Independent Auditors' Report

To the Participants and Plan Administrator of
AMC Networks 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of AMC Networks 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 13, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMC NETWORKS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 1. Description of Plan

The following description of the AMC Networks 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a 401(k) defined contribution plan for the benefit of employees of AMC Networks Inc. ("AMC Networks" or the "Company"). The Plan was adopted effective June 28, 2013. The Plan Sponsor is Rainbow Media Holdings LLC, a direct wholly-owned subsidiary of AMC Networks. The Plan covers several affiliated companies of the Plan Sponsor and is intended to constitute a multiple employer plan. The Plan generally covers full-time employees, however, certain groups of part-time employees can participate after attaining the age of 21 and completing 1,000 hours of service in a twelve month period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Investment assets of the Plan are maintained under a trust agreement with Fidelity Management Trust Company (the "Trustee") and the Plan's recordkeeping administrative services are provided by Fidelity Workplace Services LLC, (collectively, "Fidelity"). All investment and participant loan transactions are executed by Fidelity at the direction of and for the exclusive benefit of participants under the Plan.

(b) Participant Accounts

Each participant's share of the Plan's assets is recorded in an account established for that participant. Each participant's account is credited with the participant's contribution, if any, and the participant's share of the Company's contribution, adjusted to reflect income, gains and losses realized and net appreciation or depreciation in the value of the Plan's assets. All contributions are invested based on participant direction. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may elect to divide their contributions or initiate a transfer among the investment fund options in whole increments of 1%, subject to certain restrictions. An eligible participant may elect to suspend or resume his or her contributions, subject to the Plan's notice requirements. Changes requested by participants are implemented as soon as administratively practicable, in accordance with the Plan document.

(c) Contributions

Each year, employees may contribute up to 50% of pretax annual compensation, as defined in the Plan. The combined total of up to 50% in pretax and/or Roth after-tax contributions plus up to 10% in regular after-tax contributions cannot exceed 60% of a participant's eligible pay. Employees may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 100% of the first 3% and 50% of the next 2% of base compensation that a participant contributes to the Plan. Employee pretax and Roth after-tax contributions cannot exceed \$20,500 for the plan year ended December 31, 2022. Annual contributions allocated to the participant's account cannot exceed the lesser of (a) 100% of participant's compensation for the plan year or (b) \$61,000 for the plan year ended December 31, 2022. Contributions are subject to certain other limitations. A participant who has made the maximum amount of permitted deferral contributions for a plan year, and who has attained or will attain age 50 during such plan period, may elect to make additional catch-up contributions that could not exceed \$6,500 for the plan year ended December 31, 2022.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. All newly hired or rehired full-time employees are automatically enrolled in the Plan at a default pretax contribution rate of 5%, beginning with the first pay period 45 days after the employees first day of employment (or rehire) and their contributions are invested in a designated balanced fund until changed by the participant. These employees can elect to participate at a different rate or opt out of the Plan and their future contribution rates will be adjusted as soon as practicable although contributions already made to the Plan will not be refunded.

In addition to the matching contribution, the Company may make a discretionary year end contribution. The Company did not make a discretionary contribution for the plan year ended December 31, 2022. The Company made a discretionary contribution of \$3,901,082 for the plan year ended December 31, 2021, which is reflected as an employer contribution receivable in the statement of net assets available for benefits as of December 31, 2021. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

AMC NETWORKS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

(d) *Rollovers and Transfers*

The Plan permits participants to have their interests in other qualified plans rolled over to the Plan or to make rollover contributions into the Plan from a conduit individual retirement account, which holds amounts attributable solely to a rollover from another qualified plan. In addition, the Plan permits for direct transfers of participant accounts for employees in businesses that were acquired by the Company. Such transfers or rollovers to the Plan may only be made with the approval of the Plan administrator and do not affect any other contributions made by or on behalf of a participant. Rollovers into the Plan amounted to \$3,906,329 for the year ended December 31, 2022.

