Report of Independent Auditors

To the Administrator of HMP Communications Holdings, LLC Employee 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of HMP Communications Holdings, LLC Employee 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Form 5500, Schedule H, line 4i: - Schedule of Assets (Held at End of Year) as of December 31, 2022 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HMP Communications Holdings, LLC Employee 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. Description of Plan

The following description of the HMP Communications Holdings, LLC Employee 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on January 1, 2007, covering all employees of HMP Acquisition Holdings LLC (the "Company" and "Plan Sponsor") and employees of affiliated employers who have adopted the Plan. Employees who have completed three months of service, and have attained age 21 can enter the Plan on the first day of the following month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may make elective deferrals of eligible pretax compensation as defined by the Plan, provided that in no event shall a participant's total elective deferrals exceed the maximum dollar amount determined by the Internal Revenue Service ("IRS") each year, which was \$20,500 for the year ended December 31, 2022. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as permitted by the IRS.

The Plan also offers a Roth 401(k) feature. Employees who elect to participate in the Plan may elect to defer an amount up to 100% of their compensation, as defined in the Plan, as pre-tax contributions and up to 100% as after-tax contributions. Participant pre-tax and Roth contributions are limited to the maximum amount allowable under the Internal Revenue Code of 1986, as amended ("IRC").

The Company may make matching contributions to participants, as defined by the Plan, equal to a discretionary percentage, to be determined by the Company, of the participant's elective deferral. For the year ended December 31, 2022, the Company made a discretionary matching contribution of 50% of the first 6% of the participants' elective deferrals totaling \$393,173. Additional amounts representing a profit sharing contribution may be contributed at the discretion of the Company. The Company did not make a discretionary profit sharing contribution for the year ended December 31, 2022.

Participants may also contribute amounts representing distributions from other qualified plans. Amounts received are recorded as rollover contributions on the Statement of Changes in Net Assets Available for Benefits.

Participant Accounts

Individual participant accounts are credited with applicable participant contributions and the related company matching contribution, an allocation of (a) the Company's profit sharing contribution (if any) and (b) Plan earnings (c) Plan expenses incurred by Plan or attributable to a particular participant based on use of a particular feature. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

The Plan provides that participants shall at all times be fully vested in funds that they contribute to the Plan and earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant must complete one thousand service hours during the year in order to be credited with a year of service. Participants begin to vest in both the

HMP Communications Holdings, LLC Employee 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Company's discretionary matching contributions and the Company's profit sharing contributions at a rate of 20% per year after completing one year of service and are fully vested after five years of credited service. In the event of participant's death or disability, all amounts in the participant's account become fully vested. A participant shall become fully vested upon age 65 and on the first day of their 5th anniversary of joining the plan, if later, and is still employed by the Company on or after that date.

Notes Receivable From Participants

Participant loans are not permitted by the Plan.

Payment of Benefits

The Plan allows benefits to be paid in the form of a single lump sum payment. Upon termination of service due to death, disability, retirement or termination of employment, a participant or their beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the vested balance in the participant's individual account is greater than \$5,000, the participant (or beneficiary) may elect to maintain the account in the Plan. However, if the account balance is \$5,000 or less, a distribution will be made to the participant, regardless of whether they consent to receive it. Participants experiencing serious financial hardships or have attained age 59 ½, as defined, may also be entitled to a withdrawal.

Forfeited Accounts

Forfeitures of terminated participants' nonvested accounts will first be used to reinstate previously forfeited account balances for participants who are reemployed by the Company within a five-year break in service. Any remaining forfeitures may be used to pay the administrative expenses of the Plan or reduce either the Company's discretionary matching contributions or the Company's profit sharing contributions. During 2022, \$16,693 of forfeitures were used to reduce administrative expenses. At December 31, 2022 and 2021, forfeitures amounted to \$11,606 and \$7,251, respectively.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company as provided in the Plan document. The expenses include recordkeeping expenses, advisor fees, and custodial expenses. Administrative fees of the Plan totaled \$42,994 for the year ended December 31, 2022 and \$23,000 was paid by the Company.

2. Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America ("GAAP") and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") require management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of Plan

HMP Communications Holdings, LLC Employee 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefit Payments

Benefits are recorded when paid.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

3. Information Certified by the Plan's Custodian

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2022 and 2021. Accordingly, Charles Schwab Trust Bank, formerly known as the Trust Division of Charles Schwab Bank, custodian of the Plan, has certified to the completeness and accuracy of the following information reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021 and the supplemental schedule of Form 5500 - Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022.

	2022	2021
Investments at fair value	\$ 11,180,086	\$ 14,441,828

The related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022 was certified by the custodian, as follows:

	2022
Net depreciation in fair value of investments	\$ (3,381,951)
Dividend income	326,034

4. Fair Value Measurements

Fair value is defined under ASC 820 as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). To measure fair value, a hierarchy has been established that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs. As such,

HMP Communications Holdings, LLC Employee 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

the hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy in ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies

Registered Investment Companies are valued at the daily closing price as reported by the fund.

Stable Value Collective Trust Fund

Valued at the net asset value ("NAV") of units of a collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This investment's underlying funds are structured to maintain a stable value and the remaining life for this investment is not applicable. Participant transactions (purchases and sales) may occur daily. There is no requirement to provide notice of redemption for these investments. There are no unfunded commitments with respect to this investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of

HMP Communications Holdings, LLC Employee 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3
Registered investment companies	\$ 10,088,501	\$ -	\$ -
	\$ 10,088,501	\$ -	\$ -
Stable value collective trust fund, measured at net asset value ^(a)			1,091,585
Total investments at fair value			\$ 11,180,086

Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Registered investment companies	\$ 13,674,135	\$ -	\$ -
	\$ 13,674,135	\$ -	\$ -
Stable value collective trust fund, measured at net asset value ^(a)			767,693
Total investments at fair value			\$ 14,441,828

- (a) Certain investments reported at fair value using the net asset value practical expedient have been excluded from the fair value hierarchy. The fair value amounts presented in this table are intended to act as a reconciliation of net assets available for benefits.

5. Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by letter dated November 1, 2016, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter; however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administration has analyzed the tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress. The Plan administrator believes that it is no longer subject to income tax examinations for years prior to 2019.

6. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Related Party and Party in Interest Transactions

Fees paid by the Plan to Charles Schwab Trust Bank, formerly known as the Trust Division of Charles Schwab Bank, for custodial and record keeping services amounted to \$19,994 in 2022. These transactions qualify as party-in-interest transactions permitted under the provisions of ERISA.

8. Subsequent Events

No subsequent events were identified through October 4, 2023, the date these financial statements were available for issuance.
