Independent Auditors' Report

To the Administrative Committee
Hale Trailer Brake & Wheel, Inc. 401(k) Plan
Voorhees, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hale Trailer Brake & Wheel, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hale Trailer Brake & Wheel, Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the financial statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Administrative Committee
Hale Trailer Brake & Wheel, Inc. 401(k) Plan
Voorhees, New Jersey

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hale Trailer Brake & Wheel, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hale Trailer Brake & Wheel, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Administrative Committee
Hale Trailer Brake & Wheel, Inc. 401(k) Plan
Voorhees, New Jersey

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hale Trailer Brake & Wheel, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hale Trailer Brake & Wheel, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 and the Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Administrative Committee
Hale Trailer Brake & Wheel, Inc. 401(k) Plan
Voorhees, New Jersey

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HALE TRAILER BRAKE & WHEEL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE A - GENERAL DESCRIPTION OF THE PLAN

A general description of the Hale Trailer Brake & Wheel, Inc. 401(k) Plan (formerly the Hale Trailer Brake & Wheel, Inc. Cash or Deferred Profit-Sharing Plan) follows. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which commenced December 31, 1986. All full-time employees who have completed six months of service are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to the applicable Internal Revenue Service annual limits. The Company's matching contribution is 50% of each participant's pre-tax contribution up to a maximum of 6% of each individual's salary. The employee contributions were \$1,734,743 and \$1,486,106 in 2022 and 2021, respectively. The Company's matching contributions in 2022 and 2021 were \$673,532 and \$582,368, respectively.

The Company may also, at its own discretion, make profit-sharing contributions to the Plan. The Company's profit-sharing contribution in 2022 and 2021 was \$250,000.

Participant Accounts

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their accounts into various funds specified by the Plan. Participant accounts are credited with the participant's contribution, an allocation of the Company's matching and profit-sharing contribution and an allocation of Plan earnings (losses) and charged with an allocation of administrative expenses, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Loans

Participants are eligible for a loan after completing two years of service and maintaining an account balance of \$2,000. A loan amount is limited to the lesser of \$50,000 or 50% of the participant's account. The term of a loan is five years unless the loan qualifies as a home loan (i.e., to buy a principal residence). The term of a home loan is fixed by the Plan Administrator. The interest applicable to the loan is determined at prime rate at the time of application. Repayments are made through a payroll deduction. The amount of any loan not repaid is taxed as a distribution.

Vesting

Participants are always 100% vested in their own contributions. Vesting in the Company's matching and discretionary contributions increases 20% for each year of employment, reaching 100% after five years.

NOTE A - GENERAL DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

The Plan provides that under certain conditions participants may withdraw their vested interest or a portion thereof. Participants may withdraw after-tax contributions at any time. A participant is entitled to receive the value of his or her account in a lump sum distribution in the event of retirement, termination, disability, death, or the attainment of age 59 1/2 as an active employee. Benefit payments to participants are recorded upon distribution.

Forfeitures

Employees who terminate employment and are not vested will forfeit the nonvested portion of their account balance to the Plan, as specified in the plan document. The forfeitures account balance was \$894 and \$2,893 at December 31, 2022 and 2021, respectively.

Forfeitures shall be applied to reduce administrative expenses of the plan, then any remaining forfeitures shall be used to reduce employer contributions. During the years ended December 31, 2022 and 2021, \$29,064 and \$35,044 were used to pay plan expenses, respectively.

Plan Termination

The Plan may be terminated at any time by the Company. In the event of Plan termination, distribution of participant accounts shall be in accordance with the Plan document.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies employed in the preparation of the accompanying financial statements are described below.

Basis of Accounting

The financial statements of the Hale Trailer Brake & Wheel, Inc. 401(k) Plan (the "Plan") are prepared on the accrual basis.

Investment Valuation and Income Recognition

Plan investments in mutual funds are stated at fair value. Shares of registered investment companies are valued at quoted market prices. The Plan's investments in the common collective trust is stated at net asset value as a practical expedient as reported by the trustee which include a mix of mutual funds and managed accounts. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments. All underlying investments options are valued daily. This daily price is considered the selling price for transfers and withdrawals, and is calculated each day the principle market is open and available to any participant in the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded as of the record date.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses, excluding transaction fees and asset management fees, are paid by Hale Trailer Brake & Wheel, Inc. (the "Company").

Party-in-Interest Transactions

Participant loans qualify as party-in-interest transactions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Date of Management's Review

Management has evaluated subsequent events through September 25, 2023, the date which the financial statements were available to be issued.

NOTE C - ADMINISTRATION OF THE PLAN

The Plan is administered by a committee appointed by Barry Hale. The committee is the Plan Administrator and fiduciary for ERISA purposes.

NOTE D - TAX STATUS OF THE PLAN

The Plan's design is based upon the Alerus Financial, N.A. Non-standardized Pre-approved Profit Sharing/Money Purchase/CODA Plan documentation. The Volume Submitter Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service has determined and informed Alerus Financial, N.A. that the plan document is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter, however, the plan sponsor and administrator believes that the Plan, as designed, is currently being operated in compliance with the applicable requirements of the IRC. The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes.

HALE TRAILER BRAKE & WHEEL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE D - TAX STATUS OF THE PLAN (Continued)

Management has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

NOTE E - RELIANCE ON TRUSTEE'S REPORT

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the trustee of the Plan, Alerus Financial, N.A., other than comparing such information to that contained in the financial statements and supplemental schedules.

	<u>2022</u>	<u>2021</u>
Common/collective trust	\$ 2,410,132	\$ 2,340,777
Mutual funds	23,852,842	28,000,474
Investment income (loss)		
Interest and dividends	1,007,237	1,202,460
Investment gain from common and collective trust	37,735	28,775
Net appreciation (depreciation) in fair value of mutual funds	(5,974,455)	2,285,627

NOTE F - FAIR VALUE MEASUREMENTS

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

HALE TRAILER BRAKE & WHEEL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE F - FAIR VALUE MEASUREMENTS (Continued)

Assets of the Plan for which fair values are determined on a recurring basis are summarized as follows:

	2022		2021	
	Level 1	Net Asset Value (a)	Level 1	Net Asset Value (a)
Mutual funds	\$ 23,852,842	\$ -	\$ 28,000,474	\$ -
Common/collective trust (a)	-	2,410,132	-	2,340,777
	<u>\$ 23,852,842</u>	<u>\$ 2,410,132</u>	<u>\$ 28,000,474</u>	<u>\$ 2,340,777</u>

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits

Mutual funds have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs.

The common/collective trust is valued at the net asset value (NAV) of units held by the Plan at year end. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE G - CORRECTIVE DISTRIBUTIONS PAYABLE

The plan failed the discrimination test for the years ended December 31, 2022 and 2021. Excess contributions amounting to \$17,391 and \$22,719 are recorded as a liability in the accompanying statements of net assets available for benefits and as a deduction from net assets on the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, respectively. The Plan reimbursed \$17,391 and \$22,719 of excess contributions to its participants during 2022 and 2021, respectively.
