This representation letter is provided in connection with your audits of the financial statements of Ohio Real Title Agency, LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended, and the related notes to the financial statements.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this letter.

34. There are no
 - a. *nonexempt party in interest transactions* (as defined in ERISA Section 406–408 and regulations thereunder) that were not disclosed in the supplemental schedule or financial statements.
 - b. investments in default or considered to be uncollectible that were not disclosed in the supplemental schedule.
 - c. *reportable transactions* (as defined in ERISA Section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedule.

35. The discretionary employer contribution is determined annually by the Plan sponsor. During the years ended December 31, 2022 and 2021, the Plan sponsor contributed \$520,793 and \$307,581, respectively.
36. Management agrees with the fair value and contract value of the investments and accepts responsibility for their valuation. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:
 - a. Investments valued at fair value of \$6,240,585 and \$6,530,338, as of December 31, 2022 and 2021, respectively, as provided by the custodian of the Plan.
 - b. Investments valued at contract value of \$252,114 and \$238,987, as of December 31, 2022 and 2021, respectively, as provided by the custodian of the Plan.
37. You have provided us all the documents and records for both the current year and for prior years that are necessary to ensure that our books and records are complete.
38. Plan management has:
 - a. Made all management decisions and performed all management functions relating to the accounting services that you have provided.
 - b. Established and maintained internal controls including monitoring ongoing activities relating to the accounting services that you have provided.
 - c. Evaluating the adequacy and results of the accounting services performed and accepts responsibility for the results of the services that you have provided.
 - d. Designated a competent management level individual to oversee the services that you have provided.
39. Administrative expenses paid by the Plan sponsor on behalf of the Plan will not be reimbursed by the Plan.
40. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
41. The Plan obtained its latest opinion letter on November 14, 2022 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

42. We have obtained the SOC 1 Report from the service organization. We have reviewed such report, including the complimentary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2022 and 2021.
43. There are no material distributions that have been requested prior to the end of the plan year that have not been disbursed to participants.
44. We have performed an assessment of whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time (defined as the time within one year after the date that the financial statements are issued, or available to be issued, where applicable). In assessing the appropriateness of the going concern basis for the Plan, we have taken into account all of the relevant information covering a reasonable period of time. We are not aware of any conditions or events beyond such reasonable period of time that may have an effect on the Plan's ability to continue as a going concern.
45. Receivables recorded in the financial statements represent valid claims for transactions arising on or before the date of the statement of net assets available for benefits and have been reduced to their estimated net realizable value.
46. We have evaluated our tax positions in accordance with ASC 740 *Income Taxes*. Specifically, we have determined whether our tax positions would be sustained upon examination, including resolution of any related appeals or litigation, based on the technical merits of the positions (assuming the tax authority has full knowledge of all information) based upon a "more-likely-than-not" (MLTN) threshold. If this threshold is not met, none of the tax benefit provided by the position is reflected in the financial statements. For a tax position that meets the MLTN recognition threshold, the benefit is measured at the largest amount of benefit that is greater than 50 percent likely of being realized upon ultimate settlement. Additionally, related interest and penalties, if any, have been recorded in accordance with ASC 740 *Income Taxes*.
