Grain & Feed Association of Illinois Member's Choice 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Grain & Feed Association of Illinois Member's Choice 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Grain & Feed Association of Illinois Member's Choice 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Grain & Feed Association of Illinois Member's Choice 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Grain & Feed Association of Illinois Member's Choice 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Grain & Feed Association of Illinois Member's Choice 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Grain & Feed Association of Illinois Member's Choice 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grain & Feed Association of Illinois Member's Choice 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A | DESCRIPTION OF PLAN

The following description of the Grain & Feed Association of Illinois Member's Choice 401(k) Plan, (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution 401(k) plan covering employees of the Grain & Feed Association of Illinois (Association) and certain affiliated organizations (Employers) who have one year of service and are age 21 or older. The Plan was adopted and began operations on February 1, 2005. The Plan was restated effective January 1, 2019. The Plan was amended and restated again effective January 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Each year, participants may contribute up to the maximum dollar amount as determined by the Federal government of pretax or post tax (Roth contribution) annual compensation, as defined in the Plan document. The maximum deferral for 2022 and 2021 was \$ 20,500 and \$ 19,500, respectively. Participants who will be at least 50 by the end of the year may make an additional "catch-up" contribution of up to \$ 6,500 in 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The employers will or may, with respect to any discretionary or safe harbor contributions, contribute to the Plan the total amount of the salary reduction the employee elected to defer, a discretionary matching contribution equal to a uniform percentage of the amount of the salary reduction elected to defer, or a discretionary profit sharing contribution.

3. Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Employers' contributions and (b) Plan earnings and charged with an allocation of administrative expenses. Participants can direct the investment of their entire interest in the Plan based on the investment choices available under the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE A | DESCRIPTION OF PLAN

4. Vesting

Participants are immediately vested in their contributions and any safe harbor contributions, plus actual earnings thereon. Vesting in the Employers' contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.

5. Participant Loans

A participant may borrow from their account up to the lesser of \$ 50,000 or 50% of the total value of the participant's vested account balance, subject to approval by the Plan administrator. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator.

6. Payment of Benefits

On termination of service due to death, disability, or retirement, participants will receive a lump-sum equal to the value of the participant's vested interest in his or her account. Account balances of terminated participants are to be distributed as soon as administratively feasible for those with account balances less than \$ 5,000 or participants who request a distribution. For those terminated participants with balances greater than \$ 5,000, the amounts may remain with the Plan indefinitely. In addition, hardship distributions are permitted if certain criteria are met. The Plan also allows for in-service distributions upon reaching the age of 59½.

7. Forfeited Accounts

Forfeited non-vested accounts totaled \$ 36,521 and \$ 37,173 at December 31, 2022 and 2021, respectively. These accounts will be used to reduce employer contributions. For December 31, 2022 and 2021, \$ 33,812 and \$ 4,467 was used from forfeited non-vested accounts to reduce employer contributions, respectively.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Participant Loans

Participant loans are measured at their unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

5. Payment of Benefits

Benefit payments are recorded when paid.

December 31, 2022 and 2021

NOTE B | SUMMARY OF ACCOUNTING POLICIES

6. Administrative Expenses

Expenses related to the maintaining of the Plan are paid for by the Plan and are included in these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net appreciation of fair value of investments.

7. Subsequent Events

Management has evaluated subsequent events for recognition and disclosure in the financial statements through October 5, 2023, which is the date the financial statements were available to be issued. Through October 5, 2023, no subsequent events required recognition or disclosure in the financial statements.

NOTE C | FAIR VALUE MEASUREMENTS

The Plan follows the fair value measurement guidance for financial assets and financial liabilities. The guidance defines fair value, establishes a framework for measuring value and expands disclosure about fair value measurements. In addition, the guidance permits an entity to measure eligible financial instruments and other items at fair value. The Plan has not made any fair value elections.

Financial standards established a three-level hierarchy for fair value measurements based upon the inputs to the valuation of an asset or liability. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. However, in accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. All assets held by the Plan that are valued at fair value were measured at net asset value per share at December 31, 2022 and 2021.

Grain & Feed Association of Illinois Member's Choice 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE C | FAIR VALUE MEASUREMENTS

As part of the Plan's investment portfolio, there are investments in pooled separate accounts established by John Hancock Life Insurance Company (John Hancock). The value of the Plan's investments in the pooled separate accounts is equal to the unit value, or net asset value (NAV), as provided by the companies, times the number of units held. The unit values are estimated by John Hancock and are based on the value of the underlying assets and liabilities owned by the fund minus the fund's liabilities, divided by the number of participation units outstanding. The pooled separate account NAV's are not publicly quoted prices in an active market. The NAV is used as a practical expedient to estimate the fair value. This practical expedient is not used when it is determined to be probable the Plan will sell the investment for an amount different than the reported NAV.

The table below provides information relative to these investments. A detail of all pooled separate accounts held can be found in the supplementary information accompanying the financial statements.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
<u>2022</u>				
Pooled separate accounts	\$ 23,438,541	\$ -	Daily	1 Day
<u>2021</u>				
Pooled separate accounts	\$ 30,246,092	\$ -	Daily	1 Day

The pooled separate accounts are managed by John Hancock and all have investment objectives to mimic the return of the mutual funds which they hold.

NOTE D | INFORMATION CERTIFIED BY THE INSURANCE COMPANY

The following is a summary of the unaudited information regarding the Plan as of December 31, 2022 and 2021, included in the Plan's financial statements and supplementary schedule that was prepared by or derived from information prepared by the regulated insurance company of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the regulated insurance company that such information is complete and accurate.

	<u>2022</u>	<u>2021</u>

Participant loans	138,705	139,405
Cash	36,521	37,173
Net appreciation (depreciation) in fair value of investments	(5,359,407)	3,821,003
Interest income on notes receivable from participants	8,177	6,845

NOTE E | PLAN TERMINATION

Although the Association has not expressed any intent to do so, the Association has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of partial or total Plan termination, participants will be entitled to the full amount in their accounts as of the date of termination.

NOTE F | TAX STATUS

The Plan is intended to be qualified under Section 401(a) and the Trust established under the Plan is tax exempt under Section 501(a) of the Internal Revenue Code. The Plan is a volume submitter plan and obtained its last opinion letter, dated March 31, 2014, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been restated and amended, the Plan administrator believes the Plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code and that the related trust is tax-exempt at the financial statement date. Effective January 1, 2022 the Plan signed an updated adoption agreement, for the non-standardized pre-approved profit sharing/money purchase/CODA Plan from Ascensus LLC. This plan received an opinion letter dated June 30, 2020.

Grain & Feed Association of Illinois Member's Choice 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE F | TAX STATUS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G | RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock. John Hancock holds the plan assets and, therefore, these transactions qualify as party-in-interest transactions.

Participant loans also qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules of ERISA.

NOTE H | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I | PROHIBITED TRANSACTIONS

For the years ended December 31, 2022 and 2021, there were affiliated employers that failed to remit certain employee deferrals and loan repayments to the Plan in a timely manner. The contributions deposited from 1 to 476 days delinquent totaled \$ 68,801 and \$ 27,693 for December 31, 2022 and 2021, respectively. The Plan administrator computed the lost earnings on these deferrals and loan repayments for remittance to the Plan. For 2021, earnings on \$ 27,693 were pending correction at December 31, 2022. At December 31, 2022, \$ 26,007 and \$ 286 remained pending correction from 2020 and 2019, respectively. Prior to the date of this report, the Plan Administrator had collected lost earnings on the 2021, 2020, and 2019 late remittances.
