INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
AerSale 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AerSale 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the AerSale 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AerSale 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AerSale 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AerSale 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AerSale 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Form 5500 – Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Supplemental Schedules Required by ERISA (Continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan sponsor makes safe harbor qualified non-elective contributions equal to 3% of participant's eligible compensation as defined in the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Plan sponsor's contribution, an allocation of the Plan's earnings or losses, investment fees, and any other administrative expenses paid out of the Plan. Allocations of the Plan's earnings or losses in each investment option and Plan sponsor's contributions are made to the participant's accounts based on the ratio of each participant's current account balance in each investment option to total participant's account balance in the investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately fully vested in their own and Plan sponsor contributions.

Investment Options

Upon enrollment in the Plan, participants may direct contributions to any of the various Principal Life Insurance Company (Principal) investment options (see Note 4). Participants may change their investment options at any time.

Payment of Benefits

Participant contributions and the vested portion of the Plan sponsor's matching contributions are available for distribution upon attainment of age 59½, death, disability, termination of employment or normal retirement age. If the participant's vested account balance was less than \$5,000 at the date of the distribution, then that balance shall be distributed in a single lump-sum payment. If the participant's vested account balance was more than \$5,000 at the date of the distribution, then in addition to either a lump sum or direct rollover, participant may choose to receive installments, request partial withdrawal, or defer receiving payment until age 70½. If participant chooses to defer payments, their account will continue to be invested in the way they direct and will be adjusted for any gains or losses that occur. Contributions were also available for distribution in the form of a hardship withdrawal.

In the event of death while employed by the Plan sponsor, the participant's vested amount will be used to provide the participant's spouse or beneficiary with a death benefit.

Notes Receivable from Participants

Notes receivable from participants consisted entirely of loans to participants. A loan cannot exceed the lesser of one-half of the vested interest of a participant's account balance or \$50,000 and must be at least \$500. The loans are secured by the participant's vested account balance and bear interest based on rates available for similar loans from commercial lending institution on the day the loan was requested. As of December 31, 2022 and 2021, interest rates on the loans ranged from 5.25% to 9.50% with maturities through 2048. The balances of notes receivable from participants were approximately \$455,000 and \$283,000 as of December 31, 2022 and 2021, respectively.

All loans must be repaid within a five-year period unless it is for the purchase of a principal residence, which allows for repayment within a period of up to 30 years.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Termination

Although it has not expressed any intent to do so, the Plan sponsor has the right to terminate the Plan subject to the provisions of the agreement and ERISA.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting. The preparation of financial statements in accordance with Generally Accepted Accounting Principles (GAAP) in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

Investments are reported at fair value (see Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (see Note 4 for discussion of fair value measurements).

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in these risks and uncertainties in the near term would materially affect participants account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Administrative Expenses

Certain administrative and accounting functions are performed by the Plan sponsor's employees, who receive no compensation from the Plan. Administrative expenses, such as professional fees, are paid directly by the Plan sponsor.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Principal Trust Company (Principal), the custodian, held the Plan's investments as of December 31, 2022 and 2021. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022, and the information reflected on the schedule Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022.

Allocations among the underlying investments are participant directed. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses.

During the year ended on December 31, 2022, the Plan's underlying investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$2,939,225. This was reported as net depreciation in fair value of investments in the statement of changes in net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

AERSALE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

(Continued)

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of the unobservable inputs.

There have been no changes in the methodologies used to measure fair value as of December 31, 2022 and 2021.

The following is a description of the valuation methods used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts (PSA): The majority of the underlying securities have observable quoted pricing inputs obtained from a pricing service. While the net asset value of the PSA is not publicly quoted, it is available to via the custodian's website, therefore it has a readily determinable fair market value.

The following table set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 5. FULLY BENEFIT-RESPONSIVE INSURANCE CONTRACT

The Plan has a traditional fully benefit-responsive guaranteed insurance contract, which was reported at a contract value of \$787,777 and \$480,156 as of December 31, 2022 and 2021, respectively. Contract value is the aggregation of contributions, plus interests, less withdrawals, if any. The crediting rate is currently reset on a semiannual basis and was as follows:

Dates	Rate
01/01/2021 - 05/31/2021	0.95%
06/01/2021 - 11/30/2021	0.90%
12/01/2021 - 05/31/2022	0.90%
06/01/2022 - 11/30/2022	0.95%
12/01/2022 - 12/31/2022	1.10%

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were investment funds managed by Principal Life Insurance Company, custodian of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Fees paid during the year for accounting and other services rendered by the parties-in-interest were based on customary and reasonable rates for such services. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants.

NOTE 7. TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan sponsor, as well as the Plan trustees, believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken by the Plan. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8. PROHIBITED TRANSACTIONS

During 2022 participant deferrals for various payroll periods totaling approximately \$77,940 (including loan payments of \$4,337) were not remitted timely to the Plan. The Department of Labor's (DOL) regulation 29 CFR 2510.3-102 requires that participant contributions be remitted to the Plan on the earliest date on which they can reasonably be segregated from the Company's general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Plan sponsor. Subsequent to the due dates, the Plan sponsor remitted these participant contributions to the Plan. All contributions were remitted within the 2022 Plan year excluding interests, which were remitted subsequently to year-end. These are shown as pending correction in VFPC in the Schedule of Delinquent Participant Contributions. During 2021 participant deferrals for various payroll periods totaling approximately \$63,806 had not been remitted timely to the Plan. All contributions had been remitted within the 2021 Plan year excluding interests, which were remitted during 2022. These are shown as Fully Corrected Under VFPC and PTE 2002-51 in the Schedule of Delinquent Participant Contributions.

NOTE 9. COVID-19 CONSIDERATIONS

The Plan's ongoing funding may experience instability and estimates included in the financial statements may change due to current political and economic conditions as a result of public health concerns related to the novel coronavirus, or COVID-19. The duration and intensity of these impacts and resulting disruption to which these events affect the Plan's net position will depend on future developments, which are highly uncertain and cannot be predicted at this time.

NOTE 10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 3, 2023, the date the financial statements were available to be issued.
