Independent Auditor's Report

To the Board of Directors
Aggreko LLC Employees' Savings & Investment Retirement Plan
New Iberia, LA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Aggreko LLC Employees' Savings & Investment Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aggreko LLC Employees' Savings & Investment Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aggreko LLC Employees' Savings & Investment Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aggreko LLC Employees' Savings & Investment Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aggreko LLC Employees' Savings & Investment Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of the year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AGGREKO LLC
EMPLOYEES' SAVINGS AND INVESTMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS**DECEMBER 31, 2022 AND 2021****NOTE 1 - PLAN DESCRIPTION:**

The following description of the Aggreko LLC Employees' Savings and Investment Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established in 1991 and is a defined contribution plan covering generally all employees of Aggreko LLC (the Company) who have one month of service. Employees must be age 18 or older to receive matching and other employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is designed to comply with the applicable sections of the Internal Revenue Code.

Plan Administration

The Plan is administered by the Company. The Company has a Retirement and Investment Review Committee, which is comprised of employees of Aggreko LLC. The trustee of the Plan is Empower Trust Company, LLC and is directed by the Plan Administrator for the investment, reinvestment, control and disbursements of the funds of the Plan.

Contributions

A participant contributes to the Plan by electing to defer up to 50% of his or her salary that would otherwise be payable to the employee during any such calendar period. Employees are automatically enrolled with a 3% deferral unless the participant elects a different or zero percent. The automatic deferral percentage will increase 1% annually until the percentage reaches a max deferral percentage of 10%. The increase in automatic deferral percentage will be effective on the first day of the plan year, beginning with the first Plan Year following the date deferrals were first automatically withheld. Participants are entitled to elect employee contributions to be on a pre-tax or as a Roth 401(k) contribution. Participant contributions are subject to maximum amounts established under the Internal Revenue Code. Participants age 50 and older may elect to defer additional amounts (called "catch-up contributions"), also subject to maximum amounts established under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan provides for a safe harbor matching contribution. The Company will make a safe harbor matching contribution equal to 100% of the elective contribution up to 1% of eligible compensation plus 50% of elective contributions between 1% and 6% of eligible employee compensation. The Company may contribute a discretionary percentage of each participant's compensation for eligible employees who are employed with the Company at the end of the plan year. Contributions are subject to certain IRS limitations.

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, the Company's matching contribution, discretionary Company contributions and plan earnings. Allocations of discretionary Company contributions are based on participant compensation. Plan earnings are allocated based on the investments within each participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Unallocated Assets

Pursuant to a plan expense account agreement between the Plan and Empower Retirement, LLC, a service organization of the trustee, Empower Retirement, LLC will pay to the Plan an Investment Option Credit, also referred to as revenue sharing credits, based on a share of the average net investments held by the Plan. The

AGGREKO LLC
EMPLOYEES' SAVINGS AND INVESTMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS**DECEMBER 31, 2022 AND 2021**

Plan determines the appropriate use of the amounts received and has paid Plan-level expenses from the amounts received.

Vesting

Participants are immediately vested in their deferral and rollover contributions, plus actual earnings thereon. Vesting in the employer's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant fully vests in the qualified automatic contribution arrangement (QACA) match after two years. A participant is fully vested in other discretionary contributions after attaining normal retirement age, disability, death or five years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in various investment options. Contributions may be invested 100% in any of the investment options or split between the investment options in 5% increments. The Plan offers mutual funds and a collective trust fund (commonly referred to as a stable value fund) as investment options for participants. Automatically enrolled participants have their contributions invested in a designated targeted retirement fund until changed by the participant. Participants may change their investment options daily.

Notes Receivable from Participants

Eligible participants and beneficiaries may borrow from their fund accounts up to the lesser of \$50,000 or 50% of their vested account balance. Loan interest rates are 1% over the Prime Rate published in the Wall Street Journal and are fixed for the life of the loan. Outstanding loan terms range from one to five years or over a reasonable period for the purchase of a primary residence. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions. If a loan is not repaid when due, the loan balance is treated as a taxable distribution from the Plan.

Payment of Benefits and Withdrawals

On termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments as defined by the Plan. Certain withdrawals may be partial, or ad hoc, distributions.

Withdrawals from a participant's salary deferral account while such participant is employed by the Company will be permitted in the cases of a hardship or in-service withdrawal, as defined by the Plan, and qualified reservist distributions. Hardship withdrawals are limited to those funds deferred under the Plan plus related earnings. Employer matching and discretionary contributions plus related earnings are not eligible for hardship distributions.

