INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Dornier MedTech America, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)© Audit

We have performed an audit of the financial statements of Dornier MedTech America, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Dornier MedTech America, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABC Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC Company 401(k) Plan's ability to continue as a going concern for a

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DORNIER MEDTECH AMERICA, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

A Description of Plan

The Dornier MedTech America, Inc. 401(k) Plan "the Plan" was established effective January 1, 2004. The following description of the Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Dornier MedTech America, Inc. 401(k) Plan is a defined contribution plan which was organized for the primary purpose of providing a retirement benefit for eligible employees and their beneficiaries. The Plan was established under the provisions of Section 401(a) of the Internal Revenue Code (the "IRC") which includes a qualified cash or deferred arrangement as described in Section 401 (k) of the IRC, for the benefit of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility:

Employees are eligible to participate in the Plan at the beginning of each month coinciding with or following the date on which the employee has completed six months of service provided the employee is at least twenty-one years of age.

Contributions:

Participants may elect to contribute an amount up to 75% of their eligible compensation, as defined in the Plan document, subject to statutory limits under the IRC. Participants who are age 50 or older may contribute additional amounts as provided in the Economic Growth and Tax Relief Reconciliation Act of 2001. Changes in participant deferral amounts take effect on the beginning of each month. Participants who are employed on the last day of the year and who have completed six months of service during the year are eligible to receive an employer contribution. The Company provides a matching contribution equal to 50% of a Participant's contribution not to exceed 6% of a Participant's compensation. The Company may also make a separate discretionary profit sharing contribution. The Company elected not to make a discretionary profit sharing contribution for the years ended December 31, 2022.

Participant accounts:

Individual accounts are maintained for each of the Plan's participants which reflect the participants' share of the Plan's income (loss), expenses, contributions, and net realized and unrealized gains and losses on investments. Participants choose investments for their accounts from offered investment funds.

Participant loans:

Participants may borrow from their vested fund accounts a minimum of \$500 up to maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loans bear a reasonable rate of interest as provided in the Plan document and are repayable through payroll deductions over periods ranging up to 60 months.

DORNIER MEDTECH AMERICA, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

A Description of Plan (continued)

Vesting:

Participants are fully vested at all times in their voluntary as well as employer match contributions and earnings thereon. Participant's vested percentage in their account attributable to discretionary profit sharing contribution is determined under the following schedule:

Years of Service	Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

Investments options:

Upon enrollment, participants may direct the investments of their entire account balance, including all Company and participant contributions, into various investment options offered by the Plan. Participants may change their elections and request transfers at any time through the third party administrator, ADP Retirement Services.

Payment of benefits:

Distributions are permitted only upon attainment of normal retirement age, termination of employment, or the event of financial hardship, as defined. On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump sum amount, or in annual installments over a period of time not to exceed the employee's life expectancy or the joint expectancy of the employee and spouse, if applicable. If an employee's vested account balance upon distribution is less than \$5,000, the employee will automatically be paid in one cash payment.

Administrative expenses:

The Company has elected to fund substantially all administrative costs for participants, other than those associated with certain participant directed transactions, such as participant loan fees.

Plan termination:

Although the Company intends for the Plan to continue, the Company reserves the right to discontinue annual contributions or to terminate the Plan. In the event of the Plan's termination, the account of each participant will be fully vested and nonforfeitable as of the effective date of termination of the Plan.

Tax status:

The Sponsor adopted a prototype 401(k) Profit Sharing Plan. The Internal Revenue Service determined and informed the Plan's trustees that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Accordingly, the Plan is exempt from income taxes.

DORNIER MEDTECH AMERICA, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

B Summary of Significant Accounting Policies

Basis of accounting:

The Plan's financial statements are prepared on the modified cash basis of accounting as permitted under the Department of Labor Rules and Regulations. Under the modified cash basis of accounting, contributions, securities transactions, and distributions are recorded on the basis of cash receipts and disbursements. Investment earnings are recorded based on the fair value of the investments at the end of the Plan year.

Use of estimates:

The preparation of financial statements in conformity with the modified cash basis of accounting requires the trustees to make estimates and assumptions that affect the reported amounts of assets and liabilities that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Method used to value investments and income recognition:

The Plan's investments are stated at fair value which is valued at contract value. Investments in securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the year. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses on sales of investments and unrealized appreciation and depreciation in fair value of investments are based upon beginning of year market values or cost, if acquired during the year. Interest and dividend income is recorded when earned and received on the last day of the quarter.

Date of management's review:

Management has evaluated events and transactions occurring after the statement of net assets available for benefits (modified cash basis) date through October 3, 2023, which is the date the financial statements were available to be issued. Management has determined that none of the events occurring after the date of the balance sheet through the date of management's review substantially affect the amounts, presentation and disclosure of the accompanying financial statements.

Risks and uncertainties:

The plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

DORNIER MEDTECH AMERICA, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

C Investment Funds

The following table presents the fair value of individual investments that represent 5% or more of the Plan's net assets at December 31, 2022:

	December 31, 2022
Common /Collective Trusts	\$4,856,401
American Funds WAMU-R4	1,500,981
Victory Established Value I	1,284,700
Alger Capital Appr Institute	1,088,803

During 2022, the Plan's investments in mutual funds (including gains losses on investments bought and sold, as well as held during the year) depreciated by approximately \$3,900,000.

D Party-in-Interest Transactions

State Street Corporation, the trustee of the Plan, manages certain Plan investments. Therefore, these transactions qualify as party-in-interest transactions. During 2022, the Plan paid \$10,886 in administration fees.

E Information Prepared and Certified by Trustee

The Administrative Committee has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

Investments as shown in the statements of net assets available for benefits as of December 31, 2022.

Investment activity, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

DORNIER MEDTECH AMERICA, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

F Fair Value Measurements

The Fair value measurements enable the reader of the financial statements to assess the inputs used to develop those measurements by establishing a hierarchy for ranking the quality and reliability of the information used to determine fair values. The Plan classifies and discloses assets carried at fair value in of the following three categories. Refer to Note A for details in the procedures used to value investments in common collective trust funds measured at NAV, which is used as a practical expedient to estimate fair value.

Level 1: Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2: Inputs are observable inputs other than quoted (Level 1) prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The assets fair value measurements level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables present information about the Plan's assets measured at fair value on a recurring basis as of December 31, 2022:

Assets Measured at Fair Value at December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$15,728,840	\$ -	\$ -	\$15,728,840
Participant Loans	-	-	254,539	254,539
Total	\$15,728,840	\$ -	\$254,539	\$15,983,379

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to produce fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DORNIER MEDTECH AMERICA, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

G Participant Loans

The following table presents a summary of changes in the participant loans balance for the year ended December 31, 2022:

	December 31, 2022
Balance, beginning of year	\$201,468
Issuances and settlements, net	53,071
Balance, end of year	<u>\$254,539</u>

H Concentrations of Risks and Uncertainties

In accordance with accounting principles generally accepted in the United States of America, the Plan administrator has evaluated the Plan's risks and uncertainties. The Plan administrator believes that all significant risk has been disclosed in Plan documents and participant literature. The Plan's investments are exposed to various risks such as interest rates, market, and credit risks. In consideration of the nature and level of risk associated with certain investments, it is at least reasonably possible that changes in investment values will occur in the near term, and that such changes could materially affect participants account balances and the amounts included on the statements of net assets available for benefits.
