The Plan permits, but does not require, the Employer to pay significant costs of Plan administration. For the year ended December 31, 2022, Employer paid a portion of the Plan's administrative expenses, which are not reflected in the accompanying statement of changes in net assets available for benefits. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events
Subsequent events were evaluated for recognition or disclosure in these financial statements through October 4, 2023, the date that the financial statements were available to be issued.

3) Investments and Fair Value Measurements

Governmental Accounting Standards Board (GASB) issued Statement No. 72, *Fair Value Measurements and Applications*, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Quoted prices in markets that are not considered to be active or financial instruments without quoted market prices, but for which all significant inputs are observable, either directly or indirectly.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts – The net asset value (NAV) of pooled separate accounts (PSA) is based on unit values reported by the Plan custodian as determined by the investment manager based on the fair value of the underlying assets net of liabilities divided by the number of outstanding units of the trust on its valuation date. Management has determined that the investments using NAV as a practical expedient do not have published prices and; therefore, the investments are not assigned a level in the fair value hierarchy.

Information about Investments that use Net Asset Value as a Practical Expedient
The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV as a practical expedient as of December 31, 2022 and 2021:

Investment	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts	$ -	Immediate	None

4) Information Prepared and Certified by the Custodian (Unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.1030-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of:

- Investments, at fair value and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investments reflected on the supplemental schedule of assets held at end of year as of December 31, 2022.

5) Plan Termination

Although it has not expressed any intention to do so, the Employer may terminate the Plan for any reason, subject to the provisions of ERISA. Unless the Employer was to transfer the trust fund to another trust or fund, account balances would be distributed to participants in cash or in purchased annuities. In the event of Plan termination, participants will become 100% vested in all their accounts.

6) Tax Status

The Plan is operating as a tax exempt plan under a volume submitter prototype defined contribution plan document. The Internal Revenue Service (IRS) has determined and informed the volume submitter plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provision of the IRS and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan's administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management does not believe that the Plan has taken any uncertain tax positions as of December 31, 2022. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

7) Related-Party and Party-In-Interest Transactions

Certain Plan assets are investments managed by John Hancock Life Insurance Company, the custodian of the Plan. These transactions qualify as exempt party-in-interest transactions.

The Employer provides certain accounting, administrative, and management services to the Plan for which no fees are charged. For the year ended December 31, 2022, fees paid by the Plan for administrative expenses such as third-party administrative fees, recordkeeping fees, distribution and loan fees totaled $29,648.