In-service withdrawals are limited to those funds deferred under the Plan and the participant's profit sharing and/or matching contributions once they reach age 59½. Rollover contributions are also eligible for in-service withdrawals.

Forfeited Accounts

Nonvested employer matching and discretionary contributions are forfeited by participants upon their termination. These amounts are retained by the Plan and serve as a reduction to employer matching and discretionary contributions. Forfeited nonvested amounts totaled \$1,163 and \$2,211 at December 31, 2022 and 2021, respectively. Employer contributions were reduced by \$142,036 and \$195,913 from forfeited nonvested accounts during 2022 and 2021, respectively.

AGGREKO LLC
EMPLOYEES' SAVINGS AND INVESTMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS**DECEMBER 31, 2022 AND 2021****NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:****Basis of Accounting**

These financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative and Participant-level Fees

Advisory fees and administration costs are currently paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

A quarterly administrative fee, loan origination, distribution processing, and other participant-level fees are charged to participant accounts.

NOTE 3 – SUMMARY OF FINANCIAL INFORMATION CERTIFIED BY TRUSTEE:

Certain information related to investments from participants disclosed in the accompanying financial statements and ERISA – required supplemental schedule, including investments held at December 31, 2022 and 2021, and net (depreciation) appreciation in fair value of investments, interest, and dividends for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, trustee of the Plan.

AGGREKO LLC
EMPLOYEES' SAVINGS AND INVESTMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS**DECEMBER 31, 2022 AND 2021**

The following is a summary of the Plan's financial information and data certified by the custodian/trustee as complete and accurate in accordance with Section 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

	December 31,

Interest income on notes receivable	<u>164,522</u>	<u>165,341</u>

NOTE 4 – FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date.
- Level 2 Inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
- Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted market prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs that are unobservable inputs for the asset or liability.

In accordance with FASB ASC 820, the Plan determines fair value based on the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds - The Plan's mutual fund investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds

AGGREKO LLC
EMPLOYEES' SAVINGS AND INVESTMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS**DECEMBER 31, 2022 AND 2021**

are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund - The fair value of the Plan's investment in the Morley Stable Value Fund is valued at the net asset value (NAV) of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the plan's fair value measurements at December 31, 2022 and 2021:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

AGGREKO LLC
EMPLOYEES' SAVINGS AND INVESTMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS:

Participants may borrow from their individual account balances in the Plan. These transactions qualify as party-in-interest transactions under provisions of ERISA.

Pursuant to a plan expense account agreement between the Plan and Empower Retirement, LLC, a service organization of the trustee, Empower Retirement, LLC will pay to the Plan an Investment Option Credit, also referred to as revenue sharing credits, based on a share of the average net investments held by the Plan. The Plan determines the appropriate use of the amounts received and has paid Plan-level expenses from the amounts received. The amounts received by the Plan totaled \$245,206 and \$306,088 for the years ended December 31, 2022 and 2021, respectively. The balance included in plan assets for the Investment Credit Option is \$52,629 and \$80,044 as of December 31, 2022 and 2021, respectively.

NOTE 6 – TAX STATUS:

The underlying prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the Code, and therefore, the related trust is tax-exempt. The plan sponsor has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. The Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

NOTE 7 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

NOTE 8 – RISKS AND UNCERTAINTIES:

The Plan provides for various investment options in mutual funds that hold stocks, bonds, fixed income securities and other investment securities. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of investments will occur in the near term that such changes could materially affect participants' account balances, and the amounts reported in the Statement of Net Assets Available for Benefits.

Net Income per Form 5500	<u>\$ (41,435,356)</u>	<u>\$ 23,241,247</u>

A note receivable from participants is deemed distributed during the plan year under the provisions of IRC section 72(p) and Treasury Regulation section 1.72(p) if the note receivable is treated as a note receivable solely of the Participant's individual account and the Participant has discontinued payment of the note receivable as of the end of the year. For financial statement purposes, the note receivable balance is still considered as an outstanding note receivable until the note receivable obligation has been satisfied and is not treated as an actual distribution until such time the participant separates from employment and the participant's vested account balance is fully distributed.

NOTE 10 – SUBSEQUENT EVENTS:

The plan has evaluated subsequent events through October 5, 2023, the date the statements were available to be issued.
