Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we comprised such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Huckabee & Associates, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

## 1. Description of the Plan

### General

Huckabee & Associates, Inc. 401(k) Plan (the Plan) was established on January 1, 2000, and amended and restated May 21, 2021. The Plan is a defined contribution and profit sharing plan available to all eligible employees of Huckabee & Associates, Inc. (the Company or Plan Administrator). Empower Trust Company, LLC (previously known as Great-West Trust Company, LLC) (Trustee) serves as the trustee, and Empower Retirement, LLC serves as the record-keeper of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following description provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

### Eligibility and Participant Accounts

Employees of the Company, except members of collective bargaining unions, nonresident aliens, and part-time, temporary or seasonal employees working less than 1,000 hours, become eligible for participation on the first day of the next month following six months and 1,000 hours of service, as defined by the plan document. Subject to certain limitations on annual additions, each participant's account is credited with employee salary deferrals and catch-up contributions, Company contributions, and an allocation of plan earnings or losses, and charged with certain administrative expenses. Participants may modify elections, transfer existing account balances, and obtain information regarding the investments on a daily basis.

### Contributions

Eligible participants may elect to contribute a portion of their pre-tax or after-tax (Roth) compensation up to 80%, subject to certain maximum limitations imposed by the Internal Revenue Code (IRC) (\$20,500 for 2022). Employees who are eligible to make elective deferrals under the Plan and who have attained the age of 50 before the close of the plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC (\$6,500 for 2022). Rollover contributions representing distributions from other qualified defined benefit or defined contribution plans are allowed, with the exception of In-Plan Roth contributions, and may be made prior to meeting the eligibility requirements for participation in the Plan.

The Plan allows for Company safe-harbor matching, discretionary matching, and nonelective contributions, subject to certain limitations. The safe-harbor matching contributions is equal to 100% of elective deferrals up to 3% of compensation and 50% of elective deferrals in excess of 3% of compensation, up to 5% of compensation. The Company made safe-harbor contributions in the amount of \$735,509, for the year end December 31, 2022. No Company discretionary or nonelective contributions were made for the year ended December 31, 2022.

### Investment Options

The Plan provides participants the ability to direct their contributions and Company contributions into a variety of investment options, including mutual funds of registered investment companies and a money market fund, in accordance with participant investment elections and the provisions of the trust agreement. Participants should refer to the plan website for additional fund information.

### Benefits Paid to Participants

Upon normal retirement age, death, disability or termination, a participant's benefits are payable in a lump-sum amount equal to 100% of the participant's vested account balance as of the valuation date of such event. To the extent a terminated participant's account balance exceeds \$5,000, the participant's account balance is allowed to remain in the Plan and continues to earn investment income on the account balance. Participant accounts with a vested balance of less than \$5,000 may be distributed in a lump sum payment or rolled over to an individual retirement account.

Notes to Financial Statements

December 31, 2022 and 2021

### **Vesting**

Participants are immediately vested in their elective deferrals, rollover contributions and previous Company safe harbor contributions, plus actual earnings, thereon. Vesting in the Company discretionary matching prior money purchase plan contributions and certain nonelective contributions, plus actual earnings, thereon, are based on years of service. Participants vest 20%, per year after one year of eligible service and are 100% vested after five years of qualified service or upon the occurrence of the participant's retirement, death or disability, as defined by the plan document.

### **Forfeitures**

Forfeitures, of terminated participants' nonvested accounts, are available to pay administrative expenses or reduce future Company contributions. At December 31, 2022 and 2021, forfeited nonvested accounts available for future use totaled \$10,018 and \$30,076 respectively. These amounts are reported as a component of net assets available for benefits. For the year ended December 31, 2022, forfeitures of \$19,950 were utilized to pay plan expenses.

### **Revenue Sharing Arrangement**

A plan account is maintained to hold revenue sharing funds the Plan receives from the Trustee pursuant to an agreement between the Trustee and the Plan. These revenue sharing funds are available to be allocated to participant accounts on a pro rata basis or to pay reasonable administrative expenses. During 2022, \$46,482 in revenue sharing funds were used to pay plan expenses and are reported as other income on the accompanying Statement of Changes in Net Assets available for Benefits for the year ended December 31, 2022.

### **Notes Receivable From Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance, subject to certain restrictions as defined by the Internal Revenue Service (IRS). The notes are secured by the balance in the participant's account and bear interest at a rate determined reasonable by the Plan Administrator. Terms are generally limited to a maximum of five years, except for purchase of a primary residence which terms are a maximum of ten years. Repayments are made through payroll deductions and are reinvested in the participant accounts according to individual investment elections. At December 31, 2022, existing notes receivable from participants range in maturity from February 2023 through September 2030 and have interest rates from 4.25% to 6.50%. At December 31, 2021, existing notes receivable from participants range in maturity from April 2022 through September 2030 and have interest rates from 4.25% to 6.50%.

### **Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value in investments.

### **Plan Termination**

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, each of the participants will have a nonforfeitable, 100% vested interest in his or her account balance subject to payment of liquidation costs and expenses.

**2. Summary of Significant Accounting Policies****Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires the Plan's management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and associated disclosure. Accordingly, actual results may vary from the estimates used in preparing the accompanying financial statements.

**Payment of Benefits**

Benefits are recorded when paid.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The income or loss earned on participant accounts is allocated on a daily basis using the previous day's ending account balance. Net appreciation (depreciation) includes the Plan's gains and losses on the investments bought and sold, as well as held during the year.

**Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant notes are reclassified as distributions based on the terms of the plan document or note policy of the Plan. Notes receivable are valued at amortized costs, which approximates fair value. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

**3. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Significant observable inputs other than quoted prices in active markets for which inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

## Huckabee & Associates, Inc. 401(k) Plan

### Notes to Financial Statements

December 31, 2022 and 2021

- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds of registered investment companies are valued at the net asset value (NAV) or quoted market prices of shares held by the Plan at year-end.

Money market fund is valued at cost of \$1 per unit, which represents the NAV at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants; even so, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| Assets at Fair Value as of December 31, 2022    |                      |             |             |                      |

#### 4. Information Certified by Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA for 2022 and 2021. Accordingly, the Trustee of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

## **Huckabee & Associates, Inc. 401(k) Plan**

---

Notes to Financial Statements

December 31, 2022 and 2021

### **5. Tax Status**

The Plan is based on a non-standardized pre-approved profit sharing, money purchase/CODA plan, developed by Great-West Trust Company, LLC, that received a favorable advisory letter from the IRS dated June 30, 2020, stating the Plan and related trust are designed in accordance with the applicable section of the IRC. The Company believes the Plan, as adopted and amended, is operating within the guidelines of the IRC and continues to be tax-exempt. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **6. Related-Party and Party in Interest Transactions**

The Plan issues notes receivable to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions. Certain administrative functions of the Plan are performed by an officer or employees of the Company. No such officer or employee receives compensation from the Plan.

### **7. Risks and Uncertainties**

The Plan provides for various options of investments. Such investments are exposed to various risks, such as interest rate, market risk, concentration, and credit risks. Market risks include global events, such as a pandemic or international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

### **8. Reconciliation of Financial Statements to Form 5500**
