Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of High Point Networks, LLC 401(k) & Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for Plan benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for Plan benefits for the year ended December 31, 2022, and the related summary of significant accounting policies and notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of High Point Networks, LLC 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of High Point Networks, LLC 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about High Point Networks, LLC 401(k) & Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of High Point Networks, LLC 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about High Point Networks, LLC 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HIGH POINT NETWORKS, LLC 401(K) & PROFIT SHARING PLAN

Summary of Significant Accounting Policies Years Ended December 31, 2022 and 2021

Basis of Accounting

High Point Networks, LLC 401(k) & Profit Sharing Plan (the Plan) presents its financial statements on the accrual basis of accounting.

Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, Plan management is required to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's custodians. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as investments held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of administering and maintaining the Plan are paid by the Plan, unless otherwise paid by the employer. Expenses that are paid by High Point Networks, LLC (the Plan sponsor) are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payment of benefits are charged directly to the participants' accounts when incurred and are included in administrative expenses. Investment and other administrative expenses are allocated to participant accounts based on the average quarterly investment balances of each participant.

HIGH POINT NETWORKS, LLC 401(K) & PROFIT SHARING PLAN

Notes to the Financial Statements December 31, 2022 and 2021

1. Description of Plan

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, covering qualifying employees of the Plan sponsor.

The Plan is intended to satisfy all the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The administrative committee of the Company is responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

All nonunion employees are eligible to become participants in the Plan on the first day of the Plan year (January 1) or the first day of the seventh month (July 1) of the Plan year coincident with or immediately following the date the employee completes six months of service and attains age 18. A participant specifies a specific amount or percentage of eligible compensation, not to exceed Internal Revenue Service (IRS) limits, to be contributed to the Plan (participant salary deferral contributions). Participants may elect to designate their salary deferral contributions as a pre-tax deferral or as a Roth deferral.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Rollover contributions are not subject to contribution limitations.

The Plan sponsor makes safe harbor matching contributions equal to 100% of the elective deferrals that do not exceed 4% of the employee's compensation. The employer may also make a discretionary contribution. Participants do not need to make salary deferral contributions to receive a discretionary employer contribution. Those who are employed on the last day of the Plan year and have completed 1,000 hours of service share in any discretionary contribution. The total of the annual employee and employer contributions on behalf of each participant cannot exceed certain IRS limits.

A participant may direct contributions to any of the investment options available from the Plan. Salary deferral contribution amounts can be changed at any time and take effect as soon as administratively possible. Each participant's directed account is credited/charged with an allocation of the directed investment's earnings/losses based on the participant's account balance and credited with the following contributions:

- Participant's salary deferral contributions.
- Participant's rollover contributions.
- Employer safe harbor matching contributions.
- Employer discretionary contributions.

HIGH POINT NETWORKS, LLC 401(K) & PROFIT SHARING PLAN

Notes to the Financial Statements December 31, 2022 and 2021

1. **Description of Plan** (continued)

Forfeitures

Forfeitures will be used to pay administrative expenses or to reduce future employer contributions. There were no forfeited nonvested accounts as of December 31, 2022 and 2021.

Vesting

Participants are vested immediately in their contributions and the safe harbor match plus actual earnings thereon. Discretionary employer contributions are subject to a five-year graded vesting schedule. There have been no discretionary employer contributions as of December 31, 2022, thus all balances in the Plan are fully vested.

Notes Receivable from Participants

Participants may borrow from their benefit account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants can have no more than two loans outstanding from the Plan at any time. The loans are secured by the vested balance of the participant's account and bear interest at rates ranging from 4.25% to 7.25% and 4.25% to 6.5% at December 31, 2022 and 2021, respectively. Note terms cannot exceed five years except notes for the purchase of a primary residence, which may be longer. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, a participant whose vested balances exceeds \$5,000 may elect to receive either a lump-sum distribution equal to the vested amount or installment payments. Participants whose vested balance does not exceed \$5,000 are paid a lump-sum amount. Additionally, participants may withdraw any portion of a vested balance upon incurring a hardship as specified by the Plan.

