Independent Auditors' Report

To the Trustees of
Westerman, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audits of the financial statements of Westerman, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company, the trustee of the Plan, as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Westerman, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Westerman, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued in accordance with accounting principles generally accepted in the United States of America.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Westerman, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Westerman, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Westerman, Inc. 401(k) Plan

Notes to Financial Statements Years Ended December 31, 2022 and 2021

1. Description of Plan Provisions

The following description of the Westerman, Inc. 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on April 1, 2021. The Plan is a defined-contribution plan sponsored by Westerman, Inc. (the "Company" or "Employer") covering all employees who are not temporary, part-time and seasonal employees and are at least 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Company is the plan sponsor and administrator. The Fidelity Management Trust Company (the "Trustee") serves as the trustee and third-party administrator of the Plan. All investments are self-directed by Plan participants. All administrative expenses are charged against the accounts of all participants as directed by the administrator.

Effective April 1, 2021, the Westerman, Inc. 401(k) Plan spun out of the Worthington Industries, Inc. Deferred Profit Sharing Plan.

Effective August 2, 2021, the Westerman, Inc. 401(k) Plan was amended to include J.W. Williams, Inc. as a participating employer of the Plan.

Participant Contributions

The Plan provides each participant with an opportunity to make pre-tax deferral contributions or Roth contributions to the Plan. Participants may elect to defer up to 90 percent of their eligible compensation, as defined by the Plan, subject to Internal Revenue Service ("IRS") limits. Participants who are eligible to make elective deferral contributions and have reached age 50 before the end of such taxable year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans ("Rollover").

Employer Contributions

The Plan was amended on January 1, 2022 and resulted in the removal of the non-discretionary matching employer contributions and nonelective Safe Harbor matching employer contributions. Additionally, safe harbor matching contributions were included for the employees who have attained 6 months of service equal to 100% of the first 4% of the eligible Participant's compensation.

The Company may make discretionary non elective contributions for each plan year, as further defined in the plan document.

Participant Accounts

Each participant's account is credited with their contributions, employer contributions, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and all of the Company's contributions, plus actual earnings thereon.

Payment of Benefits

Upon termination of service, death, disability or retirement, a participant may receive a lump-sum payment equal to the vested balance of his or her account. In-service distributions may be made from a participant's vested account at any time after attainment of age 59½. Hardship withdrawals are also permitted if certain criteria are met.

Westerman, Inc. 401(k) Plan

Forfeitures

Forfeited balances of terminated participants are used to pay administrative expenses. There were no forfeitures for the year ended December 31, 2022 and 2021.

Notes Receivable from Participants

Participants may borrow from their vested accounts to a maximum equal to the lesser of \$50,000 or 50% of their vested balances. Loan terms range from one to five years unless such loan is for the purchase of a participant's primary residence. Participant loans are valued at amortized cost as of December 31, 2022 and 2021. The loans are secured by the balance in the participant's vested account and bear interest based on the prevailing interest rates in effect on the issuance date of the loan as determined by the Plan administrator. As of December 31, 2022, the interest rate on current loans outstanding ranges from 4.25% to 8% per annum. Principal and interest are paid ratably through periodic payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants shall be entitled to a distribution of their accounts.

2. Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements.

Basis of Accounting

The Plan's financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions by plan management that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Fees

All administrative expenses are charged against the accounts of all participants as directed by the administrator.

Subsequent Events

The Plan has evaluated subsequent events through September 25, 2023, which is the date the financial statements were available to be issued.

3. Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participant's accounts and the amounts reported in the financial statements. The Plan's investments are concentrated in registered investment companies that invest in various investment securities.

Westerman, Inc. 401(k) Plan

4. Information Certified by the Trustee

The following is a summary of the information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements, that was prepared by or derived from information provided by Fidelity Management Trust Company, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained a certification from the trustee that such information is complete and accurate.

	2022	2021
Investments at fair value	\$ 16,897,034	\$ 20,334,756
Notes receivable from participants	449,628	428,310
	<u>\$ 17,346,662</u>	<u>\$ 20,763,066</u>
Net appreciation in fair value of investments	<u>\$ (4,552,275)</u>	
Interest and dividends	<u>\$ 441,698</u>	
Interest from notes receivable from participants	<u>\$ 21,601</u>	

5. Fair Value Measurements

The Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosure* ("ASC Topic 820"), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets; and
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

- *Mutual funds*: valued at unadjusted quoted prices reported in an active market at year end.
- *Common collective trust*: the fair value of the common collective trust is determined by the trustee of the common collective trust based on the underlying assets, which represents the net asset value. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

Westerman, Inc. 401(k) Plan

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

2022				
	Level 1	Level 2	Level 3	Total
Mutal Funds	\$ 16,784,804	\$ -	\$ -	\$ 16,784,804
Common collective trust funds (a)	-	-	-	112,230
	<u>\$ 16,784,804</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,897,034</u>
2021				
	Level 1	Level 2	Level 3	Total
Mutal Funds	\$ 20,244,575	\$ -	\$ -	\$ 20,244,575
Common collective interest funds (a)	-	-	-	90,181
	<u>\$ 20,244,575</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 20,334,756</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

6. Income Tax Status

The Plan is a nonstandardized prototype plan sponsored by Fidelity. Fidelity has obtained an opinion letter on the plan dated June 20, 2020 stating that the form of the plan is acceptable under Section 401(a) of the Internal Revenue Code. The Plan administrator and the Plan may rely on the opinion letter received by Fidelity as to the form of the Plan qualifying under the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan's management and its tax council have analyzed the tax positions taken by the Plan, and have concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Westerman, Inc. 401(k) Plan

7. Party-in-Interest Transactions

Plan investments are held by Fidelity Management Trust Company. The Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, qualifies as a party-in-interest. Fidelity also performs administrative and recordkeeping services for the Plan. MMA Securities LLC ("MMA") performs investment advisory services for the Plan. The administrative fees paid to Fidelity, MMA, and other plan service providers was \$74,216 and \$35,801 for the years ended December 31, 2022 and 2021, respectively.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Plan's Form 5500 at December 31, 2022 and 2021:

	2022	2021
Net assets available for benefits per the financial statements	\$ 17,451,511	\$ 20,763,068
Participant contribution receivable	(42,706)	-
Employer contributions receivable	(52,671)	-
QNEC Receivable	(9,472)	-
Net assets available for benefits per the Form 5500	<u>\$ 17,346,662</u>	<u>\$ 20,763,068</u>

The following is a reconciliation of the increase in net assets available for benefits per the financial statements to the Plan's Form 5500 for the year ended December 31, 2022:

	2022
Decrease in net assets available for benefits per the financial statements	\$ (3,311,555)
Change in participant contributions receivable	(42,706)
Change in employer contributions receivable	(52,671)
Change in QNEC receivable	(9,472)
Decrease in net assets available for benefits per the Form 5500	<u>\$ (3,416,404)</u>

The net assets available for benefits and the increase in net assets available for benefits per the Plan's Form 5500 are recorded on the cash basis.