(e) *Forfeited Accounts*

Forfeitures are used primarily to reduce employer contributions, although the Plan does permit payment of Plan administrative expenses with available forfeited amounts. Forfeited amounts will be restored to a participant's account only if the participant is rehired prior to achieving a five-year break in service and repays the amount of his or her distribution received as result of his or her separation from service. For the year ended December 31, 2022, employer contributions were reduced by \$462,705 from utilizing forfeited, nonvested accounts. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$17,868 and \$166,913, respectively. The forfeiture balance at December 31, 2022 will be used to reduce future employer contributions or to pay administrative expenses.

(f) *Vesting*

Participants immediately vest in their contributions, plus actual earnings thereon. Participants immediately vest in the Company's matching contributions, plus actual earnings thereon and vest in the Company's discretionary year-end contribution upon the completion of three years of service.

(g) *Payment of Benefits*

Upon attaining the age of 59 1/2, death, or termination of service, a participant's vested interest in the Plan becomes payable to the participant (or his or her assigned beneficiary in the case of death). A participant may elect to receive benefit payments in annual installments of up to 15 years, a lump-sum amount or as a direct rollover contribution to an Individual Retirement Account ("IRA") or an eligible retirement plan of all or part of the payment. Withdrawals prior to attaining retirement age are not permitted except in the event of retirement, disability or as a hardship distribution. Upon proof, to the satisfaction of the Plan administrator, and in compliance with the Internal Revenue Code ("IRC"), of an immediate and heavy financial need, amounts contributed may be withdrawn for hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to retirement age. If a hardship withdrawal is made, a participant will be suspended from making contributions to the Plan for six months.

(h) *Participant Loans Receivable*

Subject to approval by the Plan administrator, participants can have two loans outstanding at one time, a general purpose loan and a home purchase loan, or two general purpose loans. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 (reduced by the participant's highest outstanding loan balance during the preceding 12-month period), or (b) 50% of the vested portion in the participant's account. Such borrowings generally must be repaid (through payroll deductions) within five years (or ten years when it is for the purchase of a principal residence). The loans are secured by the balances in the participant's account and all loans bear interest at a rate fixed by the Plan administrator based on prevailing interest rates charged by persons in the business of lending money for loans or loans which would be made under similar circumstances when the application for the loan is approved. Participant loans receivable as of December 31, 2022 and 2021 bore interest at rates ranging from 4.25% to 8.00% and from 4.25% to 6.50%, respectively, with maturity dates through 2032 and 2031, respectively. Participant loans receivable at December 31, 2022 and 2021 amounted to \$1,875,124 and \$1,999,561, respectively, and represent unpaid principal balances plus any accrued but unpaid interest.

Note 2. Summary of Accounting Policies

(a) *Basis of Presentation*

The accompanying financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("GAAP"), under the accrual method of accounting.

(b) *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment

AMC NETWORKS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Shares of mutual funds and common stock are traded on national securities exchanges and are valued at the last reported sales price on the last trading day of the Plan period. Collective trusts are valued at net asset value ("NAV") per share. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. The Plan's investment assets are not guaranteed as to principal or interest and their values vary depending upon the performance of the underlying investments.

(c) *Payment of Benefits*

Benefits are recorded when paid.

(d) *Use of Estimates*

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(e) *Risks and Uncertainties*

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan may invest indirectly in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by sub-prime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate values, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

The Plan exposure to a concentration of credit risk is limited by the diversification of investments across all participant fund elections. Additionally, the investments within each participant-directed fund elections are further diversified into various financial instruments with the exception of investments in AMC Networks common stock, Madison Square Garden Sports Corp. ("MSG Sports") common stock, and Madison Square Garden Entertainment Corp. ("MSG Entertainment") common stock, that are each invested in the securities of a single issuer.

Note 3. Investments

(a) *Summary of Information Certified by the Trustee (unaudited)*

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to information certified by the Trustee as of December 31, 2022 and 2021 and for the year ended December 31, 2022, except for comparing such information to information included in the Plan's financial statements. The Trustee has certified to the completeness and accuracy of all investments including participant loans receivable reflected in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the schedule of assets (held at end of year) as of December 31, 2022 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

(b) *Registered Investment Company Mutual Funds*

The Plan's investments in registered investment company mutual funds represent the Plan's participation in certain mutual funds whose values are determined by the performance of the underlying investments held by the fund. The Plan's investments in these funds are not guaranteed as to principal or interest and their values vary with the performance of the funds. The registered investment company mutual funds are valued at the quoted market prices, published daily.

