## INDEPENDENT AUDITOR'S REPORT

September 18, 2023

To the Plan Administrator of  
Respiratory Sleep Solutions, LLC 401(k) Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Respiratory Sleep Solutions, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Respiratory Sleep Solutions, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Respiratory Sleep Solutions, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Respiratory Sleep Solutions, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Respiratory Sleep Solutions, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Respiratory Sleep Solutions, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Supplemental Schedule Required by ERISA (Continued)**

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

---

### 1. PLAN DESCRIPTION

The following brief description of the Respiratory Sleep Solutions, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan which covers all employees of Respiratory Sleep Solutions, LLC and any participating affiliates (the Company) who meet certain eligibility criteria. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Administration**

The Company is the Plan Sponsor and Plan Administrator. Effective January 1, 2021, the Company amended the Plan to reflect a change in the Plan name, recordkeeper, trustee and custodian. The Plan previously referred to as Alliance Family of Companies Retirement Plan now operates as Respiratory Sleep Solutions, LLC 401(k) Plan. On January 1, 2021, the recordkeeping and administrative services transferred from ADP, Inc. to Fidelity Management Trust Company (Fidelity). On January 4, 2021, the Plan assets were transferred from the previous custodian and trustee, Reliance Trust Company to Fidelity.

#### **Eligibility**

All employees of the Plan Sponsor, with the exception of Puerto Rican residents and independent contractors, who have completed one month of service are eligible to participate in the Plan. Eligible employees will enter the plan on the first day of the following month.

#### **Contributions**

Participants may voluntarily contribute up to 80% of pre-tax annual compensation as defined in the Plan, subject to maximum contribution provisions imposed by the Internal Revenue Code (IRC). Unless employees affirmatively elect not to participate in the Plan, they will be automatically enrolled at an elective deferral rate of 5% upon reaching eligibility. Automatically enrolled participants' deferral rates will increase by 1% per year up to a maximum of 10%. The Plan Sponsor's matching contributions are equal to 50% of the first 5% of compensation contributed by the participant to the Plan through salary deferral. Participants direct the investment of both voluntary and matching contributions into various investment options offered by the Plan.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, the Plan Sponsor's matching contribution, an allocation of Plan earnings or losses, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants vest in the Plan Sponsor's matching contributions at a rate of 20% for each year of service and are 100% vested after completing 5 years of service.

## 1. PLAN DESCRIPTION (Continued)

### **Payment of Benefits**

The Plan provides for normal retirement benefits upon reaching age 65 and has provisions for early retirement, disability, hardships, death and termination benefits for those participants who are eligible to receive such benefits. Upon termination of service, participants can elect to have a qualified rollover of their vested balance, receive an annuity, or a lump-sum distribution, as defined in the Plan document. The Plan allows for in-service distributions to actively-employed participants that have reached the age of 59 ½.

### **Hardship Withdrawals**

Hardship withdrawals from the Plan are permitted from participant accounts. All hardship withdrawals must comply with rules relating to hardships, which are uniformly applicable to all participants.

### **Notes Receivable from Participants**

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balances reduced by any outstanding loan balance within the past 12 months ending on the day before the new loan is made, with a minimum loan amount of \$1,000. Repayment of both principal and interest must be amortized in level payments, not exceeding beyond five years from the date of the loan unless the loan is for a principal residence, in which case the term shall not exceed 10 years. The notes bear interest at a fixed rate of Prime plus 1% as determined by the plan administrator.

### **Forfeitures**

In accordance with the Plan document, forfeitures of non-vested employer contributions may be used to reduce future Plan Sponsor contributions or to reduce administrative expenses of the plan. \$153,332 and \$143,125 of forfeitures were generated during 2022 and 2021. Forfeitures of \$152,500 and \$144,387 were used to reduce employer contributions and pay administrative expenses in 2022 and 2021, respectively. At December 31, 2022 and 2021, available forfeited non-vested accounts totaled \$3,519 and \$2,687, respectively.

### **Administrative Expenses**

Participant accounts are charged fees for processing loans and benefit payments. All other administrative expenses not paid by the Plan may be paid by the Plan Sponsor.

### **Plan Termination**

Although the Plan Sponsor has not expressed any intent to do so, it has the right to terminate the Plan subject to provisions set forth by ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Basis of Accounting**

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### **Investments and Investment Recognition**

The Plan's Investments in mutual funds and common collective trust fund are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Fair Value Measurement – Definition and Hierarchy**

Topic 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

- Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
  
- Level 2      Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3      Inputs to the valuation methodology are unobservable and significant to the fair measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

See Note 4 for a description of where the Plan's assets fall within the fair value hierarchy.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions in accordance with the terms of the Plan document.

### **Payment of Benefits**

Benefit payments are recorded when paid.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

## 3. FINANCIAL CERTIFICATION

The following information was certified as complete and accurate by Fidelity as of December 31, 2022 and 2021 and is included in the financial statements and supplemental schedule:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ 9,062,878	\$ 10,793,864
Notes receivable from participants	\$ 360,518	\$ 413,778
Investment (loss) income	\$ (1,993,109)	\$ 1,451,787
Interest on notes receivable from participants	\$ 17,906	\$ 11,290
Schedule of Assets (Held at End of Year)	Schedule I	

## 4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31:

<u>2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 8,890,955	\$ -	\$ -	\$ 8,890,955
Common collective trust fund, at net asset value				<u>171,923</u>
Total investments				<u>\$ 9,062,878</u>

#### 4. FAIR VALUE MEASUREMENTS (Continued)

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31:

<u>2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$10,644,339</u>	<u>\$ -</u>	<u>\$ -</u>	\$10,644,339
Common collective trust funds, at net asset value				<u>149,525</u>
Total investments				<u>\$10,793,864</u>

The following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds:* valued at fair value based on quoted market prices.

