Hunt Midwest Enterprises, Inc. Defined Contribution Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of Hunt Midwest Enterprises, Inc. Defined Contribution Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedules required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2022 and assets (held at the end of year) as of December 31, 2022 are presented for purposes of additional analysis are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hunt Midwest Enterprises, Inc. Defined Contribution Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

The following description of the Hunt Midwest Enterprises, Inc. Defined Contribution Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. This documentation is available from the Plan's administrator.

General

The Plan is a defined contribution plan sponsored by Hunt Midwest Enterprises, Inc. and its subsidiaries and affiliates: Hunt Financial Group, LLC and Unity Hunt, Inc. (collectively, the Companies and Plan Sponsors) for the benefit of substantially all eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Retirement Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Under the Plan document, participants are eligible to participate in the Plan and make salary deferral contributions as of the next quarterly entry date after their employment date and attaining age 21. In addition, participants are eligible for discretionary employer contributions as of the next quarterly entry date following the date they have completed one year of service and attained age 21. The Plan document provides for participant direction of all investments.

Contributions

Each year, participants are entitled to contribute up to 100% of pretax annual compensation, as defined in the Plan, or up to the annual limit of \$20,500 & \$19,500 for the years ended December 31, 2022 and 2021, respectively, in accordance with the IRS regulations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. In addition, participants who have attained age 50 and who are making contributions to the Plan are allowed to make additional catch-up contributions to the Plan up to an annual maximum of \$6,500 for the years ended December 31, 2022 and 2021.

The Companies may contribute an annual matching contribution of 50% of participant salary reduction contributions. The matching contribution is limited to 2% of eligible participant compensation and is participant-directed. The Companies may also make discretionary contributions to the Plan which are determined annually by the Companies' Board of Directors. Discretionary contributions are allocated first by the ratio that a participant's compensation in excess of the social security wage base bears to the excess compensation of all eligible participants, subject to a maximum allocation. Any remaining discretionary contributions are allocated to participants in the ratio that their compensation bears to the total compensation of all participants eligible to share in the allocation for that plan year. The Companies' discretionary match and profit-sharing contributions to the Plan during the years ended December 31, 2022 and 2021 were \$715,653 and \$677,570, respectively. Contributions are subject to certain limitations as determined by the IRS.

Investment Options

Participants direct their investment contributions into various investment options offered by the Plan. As of December 31, 2022 and 2021, the Plan offers a variety of mutual funds, pooled separate accounts, and a collective trust as investment options for participants.

Hunt Midwest Enterprises, Inc. Defined Contribution Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Companies' contributions and (b) plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participant contributions plus actual earnings thereon are 100% vested immediately. The Companies' matching and discretionary contributions are subject to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 3	0%
3 or more	100%

The Companies' matching and discretionary contributions are also 100% vested on the date the recipient should die, become fully disabled, or reach the retirement age of 65.

Payment of Benefits

On termination of service, a participant will receive a lump-sum payment equal to the value of the participant's vested interest in their account or, if the vested account balance is greater than \$5,000, leave the account invested in the Plan on an inactive basis.

Forfeited Accounts

At December 31, 2022 and 2021, the Company had \$5,209 and \$32,993, respectively, of forfeited, non-vested account balances outstanding, which are reflected in the investments on the statements of net assets available for benefits and were used to reduce the employer contribution payment made subsequent to year end. Forfeited amounts are reallocated to active participants in the same manner as employer discretionary contributions. During the years ended December 31, 2022 and 2021, forfeitures of \$6,345 and \$17,533, respectively, were allocated to participants.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note C for discussion of fair value measurements.

Hunt Midwest Enterprises, Inc. Defined Contribution Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

The Plan allows for lump-sum distributions. Upon termination of service a participant may receive a distribution of their vested balance. Participants who have attained age 59½ and continue to work may elect early withdrawal. Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Companies and are not included in the financial statements. Expenses, such as recordkeeping expenses, bonding expenses required by ERISA, direct costs incurred by the Companies with respect to the Plan, or other administrative fees, to the extent the employer does not pay such expenses, may be paid out of the assets of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Subsequent Events

The Plan has evaluated subsequent events through July 31, 2023, the date the financial statements were available to be issued. There have been no subsequent events identified through the date of the financial statements.

NOTE C - INVESTMENTS

Fair Value Measurements

Fair value is determined based upon a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability; and
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Hunt Midwest Enterprises, Inc. Defined Contribution Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts - Units held in the pooled separate account ("PSA") are valued using the Net Asset Value (NAV) practical expedient of the PSA as reported by the account manager. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding.

Collective trust - Valued at the NAV of the underlying investments at year end as a practical expedient to fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,750,575	\$ -	\$ -	\$ 15,750,575

NOTE D - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee and Trust Company (d/b/a Principal Trust Company) ("Principal Trust Company"), the trustee of the Plan, has certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021;
- Investment income as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021; and
- Schedule H, line 4i - the schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedules.

NOTE E - PLAN TERMINATION

Although the Companies have not expressed any intent to do so, they have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their account balances.

NOTE F - TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

Hunt Midwest Enterprises, Inc. Defined Contribution Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in these financial statements.

NOTE H - RELATED PARTY TRANSACTIONS

Certain plan investment options are funds managed by Principal Trust Company with transaction services performed by Morgan Stanley, the trustees and the investment advisor of the Plan, respectively. These transactions qualify as party-in-interest transactions. Fees paid to Principal Trust Company and Morgan Stanley amounted to \$71,892 and \$104,354 for the years ended December 31, 2022 and 2021, respectively.

NOTE I - EXCESS CONTRIBUTIONS

To comply with certain discrimination testing rules, the Plan may be required to refund a portion of the contributions made by highly compensated employees during 2022 and 2021. There were no amounts due to highly compensated employees at December 31, 2022 and 2021.
