Benevis, LLC 401(k) Retirement
Savings Plan
Marietta, Georgia

We have audited the financial statements of Benevis, LLC 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] as of December 31, 2022 and for the year ended December 31, 2022, and issued our report thereon dated October 3, 2023. As permitted by ERISA Section 103(a)(3)(C) our audit did not extend to any statements or information related to assets held for investment (investment information) of the Plan by Principal Trust Company (the Trustee), which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 14, 2023. Professional standards also require that we provide you with the following information related to our audit.

Significant Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies

used by the Plan are described in Note 2 to the financial statements. No new significant accounting pronouncements were adopted by the Plan in the current year and the application of existing policies was not changed during the audited year. We noted no transactions entered into by the Plan during the audited period for which there is a lack of authoritative guidance or consensus.

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements is the fair value measurement for the Plan's assets.

Management's estimate of the fair value of the Plan's assets is based on the provisions described in ASC 820, as disclosed in Note 4 to the financial statements. We relied on the certification provided by the Trustee that investment information, including fair value, is complete and accurate. We have determined the estimate is reasonable in relation to the financial statements taken as a whole.

Financial Statement Disclosures

Management is responsible for the selection and use of appropriate financial statement disclosures to ensure that the financial statements are prepared in accordance with U.S. GAAP. The significant financial statement disclosures include investment valuation and income recognition. No matters have come to our attention that would require us, under professional standards, to inform you that the financial statement disclosures selected and prepared by management do not comply with U.S. GAAP.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 for the Plan prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Unusual Transactions

Significant unusual transactions are significant transactions that are outside the normal course of business for the Plan or that otherwise appear to be unusual due to their timing, size, or nature.

We noted no transactions entered into by the Plan during the audited period that were both significant and unusual, and of which, under professional standards, we are required to inform you.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as disagreements that arose during the audit, regardless of whether they were satisfactorily resolved, about matters that individually, or in the aggregate, could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Audit Adjustments and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. For purposes of this letter, professional standards define an audit adjustment as a proposed correction of the financial statements that, in our judgment, may not have been detected except through our auditing procedures. An audit adjustment may or may not indicate matters that could have a significant effect on the Plan's financial reporting process (that is, cause future financial statements to be materially misstated). All proposed audit adjustments have been recorded in the financial statements.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

During our audit procedures, we noted delinquent participant contributions and a delinquent loan repayment caused by rejected remittals that were not corrected on a timely basis. We recommend all remittal rejections be researched and fully corrected, including remitting lost earnings and interest, as soon as possible after remittals are processed.

Significant Findings or Issues Discussed or Subject to Correspondence with Management

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants during our audit.

ERISA-Required Supplemental Schedule

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Material Written Communications

Those written communications that we believe constitute other material written communications between management and us related to the audited year include:

- Representation letter for the financial statements.

A copy of this communication has been attached to this letter.

Independence

Our professional standards suggest that we communicate to you, at least annually, matters that we have considered in determining that we are independent of the Company and provide confirmation that we are independent accountants with respect to the audit of the Plan.