*Common collective trust fund:* valued at net asset value (NAV) based on the underlying assets of the trust. The fund seeks to provide maximum current income while maintaining stability of principal. The fund invests primarily in a portfolio of Guaranteed Investment Contracts, Bank Investment Contracts, Synthetic Investment Contracts and Separate Account Contracts, which are designed to provide stability and a competitive yield. NAV is obtained from information provided by the investment advisor using the audited financial statements of the common collective trust funds at year end. The fund seeks to preserve the value of \$1.00 per unit.

Investments in the common collective trust fund (CCT) are subject to various withdrawal restrictions. Generally, individual plan participants cannot make a withdrawal from the CCT and invest the proceeds of such withdrawal in a competing investment option unless such proceeds are first invested in a non-competing investment option for ninety days or more from the date of the initial withdrawal. The Plan is required to give twelve months irrevocable written notice to the Trustee of an intention to withdraw all or a portion of its participation in the fund.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### 5. INCOME TAX STATUS

The Plan is based on a volume submitter profit sharing plan by Fidelity. The IRS has determined, by the letter dated March 31, 2014, that the written form of the underlying plan document is accepted under Section 401 of the IRC for use by employers for the benefit of their employees. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

## 6. PARTIES-IN-INTEREST

Fidelity serves as the recordkeeper, custodian and trustee of the Plan. Consequently, transactions between these parties and the Plan qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

## 7. RECONCILIATION TO FORM 5500

The net assets available for benefits per the financial statements equal the net assets available for benefits per Form 5500 at December 31, 2022 and 2021. The following is a reconciliation of changes in net assets available for benefits per the financial statements to changes in net assets available for benefits per Form 5500 for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Change in net assets available for benefits, per the financial statements	\$ (1,781,040)	\$ 2,319,862
Adjustment due to deemed distributions	<u>                    -</u>	<u>          79,373</u>
Change in net assets available for benefits, per Form 5500	<u>\$ (1,781,040)</u>	<u>\$ 2,399,235</u>

## 8. SUBSEQUENT EVENTS

Effective February 1, 2023, the Company amended the Plan to reflect a change in the Plan name. The Plan previously referred to as Respiratory Sleep Solutions, LLC 401(k) Plan now operates as Alliance Neurodiagnostics, LLC dba Stratus 401(k) Plan.

Subsequent events have been evaluated through September 18, 2023, which is the date the financial statements were available to be issued.

September 18, 2023

To the Participants and Plan Administrator of the  
Respiratory Sleep Solutions, LLC 401(k) Plan:

We have audited the financial statements of Respiratory Sleep Solutions, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2022 and we will issue our report thereon dated September 18, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 15, 2023. Professional standards also require that we communicate to you the following information related to our audit.

### **Significant Audit Matters**

#### ***Qualitative Aspects of Accounting Practices***

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Respiratory Sleep Solutions, LLC 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was management's estimate of the fair value of investments. We evaluated the key factors and assumptions used to develop these estimates in determining that it is reasonable in relation to the financial statements taken as a whole.

## **Significant Audit Matters (Continued)**

### ***Qualitative Aspects of Accounting Practices (Continued)***

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements relate to the fair value estimates.

The financial statement disclosures are neutral, consistent, and clear.

### ***Form 5500 Procedures***

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

### ***Difficulties Encountered in Performing the Audit***

We encountered no significant difficulties in performing and completing our audit.

### ***Corrected and Uncorrected Misstatements***

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We did not identify any corrected or uncorrected misstatements in performing and completing our audit.

### ***Reportable Findings***

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

- Third party service organizations perform a significant amount of the processing of plan transactions. Generally, a plan sponsor must review the procedures at these service organization on a consistent basis as well as review reports produced, and the assumptions made. During our audits, we noted that the plan sponsor did not review, in detail, the SOC I report of the service organizations. Since a significant amount of the processing of Plan transactions is performed by service organizations, it is imperative that Plan management review the procedures at these service organizations on a consistent basis and document such review in detail as part of the due diligence in operating the Plan. We recommend instituting a policy requiring annual review of the SOC I report for the service organization and documentation of the acceptability of the SOC I report.
- During our testing, we noted two participants who were not automatically enrolled timely where the participants began contributing one pay cycle after achieving the eligibility requirements of one month. We inquired of any additional instances of untimely automatic enrollment and identified two participants in the aforementioned payroll cycle who were also entered into the Plan one pay period late. We recommend increased review of the automatic enrollment of new hires to ensure all Plan provisions regarding eligibility are being adhered to.

## **Significant Audit Matters (Continued)**

### ***Disagreements with Management***

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

### ***Management Representations***

We have requested certain representations from management that are included in the management representation letter dated September 18, 2023.

### ***Management Consultations with Other Independent Accountants***

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### ***Other Audit Findings or Issues***

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

### ***Other Matters***

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