2. **Certified Information**

Certain information related to the investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained or derived from information supplied to Plan management and certified as complete and accurate by: (1) Great-West Life & Annuity Insurance Company (Great-West) for December 31, 2021 and for the period from January 1, 2021 through April 22, 2022; and (2) Empower Annuity Insurance Company of America (Empower), for December 31, 2022 and the period April 23, 2022 through December 31, 2022.

The following table includes the investment activity and interest on notes receivable from participants for the year ended December 31, 2022 as certified by Great-West and Empower:

Investment activity:	
Net (depreciation) in fair value of investments	\$ (2,967,226)
Dividends and interest income	406,315
Total investment (loss)	\$ (2,560,911)
Interest on notes receivable from participants	\$ 3,920

HIGH POINT NETWORKS, LLC 401(K) & PROFIT SHARING PLAN

Notes to the Financial Statements December 31, 2022 and 2021

2. **Certified Information** (continued)

The following table includes the fair values of the Plan's investments and notes receivable from participants at December 31, 2022 and 2021 as certified by Empower and Great-West, respectively:

	<u>2022</u>	<u>2021</u>
Investments (participant directed):		
Pooled separate accounts at fair value	<u>\$ 11,975,810</u>	<u>\$ 12,977,866</u>
Total investments at fair value	<u><u>\$ 11,975,810</u></u>	<u><u>\$ 12,977,866</u></u>
Notes receivable from participants	<u><u>\$ 151,762</u></u>	<u><u>\$ 52,735</u></u>

3. **Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs other than quoted market prices that are observable. These include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

HIGH POINT NETWORKS, LLC 401(K) & PROFIT SHARING PLAN

Notes to the Financial Statements December 31, 2022 and 2021

3. Fair Value Measurements (continued)

Following is a description of the valuation methodology used to determine the fair value of Plan investments. There have been no changes in the methodology used at December 31, 2022 and 2021.

- Pooled separate accounts are valued at the net asset value (NAV) of the shares held by the Plan at year end. The NAV is based on the fair value of the underlying assets held by the fund less its liabilities. There have been no changes in the valuation methodology used at December 31, 2022 and 2021.

The preceding valuation method may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the years ended December 31, 2022 and 2021, there were no transfers.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31:

2022				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Total assets in the fair value hierarchy	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	-
Pooled separate accounts (a)				<u>11,975,810</u>
Total investments at fair value				<u>\$ 11,975,810</u>
2021				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Total assets in the fair value hierarchy	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	-
Pooled separate accounts (a)				<u>12,977,866</u>
Total investments at fair value				<u>\$ 12,977,866</u>

HIGH POINT NETWORKS, LLC 401(K) & PROFIT SHARING PLAN

Notes to the Financial Statements December 31, 2022 and 2021

3. **Fair Value Measurements** (continued)

- (a) In accordance with accounting principles generally accepted in the United States of America, certain investments measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for Plan benefits. These investments are valued daily, may be redeemed daily without restrictions, and with no notice requirements. Additionally, there are no unfunded commitments.

4. **Tax Status**

The Plan has adopted a nonstandardized pre-approved profit sharing plan with Empower Retirement, LLC which has received an opinion letter dated November 14, 2022 from the IRS indicating that the Plan, as then designed, was qualified for tax-exempt status under the appropriate sections of the IRC. The Plan has not been amended since receiving the opinion letter. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan is qualified and tax-exempt as of the financial statement date and no provision for income taxes has been recorded in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

5. **Plan Termination**

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts.

6. **Risks and Uncertainties**

The Plan allows participants to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits and the statements of changes in net assets available for Plan benefits.

HIGH POINT NETWORKS, LLC 401(K) & PROFIT SHARING PLAN

Notes to the Financial Statements December 31, 2022 and 2021

7. Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Empower. Empower is the custodian, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of investments, as they are paid through revenue sharing. These investments, as well as fees paid by the Plan, qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. Fees paid by the Plan were \$70,869 for the year ended December 31, 2022.

Additionally, notes receivable from participants are considered party-in-interest transactions.

8. Subsequent Events

Management of the Plan has evaluated subsequent events through October 4, 2023, the date the financial statements were available to be issued.
