INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
The Community Health Care, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Community Health Care, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Community Health Care, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note K to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Community Health Care, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Community Health Care, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Community Health Care, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Community Health Care, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at the End of the Year) on page 14 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMUNITY HEALTH CARE, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the Community Health Care, Inc. Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan. Under the Plan, the employer and employees make contributions of specified dollar amounts to individual investment accounts established for each participant and the amounts contributed plus or minus the gain or loss earned on the investments determines the future benefit amount for each participant. The future benefit amount is not guaranteed under a defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

For 2022, participants may elect to contribute up to the lesser of 100% of pre-tax annual compensation or \$20,500. Participants over the age of 50 at any time during 2022 may make an additional \$6,500 contribution. Participants may also contribute amounts representing rollover distributions from other qualified defined-benefit or defined-contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. For 2022, the Company made a safe harbor matching contribution of 100% of the first 3% of salary deferral plus 50% of the next 2% of salary deferral as well as a discretionary profit-sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment elections or future contributions or balances any time during the year.

Vesting

Participants are immediately 100% vested in their elective salary deferral contributions, rollover contributions, and the employer's safe harbor matching contributions to the Plan. The employer's discretionary profit-sharing contributions vest according to the following schedule based on number of years of service:

Less than 2 years	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

COMMUNITY HEALTH CARE, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE A - DESCRIPTION OF PLAN (continued)

Forfeitures

Amounts forfeited by participants totaled \$25,443 at December 31, 2022 and \$42,524 at December 31, 2021. These amounts may be used to offset the Plan's administrative expenses and future employer contributions.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid through payroll deductions.

Payment of Benefits

On termination of participation in the plan, a participant may elect to receive the value of the vested interest in his or her account in either a lump-sum amount or installments. However, all amounts under \$5,000 are paid as lump-sum distributions.

In-Service Withdrawals

Active participants who reach age 59-1/2 may withdraw all or part of their vested accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because the contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus guaranteed and additional interest, less funds used to pay benefits and administrative expenses. The Plan invests in an interest accumulation account, a group annuity contract that contains individual participant contracts that are not considered to be fully benefit-responsive. However, contract value approximates fair value for not fully benefit-responsive group annuity contracts. Therefore, the investment in the not fully benefit responsive group annuity contract is reported at contract value, which approximates fair value.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. The allowance for doubtful collections determined by management is \$0 at 12/31/2022.

COMMUNITY HEALTH CARE, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Pooled separate accounts are reported at unit value based on values obtained from independent pricing sources at the measurement date; unit value is used as a practical expedient to estimate fair value. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Account Balances

Terminated participants with vested account balances which have requested distributions but have not yet been paid totaled \$0 at December 31, 2022.

NOTE C - PLAN ADMINISTRATION

The custodian of the Plan is John Hancock Trust Company. The purpose of the agreement with John Hancock is to receive contributions from participants and, together with the income thereon, hold and administer the funds to provide retirement benefits pursuant to the participants' authorizations.

NOTE D - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The Plan utilizes the market approach as the valuation technique used to measure the fair value of its financial instruments. U.S. generally accepted accounting principles establish a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value of financial instruments into three levels:

Level 1 Fair Value Measurements:

Quoted prices (unadjusted) in active markets for identical assets or liabilities where the organization has the ability to access at the measurement date.

COMMUNITY HEALTH CARE, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE D - FAIR VALUE MEASUREMENTS (continued)

Level 2 Fair Value Measurements:

Significant other observable inputs other than quoted prices included in Level 1, which are observable for the asset or liability, either directly or indirectly (i.e. quoted prices in inactive markets, broker or dealer quotations, or alternative pricing sources with reasonable levels of price transparency). If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements:

Unobservable inputs are used to the extent that observable inputs are unavailable due to little, if any, market activity for the asset or liability. Unobservable inputs are developed based on the best information available, which might include the organization's own data that reflects assumptions that market participants would use in pricing the asset or liability.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Investments that are measured at fair value that utilize a net asset value per share (or its equivalent) practical expedient are not categorized within the fair value hierarchy. Investments measured at net asset value per share (or its equivalent) are presented in the following fair value hierarchy table to permit a reconciliation of the fair value hierarchy to the amount presented in the Statement of Net Assets Available for Benefits.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021.

		Fair Value Measurements at Report Date Using:			
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Investments Measured at Net Asset Value

NOTE E - INVESTMENTS

The following table presents investments held by the Plan. All investments are participant-directed. The investment information was prepared by or derived from information provided by John Hancock Trust Company, the trustee of the Plan. The Plan has obtained certifications from John Hancock that the investment information is complete and accurate and accordingly, as permitted by the United States Department of Labor, instructed the Plan's independent auditors not to perform any auditing procedures with respect to these investments.

The Plan invests in mutual funds and a pooled separate account group annuity contract which is referred to as the Stable Value Option. Pooled separate accounts are an investment vehicle available through insurance companies. As with mutual funds, they consist of pooled assets invested in securities according to a pre-determined strategy to meet a specified objective. However, unlike a mutual fund, it is not a registered investment company and therefore it operates under different regulations.

	Market Value December 31, 2022	2021
Mutual Funds with John Hancock Trust Company	\$ 14,108,714	\$ 16,556,164
Pooled Separate Accounts with John Hancock Trust Co.	1,274,939	1,297,204
	<u>\$ 15,383,653</u>	<u>\$ 17,853,368</u>

During 2022, the Plan's investments decreased in value by \$2,627,519. Reinvested interest and dividends earned by the investments are included in this amount.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the Provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G - TAX STATUS

The Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Although the Plan has been amended, the plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

COMMUNITY HEALTH CARE, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. The Stable Value Option investment seeks to maintain a stable value but is not guaranteed by the Federal Deposit Insurance Corporation or the federal government.

NOTE I - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	December 31,	
	2022	2021
Net assets available for benefits per the financial statements	<u>\$16,967,052</u>	<u>\$19,300,726</u>
Net assets available for benefits per Schedule H of the Form 5500	<u>\$16,967,052</u>	<u>\$19,300,726</u>

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2021 to Schedule H of the Form 5500 (including corrective distributions and deemed loan distributions):

Benefits paid to participants per the financial statements	<u>\$ 1,327,505</u>
Benefits paid to participants per Schedule H of the Form 5500	<u>\$ 1,327,505</u>

NOTE J - RELATED PARTY TRANSACTIONS

Participants of the Plan are permitted to select an investment called the Stable Value Option which is a pooled separate account offered by John Hancock and mutual funds offered by John Hancock. Since John Hancock Trust Company is the Trustee of the Plan, these transactions qualify as party-in-interest transactions. All investments are participant-directed and the participant must make an election to invest in these funds. Total fees paid by the Plan for administration and investment advisory services amounted to \$87,384 for the year ended December 31, 2022. The employer has absorbed other expenses related to the Plan.

NOTE K - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information presented in the accompanying financial statements and supplemental schedules as of December 31, 2022 and 2021, and for the year ended December 31, 2022 for investments and investment income was derived, without audit, from information certified to be complete and accurate by John Hancock Trust Company.

The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information to the information included in the Plan's financial statements and supplemental schedules.

NOTE L - DATE OF MANAGEMENT'S REVIEW AND SUBSEQUENT EVENTS

Subsequent events were evaluated through September 27, 2023, which is the date the financial statements were available to be issued.
