## **Independent Auditors' Report**

Plan Administrator  
Cowlitz Family Health Center 403(b) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We were engaged to perform audits of the financial statements of Cowlitz Family Health Center 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

### **Disclaimer of Opinion**

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

### **Basis for Disclaimer of Opinion**

The Plan does not have sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in *Note 2* to the financial statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis of Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules of delinquent participant contributions and assets held at end of year as of or for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

**Notes to Financial Statements**

---

**1. Plan Description**

The following brief description of Cowlitz Family Health Center 403(b) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

**General** - The Plan was originally established January 1, 2009, and most recently restated effective January 1, 2020. The Plan is a defined contribution plan covering all eligible employees of Cowlitz Family Health Center (the Center) subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Reliance Trust Company (RTC) was the record-keeper and custodian for the Plan for the period of January 1, 2022 to October 28, 2022. Empower Annuity Insurance Company of America (Empower) is the record-keeper and custodian for the Plan for the period of October 29, 2022 to December 31, 2022.

**Eligibility** - All eligible employees of the Center, as defined in accordance with the universal availability standards, are eligible to enroll on their date of hire. Participation in the Plan begins the first day of the first month following the participant's date of hire.

**Contributions** - Plan participants may make elective salary reduction contributions to the Plan, up to certain limits established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants are allowed to transfer or rollover funds to the Plan from another qualified plan. The Center makes employer matching contributions of 50 percent of employee salary deferrals up to 6 percent of Plan compensation.

**Participant Accounts** - Each participant's account is credited with his or her contributions and the Center's matching contributions, as well as allocations of the Plan's earnings or losses. Deducted from each participant's account are any distributions made to the participant and an allocation of the Plan's expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined by the Plan agreement. The benefit to which a participant is entitled is the balance of the participant's vested account. The participant directs the investment of all contributions and earnings thereon, and may change their investment directive at any time.

**Forfeited Accounts** - At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$2,411 and \$5,677, respectively. These amounts will be used to reduce future employer contributions and to pay certain Plan expenses. For the year ended December 31, 2022, forfeitures of \$6,024, were used to reduce employer contributions and to pay certain Plan expenses.

**Notes Receivable from Participants** - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or up to 50 percent of their account balance. Loans are secured by the balance in the participant's account. Loan terms range up to five years, unless the loan is for the purchase of a primary residence. The loans bear interest ranging from 4.25 to 7.25 percent, which is commensurate with local prevailing rates as determined periodically by the Plan Administrator. Principal and interest are paid ratably through bi-monthly payroll deductions and have varying maturity dates through November 2027.

**Payment of Benefits** - Upon termination of service, disability, or death a participant or beneficiary receives the entire amount credited to the participant's account either in a lump sum or, at the participant's election, in periodic installments. Participants whose vested account balance is \$5,000 or less when they terminate employment will automatically have their vested benefit rolled over to an individual retirement account (IRA), unless requested otherwise. Hardship distributions are permitted if certain criteria are met.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting** - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

The Plan's financial statements do not present information regarding certain investments in annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. The Plan Administrator has elected to exclude those contracts and accounts and the related activity from the Plan's financial statements for the purposes of the annual reporting requirements of ERISA in accordance with the transition relief provided by Department of Labor (DOL) Field Assistance Bulletin 2009-02, *Annual Reporting Requirements for 403(b) Plans*. Presentation of this information is required by GAAP. The effects of this GAAP departure on these financial statements are not reasonably determinable.

**Use of Estimates** - The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

**Investment Valuation and Income Recognition** - Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by investment advisors and the custodian of the Plan. Additional information about fair value measurements can be found in *Note 4*.

Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because the contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Investments in the Empower Guaranteed Interest Account are considered fully benefit-responsive. There are no restrictions, limitations, or unfunded commitments of this contract. See *Note 5* for further discussion of the investment contract.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded as of the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

**2. Summary of Significant Accounting Policies - Continued**

**Payment of Benefits** - Benefits are recorded when paid. At December 31, 2022 and 2021, there were no benefits processed and approved for payment, but not paid.

**Plan Expenses** - Certain administrative expenses may be paid from Plan assets at the discretion of the Plan Administrator. Other expenses, such as legal and accounting, are paid by the Center. Fees related to the administration of participant loans are charged directly to the participant's account. Investment related expenses are included in net depreciation in fair value of investments.

**3. Certified Information**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net investment loss and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by RTC and Empower.

**4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets.
- Quoted prices for identical or similar assets in inactive markets.
- Inputs, other than quoted prices, that are observable for the asset.
- Inputs derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology that are unobservable and significant to the fair value measurement.

403(b) PLAN**

**4. Fair Value Measurements - Continued**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Following is a description of the valuation methodology used for assets measured at fair value on a recurring basis:

*Shares of registered investment companies* - Shares of registered investment companies are valued at the net asset value per unit (NAV) of the shares held by the Plan and are valued at the closing price reported on the active market on which the individual securities are traded or listed.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31:

| <b>2022</b>                               | <b>Level 1</b>      | <b>Total</b>        |

**5. Guaranteed Investment Contract**

In 2015, the Plan entered into a fully benefit-responsive guaranteed investment contract with Empower (formerly, MassMutual). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract because this is the amount that would be required by participants if they were to initiate permitted transactions under the terms of the Plan. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or (5) premature termination of the contract. The Plan Administrator does not believe any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The Plan can elect to end its participation in the contract at any time. If the Plan elects to end participation, the Plan will receive the lesser of the guaranteed contract value or market value; if the market value is less than the contract, the Plan may have the option of transferring its investment to a fixed rate, fixed maturity, general account contract of Empower, in which case the Plan's guaranteed value would be maintained.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include: (1) an uncured violation of the Plan's investment guidelines; (2) a breach of material obligation under the contract; (3) a material misrepresentation; or (4) a material amendment to the agreement without the consent of the issuer.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

**6. Related Party Transactions and Parties-in-Interest Transactions**

The following transactions qualify as party-in-interest transactions:

- The Plan invests in custodial accounts sponsored or managed by the Plan custodians. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments.
- The Center is the Plan sponsor and pays for certain administrative costs on behalf of the Plan.
- Participants in the Plan are permitted to borrow funds from their vested balances. Notes receivable from participants and the related interest earned are described in *Note 2*.

**7. Plan Termination**

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to ERISA provisions. However, no such action may deprive any participant or beneficiary under the Plan of any vested right. Participants would become 100 percent vested in the Center's matching contributions and earnings thereon.

**8. Income Tax Status**

Effective January 1, 2020, the Plan adopted a 403(b) volume submitter document sponsored by Hunnex and Shoemaker, Inc., the Plan's third-party administrator, and is relying on the volume submitter's opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017. The letter states the Plan is designed in accordance with the applicable requirements of the IRC. The Plan Administrator believes the Plan is qualified, and the related trust is tax-exempt. Although the Plan has been amended since receiving the opinion letter, the volume submitter sponsor and the Plan Administrator believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress.

**9. Risks and Uncertainties**

The Plan provides for various investment options that have different investment strategies. These investments are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible changes in the near-term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**10. Subsequent Events**

Management has evaluated subsequent events through October 5, 2023, the date the financial statements were available to be issued.
