INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants
UR Medicine Home Care Inc.
401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of UR Medicine Home Care Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of UR Medicine Home Care Inc. 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the UR Medicine Home Care Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UR Medicine Home Care Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UR Medicine Home Care Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UR Medicine Home Care Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

WE VALUE YOUR FUTURE

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters- 2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year - December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A: DESCRIPTION OF PLAN

The following description of the UR Medicine Home Care Inc. 401(k) Retirement Savings Plan (formerly Strong Home Care Group 401(k) Retirement Savings Plan) (the "Plan") is provided for general information purposes only. UR Medicine Home Care Foundation (formerly Strong Home Care Group) (the "Company") is the sole shareholder of both UR Medicine Home Care, Certified Services, Inc. ("URMHC") (formerly Visiting Nurse Service of Rochester and Monroe County, Inc. ("VNS")) and Community Care of Rochester, d/b/a Visiting Nurse Signature Care ("CCR"). On September 30, 2013 VNS entered into a transaction whereby it became the sole corporate member of Finger Lakes Visiting Nurse Service, Inc. (FLVNS) and Finger Lakes Home Care, Inc. (FLHC). Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits to employees of URMHC and CCR. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees of URMHC, CCR and effective January 1, 2014 employees of FLVNS and FLHC are eligible for the Plan immediately after one hour of service. Employees are eligible to receive employer contributions upon completion of one year of service.

Contributions

Eligible participants are entitled to defer up to 75% of their total annual compensation into the Plan as a qualified pre-tax contribution subject to certain Plan limitations and IRS limits. The Plan provides for basic employer contributions, with the terms of the contribution being determined on an annual basis. In 2022 and 2021, basic employer contributions to the Plan were 1% of each participant's compensation, regardless of whether the employee has elected to defer any compensation. In addition, a discretionary employer contribution will be made following each fiscal year, only if financial performance and availability of funds warrant. This contribution will not be made without advance Board of Directors approval. In 2022 and 2021, the employer made an extra 2% and 1%, respectively, discretionary contribution if the employee had been with the Organization for over 3 years.

Eligible compensation

Eligible compensation consists of the amount paid to employee by employer that must be reported as wages on the employee's Form W-2, including overtime, bonuses and other taxable compensation, plus the employee's salary reduction contributions to this Plan and other benefit plans of the employer.

Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings (losses) and is charged with an allocation of investment expenses. Allocations are based on investment earnings/(losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE A: DESCRIPTION OF PLAN, Cont'd

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution plus earnings thereon is based on years of continuous service. A participant is 100% vested after three years of credited service, participants are 0% vested until these three years of service have been completed.

Payment of benefits

A participant may withdraw any part of his or her vested account at any time after retirement. Normal retirement age is 65. The Plan provides for early withdrawal at age 55. Participants may also withdraw amounts in the event of undue financial hardship, as defined by the Plan. The participant may choose from several forms of benefit payments as described in the plan agreement.

Participant loans

Participants may borrow directly from Teachers Insurance and Annuity Association – College Retirement Equities Fund ("TIAA-CREF") a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 45% of their vested account balance. The balance maintained in the Plan participant's account is maintained as collateral against the borrowing from TIAA-CREF. The loan and interest thereon shall be repaid over a period not to exceed five years. The interest rate will be the higher of the Moody's Corporate Bond Yield Average or the interest rate credited before the annuity starting date, plus 1%.

At December 31, 2022 and 2021 participant loans outstanding with TIAA-CREF totaled approximately $109,000 and $163,000, respectively.

Beginning in 2019, participants could borrow directly from the plan in the form of notes receivable which are measured and valued at their unpaid principal balance plus any accrued but unpaid interest. Participants are permitted to borrow up to 45% of the vested balance in their plan accounts to a maximum of $50,000. The notes are payable over terms up to five years (longer if for the purchase of a principal residence) and bear interest at a fixed rate of the higher of the Moody's Corporate Bond Yield Average or the interest rate credited before the annuity starting date, plus 1%. Principal and interest payments on the notes are redeposited into the participants' accounts based on their current investment allocation elections.

The Plan classifies all notes receivable from participants as in default if any scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter in which a payment is first missed. Defaulted loans are deemed distributed and recorded as distributions of participant notes receivable in the statement of changes in net assets available for benefits.

At December 31, 2022 and 2021, participant notes receivable due to the Plan was approximately $262,000 and $240,000, respectively.

Forfeitures

Forfeitures of non-vested Company contributions are used to reduce future employer contributions. There were forfeitures of $6,682 and $9,323 for the years ended December 31, 2022 and 2021, respectively, used to reduce contributions.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements and supplemental schedule of the Plan have been prepared on the accrual method of accounting.

