Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Bristlecone 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bristlecone 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and December 31, 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022, and December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2022, and December 31, 2021, and for the years ended December 31, 2022, and December 31, 2021, stating that the certified investment information, as described in note 4 to the financial statements, is complete and accurate to the best of our knowledge.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s responsibilities for the audit of the financial statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“US GAAS”). Our responsibilities under those standards are further described in the Auditor’s

responsibilities for the audits of the financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters -Supplemental schedules required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

(All amounts are in United States Dollars, unless otherwise stated)

NOTE 1: DESCRIPTION OF PLAN

The following description of the Bristlecone 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan that was established on January 1, 1999, by Bristlecone, Inc. (“the Company” or “Plan Administrator”) covering all eligible employees of the Company as defined in the Plan agreement. Certain classes of employees as defined in the Plan agreement, are excluded from plan participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

A Plan Committee (“the Committee”) manages the operation and administration of the Plan, including the appropriateness of the Plan’s investment offerings and investment performance. The Company has contracted with Fidelity Management Trust Company to act as trustee and, Fidelity Investments Institutional acts as third-party plan administrator, and recordkeeper for the years ended December 31, 2022, and December 31, 2021. Certain Company personnel serve as Plan trustees.

Contributions

Each year, participants may elect to defer pretax contributions or Roth 401(k) deferrals to the plan by an amount of eligible annual compensation as defined in the Plan agreement, not to exceed the maximum statutory amount. Participants who are age 50 or older can elect to make catch-up contributions to the Plan, not to exceed the maximum statutory amount. Participants may also contribute amounts representing distributions from other qualified eligible plans.

The Plan allows for an employer discretionary matching and/ or an employer discretionary non-elective contribution, subject to certain eligibility requirements. For 2022 and 2021, the Company matched the lesser of 50% of a participant’s salary deferrals or 2.50% of eligible compensation, up to an annual maximum of \$3,500 per participant. For the year ended 2022, the Company made matching contributions in the amount of \$211,208, of which \$21,804 was funded by forfeitures and \$17,608 was receivable as of December 31, 2022, which was funded in Plan year 2023. For the year ended 2021, the Company made matching contributions in the amount of \$189,110 of which \$17,812 was funded by forfeitures and \$15,678 was receivable as of December 31, 2021, which was funded in Plan year 2022. No discretionary non-elective contribution was made for 2022 and 2021.

Participant accounts

Each participant’s account is credited or charged with the participant’s contribution, the Company’s discretionary matching contribution, an allocation of the discretionary non-elective contribution (if any), plan earnings and losses, and plan expenses as applicable to the Plan. Allocations of the discretionary non-elective contribution are based on participant compensation. Allocations of plan earnings and losses are based on individual participant investment choices. All contributions/investments are participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Bristlecone 401(k) Plan

Financial Statements

December 31, 2022, and December 31, 2021

Certain investment and fund fees are charged to the funds and are included in plan investment income and losses and charged to participant accounts. Participants should refer to the funds' prospectuses for further information on these fees.

Vesting

Participants are 100% vested in their contributions and rollover amounts plus actual earnings thereon. Vesting in the Company's discretionary matching contributions and discretionary non-elective contributions, and related earnings are based on years of credited service as follows:

Years of service	Percentage
0	0%
1	33.33%
2	66.66%
3	100%

Participants become fully vested in the event of death, disability, normal retirement age, or plan termination.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance, reduced by the participant's highest outstanding loan balance in the previous twelve months and the existing loan balance. Two outstanding notes per participant are permitted at any given time. The notes are secured by the balance in the participant's account and bear interest at rates that are commensurate with prevailing rates as determined by the Plan administrator. Outstanding notes receivable from participants carry interest rates which range from 4.25% to 7.50%. Principal and interest are paid ratably through payroll deductions. The notes must be repaid within a five-year period unless it is used for the purchase of a principal residence, in which case the maximum repayment period may be longer. The Plan administrator establishes the specific terms and conditions of such notes.