AMC NETWORKS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

(c) Common Stock

The Plan maintains investments in AMC Networks Class A common stock, MSG Sports Class A common stock and MSG Entertainment Class A common stock, whose values are based on a quoted market price. Plan participants may transfer all or any portion of their balance out of these common stock investments and into the various funds offered by the Plan, but they may not direct any contributions or transfer any portion of their balance in the other funds offered by the Plan into these common stock investments.

In April 2023, MSG Entertainment spun off its traditional live entertainment business (the "Spin-Off"), with the existing parent company being renamed Sphere Entertainment Co. and the newly formed live entertainment company taking on the name Madison Square Garden Entertainment Corp ("New MSG Entertainment"). As a result of the Spin-Off, the Plan now holds shares of the Class A common stock of both New MSG Entertainment and Sphere Entertainment Co.

(d) Collective trusts

At December 31, 2022 and 2021, the common collective trust fund available for contribution allocations consisted of the Plan's investment in the GW&K Small Cap Core Fund, a Fund that invests in a diversified portfolio of equity securities, including common stocks and other forms of equity investments, of small-cap and mid-cap domestic companies.

Note 4. Fair Value Measurements

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable. Observable inputs reflect assumptions market participants would use in pricing an asset or liability based on market data obtained from independent sources while unobservable inputs reflect a reporting entity's pricing based upon their own market assumptions. The fair value hierarchy consists of the following three levels:

- Level I - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level II - Inputs to the valuation methodology are quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- Level III - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

There were no transfers, reclassifications or changes in valuation methodologies of investments as of and for the years ended December 31, 2022 and 2021. All mutual funds and common stocks are classified as Level I within the fair value hierarchy as of December 31, 2022 and 2021. Collective trusts were measured at fair value using the NAV per share as a practical expedient and therefore have not been classified in the fair value hierarchy as of December 31, 2022 and 2021. The fund offers daily redemption for investors with no required notice period for daily participant activity.

Note 5. Party-in-Interest Transactions and Administrative Fees

Certain Plan investments are shares of common stock issued by AMC Networks, the Plan Sponsor's parent. As the Plan Sponsor is a subsidiary of the Company, transactions involving purchases and sales of AMC Networks common stock represent party-in-interest transactions.

Certain Plan investments are shares of mutual funds managed by Fidelity. As Fidelity is the trustee and recordkeeper of the Plan, transactions involving purchases and sales of Fidelity managed mutual funds represent party-in-interest transactions.

AMC NETWORKS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Administrative and investment management fees of the Plan are paid from the assets of the Plan. Participants are charged for a portion of the cost to administer the Plan including the recordkeeping, accounting, legal and trustee services and other administrative services, which are deducted automatically from the participant's account. Participants are also charged for certain transactions, such as the processing of a loan. These costs, as well as certain investment management fees paid from Plan assets amounted to \$164,214 for the year ended December 31, 2022.

Investment management expenses, which include expenses paid to an affiliate of the trustee, may be paid from the investment funds. Those expenses are reflected in the net appreciation/depreciation of these investments.

Note 6. Tax Status

The Plan is based on a prototype 401(k) plan, sponsored by Fidelity. The Internal Revenue Service (IRS) informed the prototype plan sponsor, in an opinion letter dated June 30, 2020, that the form of the plan is acceptable under the requirements of the Internal Revenue Code. An employer may rely on a favorable opinion letter issued to a prototype sponsor as evidence that the plan is qualified under Code Section 401(a) as provided in Revenue Procedure 2011-49. Although the prototype plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and being operated in compliance with applicable requirements of the IRC so that the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants become fully vested in their accounts and the assets of the Plan will be distributed to the participants in accordance with the provisions of the Plan and ERISA.

Note 8. Subsequent Events

The Plan evaluated all events that occurred after December 31, 2022 through October 5, 2023, the date on which the Plan's financial statements were available to be issued and no additional subsequent events disclosures were identified.