Payment of benefits

Benefits are recorded when paid.

Valuation of investments and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. The net appreciation or depreciation in fair value of investments consists of realized gains or losses and the unrealized appreciation or depreciation on those investments. For the registered investment companies, retirement annuity contracts and pooled separate account, the interest income, dividend income (which is recorded on the ex-dividend date), and capital gain distributions are included in net appreciation (depreciation) in fair value of investments.

For the mutual funds, the interest income is recorded when earned and the dividend income is recorded on the ex-dividend date. Capital gain distributions are included in net appreciation (depreciation) in fair value of investments.

Administrative expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the statements of net assets available for benefits date through August 30, 2023, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

NOTE C: CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation or depreciation in fair value of investments, interest and dividends and participant notes interest for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by TIAA-CREF, custodian of the Plan. The following is a summary of the unaudited information regarding the Plan.

	December 31,	
	2022	2021
Investments, at fair value	$ 30,715,825	$ 37,309,962
Participant notes receivable	262,030	239,862

	Year ended December 31,	
	2022	2021
Investment income:		
Net (depreciation) appreciation in fair value of investments	$ (6,127,295)	$ 3,129,132
Interest and dividends	616,405	887,168
Participant notes interest	12,107	10,244

All information included in the attached supplemental Schedule of Assets Held for Investment Purposes at End of Year – December 31, 2022 were included in the above certification for the year ended December 31, 2022.

NOTE D: FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE D: FAIR VALUE MEASUREMENTS, Cont'd

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are actively traded open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to report their net asset value and required to report their net asset value and to transact at that price.

Registered investment companies: Account investments are primarily valued using market quotations or prices obtained from independent pricing sources who may employ various pricing methods to value the investments including matrix pricing.

Retirement annuity contracts: Valued on the basis of the amount invested plus interest credited less funds withdrawn. The principal amount invested along with a contractually specified interest rate (generally 3%, but in some recent contracts between 1% and 3%) is guaranteed. The retirement annuity contracts offer the opportunity for additional interest amounts to be earned in excess of the contractually specified interest rate.

Pooled separate account: Valued on the basis of the relative interest of each participating investor (including each participant) in the fair value of the underlying net assets of the pooled separate account.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D: FAIR VALUE MEASUREMENTS, Cont'd

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Level 1	Level 2	Level 3	Total
December 31, 2022				
Mutual funds	$21,032,027	$ -	$ -	$21,032,027

Total assets at fair value	$35,062,879	$ -	$ 2,247,083	$37,309,962

NOTE D: FAIR VALUE MEASUREMENTS, Cont'd

The following is a reconciliation of the beginning and ending balances for assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) during the years ended December 31, 2022 and 2021:

	Retirement Annuity Contracts
Balance at January 1, 2021	$ 2,334,216
Realized gains	41,572
Unrealized gains/(losses) relating to assets still held at the reporting date	26,319
Employee contributions	12,314
Employer contributions	2,182
Participant Loan Interest	67
Investment earnings, net of fees	8,434
Distributions	(123,275)
Interfund transfers, net	(54,746)
Balance at December 31, 2021	$ 2,247,083

Investment earnings, net of fees	14,698
Distributions	(167,228)
Interfund transfers, net	56,782
Balance at December 31, 2022	$ 2,241,594

NOTE E: TAX STATUS

The Plan is a non-standardized pre-approved plan offered by TIAA-CREF and has received a favorable opinion letter dated October 7, 2020 from the Internal Revenue Service regarding the form of the non-standardized pre-approved plan. The Company has not requested an individual determination letter. However, the Plan Sponsor believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or reduce an asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or reduction of an asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to December 31, 2019.

NOTE F: PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its operations at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G: TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan invests in shares or units of a registered investment company, retirement annuity contracts and a pooled separate account managed by TIAA-CREF, the custodian of the Plan, as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. In addition, as described in Note B, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTE H: RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE I: PLAN SPONSOR'S CURRENT OPERATING ENVIRONMENT AND FINANCIAL CONDITION

The independent auditor's opinion on the December 31, 2022 and 2021 financial statements of the Company stated that the Company's management believes the Company's continued net asset deficiency raises substantial doubt about the Company's ability to continue as a going concern. This could potentially impact the Company's ability to provide basic and/or discretionary employer contributions to the Plan.

The ability of the Company to continue as a going concern is dependent on, but not limited to adequate sources of capital and the ability to sustain positive results from operations and cash flows sufficient to continue to operate. Management's plans to improve profitability include improving volumes, enhancing reimbursement, and managing operating costs. The financial statements of the Plan do not include any adjustments to the recorded amounts or classification of assets and liabilities should the Company be unable to continue as a going concern.