Payment of benefits

Upon the satisfaction of certain distributable events, participants or their beneficiaries may elect to receive their vested account balance which are paid in accordance with plan provisions. The Plan allows for the automatic distribution of terminated participant balances between \$1,000 and \$5,000 to an IRA rollover account.

Forfeited accounts

Forfeited non-vested employer matching and employer nonelective accounts can be used to pay plan expenses, reduce employer contributions, or restore forfeited account balances of rehires who are eligible for a restoration of forfeitures. As of December 31, 2022, and December 31, 2021, the non-vested forfeited accounts totaled \$NIL, and \$2,496, respectively. Forfeitures of terminated employees' non-vested accounts totaled \$19,290 during the year 2022 and \$17,982 during the year 2021. During the years ended December 31, 2022, and December 31, 2021, \$21,804, and \$17,812, respectively, were used to reduce employer contributions.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates in financial statements

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments in mutual funds (registered investment companies) and common/collective trusts are valued at fair value, as provided by the trustee. Net appreciation in the fair value of investments represents the change in fair value, during the period, including realized and unrealized gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022, and December 31, 2021. Delinquent participant notes are recorded as distributions on the basis of the terms of the Plan agreement.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability. As of December 31, 2022, and December 31, 2021, Plan considered \$2,788 and \$NIL, respectively, as excess contributions payable.

Plan expenses

Some expenses incurred for administering the Plan are paid by the Company and these amounts are excluded from the Plan's financial statements. Asset and fund fees are recorded as a reduction of investment income and charged to participant accounts. Certain distribution fees and participant note fees are paid by participants, as applicable. Investment advisory/broker and some third-party administrator fees are paid by the Plan.

	Year ended December 31, 2022	Year ended December 31, 2021
Investment advisory and management fees	46,834	35,200
Total	46,834	35,200

Payment of benefits

Benefits are recorded when paid.

Basis of fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under the Financial Accounting Standards Board (FASB) Accounting Standard Update (ASU) Subtopic 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022, and December 31, 2021.

Common/collective trusts: Units held in common/collective trusts ("CCT") are valued using the NAV practical expedient of the CCT as reported by the issuer of the CCT. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 - INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY ("TRUSTEE") (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Fidelity Management Trust Company, except for comparing such information certified by the Fidelity Management Trust Company to information included in the Plan's financial statements for the years ended December 31, 2022, and December 31, 2021, and supplemental schedule for the year ended December 31, 2022:

Interest and dividend income	320,488	619,038

*Refer note 7 for reconciliation with schedule H, form 5500

NOTE 5: FAIR VALUE MEASUREMENTS

The valuation methods described in significant accounting policy "Basis of fair value measurement" may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022, and December 31, 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

NOTE 8: PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Fidelity Management Trust Company acts as trustee of the plan. Fidelity Investment Institutional manages certain plan investments for the year ended December 31, 2022, and December 31, 2021. Any purchases and sales of these investments are performed in the open market at fair value. Fees are paid by the Plan to Fidelity Investment Institutional for investment management services, for certain participant plan transaction fees, and for recordkeeping services. Investment advisory fees and some third-party administrator fees were paid by the Plan. The Plan has other service providers. Party-in-interest transactions also include loans made to participants.

All these transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 9: PLAN TERMINATION AND/ OR MODIFICATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 10: INCOME TAX STATUS

For the years ended December 31, 2022, and December 31, 2021, the Plan Sponsor entered into a non-standardized adoption agreement of Fidelity Management & Research LLC ("FMR LLC"), a Non-Standardized Pre-Approved Profit-Sharing Plan with Cash or Deferred Arrangement ("CODA"). FMR LLC has received an opinion letter from the IRS dated June 30, 2020, that states that the form of the non-standardized pre-approved profit-sharing plan is acceptable under Section 401 of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not would not be sustained upon examination by the IRS. The Plan is

subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 11: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2022, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.
