INDEPENDENT AUDITOR'S REPORT

To the Members of
TRS of Legacy Marketing Partners 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of TRS of Legacy Marketing Partners 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of TRS of Legacy Marketing Partners 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TRS of Legacy Marketing Partners 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TRS of Legacy Marketing Partners 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TRS of Legacy Marketing Partners 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TRS of Legacy Marketing Partners 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRS OF LEGACY MARKETING PARTNERS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant accounting policies of the Plan.

Basis of Accounting: The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments: Investments are recorded at fair values. The change in the difference between current value and the cost of investments, if any, is reflected in the statement of changes in net assets available for benefits as gain (loss) on investments.

Administrative and Other Expenses: The plan permits payment of any plan expenses from the plan's assets. Expense not paid by the sponsor will be allocated among the accounts of the participants in the plan.

Fair Value Measurements: ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Companies are required to disclose fair value of certain assets and liabilities according to a fair value hierarchy. This hierarchy ranks the quality and reliability of the inputs used to determine fair values, which are then classified and disclosed in one of three categories. The three levels of the fair value hierarchy are:

- Level 1 – quoted prices in active markets for identical assets or liabilities.
- Level 2 – quoted prices in active markets for similar assets or liabilities; quoted prices in markets that are not active; and model-derived valuations whose inputs are observable.
- Level 3 – model-derived valuations with unobservable inputs that are supported by little or no market activity.

The following is a description of the methodologies used in valuing investments at fair value as of December 31, 2022.

Mutual Funds

The Plan measures its mutual funds that are exchange traded in an active market using the funds' quoted prices. Therefore, this investment is classified within Level 1 of the valuation hierarchy. At December 31, 2022 and 2021, all investments were classified as Level 1.

TRS OF LEGACY MARKETING PARTNERS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

2. DESCRIPTION OF THE PLAN

The Plan is a defined contribution plan with a 401(k) feature covering all employees, as defined below, of Legacy Marketing Partners, LLC (The Sponsor). The Plan was established to afford employees a retirement fund out of the profits of the Company, which will help to provide for future security of the participants. The Sponsor has the right to amend or alter the Plan, or discontinue it by giving written notice of intention to do so. To become eligible to participate in the Plan, an employee generally must have completed at least 60 days of service and attained age 21. Upon termination of service, distribution to the participant or his or her beneficiary will be made in one lump sum cash payment. Any distributions exceeding \$5,000 require consent from the participant.

Sponsor's Discretionary Contributions:

The Sponsor may make discretionary contributions in amounts which are determined by the Board of Directors in its sole discretion, and are allocated to each participant's account in proportion to the ratio that such participant's compensation for the year bears to the total compensation of all participants for the year. The sponsor may also make a qualified non-elective contribution equal to a uniform percentage of each participant's compensation to be determined on an annual basis. A participant must be actively employed as of the last day of the plan year and completed 1,000 hours of service during the plan year to receive an allocation of the discretionary contribution or qualified non-elective contribution. Contributions are limited by the Internal Revenue Code.

The amount in each participant's discretionary contribution account vests at the rate of 0% for less than two years of service and becomes 100% vested after the completion of six years of service. Upon retirement, disability or death, a participant (or his or her beneficiary) is entitled to the entire amount of his or her account. A participant whose employment terminates for any reason other than retirement, disability or death is entitled to only the vested portion of his or her discretionary contribution account. Participants are 100% vested in any qualified non-elective contributions.

For the years ended December 31, 2022 and 2021 there were no discretionary contributions on qualified non-elective contributions.

401(k) Participant Deferrals and Company Match:

Each participant may elect to defer a portion of his or her compensation into the Plan subject to the limits of the Internal Revenue Code.

The plan was considered a "safe harbor" 401(k) plan. If the sponsor elects to maintain "safe harbor" status, the Sponsor will make a matching contribution for each participant equal to 100% of a participant's deferral up to 3% of the participant's compensation, plus 50% of a participant's deferral between 3% and 5% of compensation. Participants are 100% vested in any salary deferrals or company matching contributions. The plan was amended in May 2020 to remove the "safe harbor" provision.

3. TAX STATUS

The trust constitutes a qualified trust under Section 401(a) of the Internal Revenue Code and is therefore exempt from Federal income taxes under provisions of Section 501(a). A favorable determination letter was received March 31, 2008 by the plan administrator for the prototype plan the sponsor adopted. Although the determination letter does not cover any variances from the prototype plan, management feels the plan is operating in accordance with the applicable sections of the Internal Revenue Code.

The Plan files income tax returns in the U.S. federal jurisdiction. The Plan is no longer subject to U.S. federal income tax examinations by tax authorities for years before 2019.
