INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
WAKE INTERNAL MEDICINE CONSULTANTS, INC.
401(K) PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of WAKE INTERNAL MEDICINE CONSULTANTS, INC. 401(K) PROFIT SHARING PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of WAKE INTERNAL MEDICINE CONSULTANTS, INC. 401(K) PROFIT SHARING PLAN's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WAKE INTERNAL MEDICINE CONSULTANTS, INC.401(K) PROFIT SHARING PLAN and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WAKE INTERNAL MEDICINE CONSULTANTS, INC.401(K) PROFIT SHARING PLAN'S ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WAKE INTERNAL MEDICINE CONSULTANTS, INC.401(K) PROFIT SHARING PLAN'S internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WAKE INTERNAL MEDICINE CONSULTANTS, INC.401(K) PROFIT SHARING PLAN'S ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions (modified cash basis) and of assets held for investment purposes at end of year (modified cash basis) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Wake Internal Medicine Consultants, Inc. (Company) 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan covering all employees of Wake Internal Medicine Consultants, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In addition, the Plan complies with the provisions of subsequent tax reform.

Contributions

Contributions to the Plan are made through employee contributions, including catch-up contributions, Company matching contributions, and Company profit sharing contributions.

Employee Contributions-Participants may elect to defer eligible compensation on a pre-tax basis, an after-tax (Roth) basis, or a combination of both. For 2022 and 2021, participant contributions for participants under the age of 50 may not exceed \$20,500 and \$19,500, respectively, or for any participant who is 50 years old or older, \$27,000 and \$26,000, respectively.

Company Matching Contributions-The Company will make a safe harbor matching contribution of 100% of the employee elective deferrals up to 6% of compensation each year. The safe harbor matching contribution was \$586,339 and \$598,244 for 2022 and 2021, respectively.

Company Profit Sharing Contributions-The Company may make a discretionary profit sharing contribution to the Plan in such an amount as determined by the Administrative Committee. Participants do not have to make 401(k) contributions to receive a discretionary contribution. The discretionary profit sharing contribution was \$709,164 and \$703,844 for 2022 and 2021, respectively.

Participation and Vesting

Employees are eligible to enter the Plan on the January 1 or July 1, following their first full year (12 months) of employment which must be at least 1,000 hours and attainment of age 18. Participants are immediately vested in their contributions and the Company's safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's profit sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits

On termination of service, death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$10,117 and \$17,210, respectively. These accounts will be applied to reinstate forfeited account balances and then any remaining forfeitures will be used to reduce employer profit sharing contributions. In 2022 and 2021, forfeited nonvested accounts of \$6,502 and \$15,598, respectively, were used to reduce employer contributions.

Investment Options

Participants may direct the investment of their contributions as well as employer contributions among various investment options. Participant-directed investment options include mutual funds and common collective funds maintained by the trustee. There is also a self-directed brokerage investment option for Plan participants. Each participant shares in the value and earnings of each fund based on his or her pro rata share of ownership of fund shares. Participants may change their investment options daily. The available funds are regularly reviewed by the Administrative Committee and are subject to change at any time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements and supplemental schedules on the cash basis of accounting except for the accrual of employer and participants' contributions to the Plan and the adjustment of securities to fair value. Under this modified cash basis, revenues are recognized when collected rather than earned and expenses are recognized when paid rather than when incurred. Consequently, the financial statements and supplemental schedules do not include accrued income receivable, other payables, or excess contributions payable.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-day basis. Interest and dividend income are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Operating Expenses

Fees paid to the Trustee in connection with the administration of the Plan and investment management are paid from the Plan's assets. Expenses related to distributions are charged to participants at the time of distribution. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

3. CHANGE IN TRUSTEE AND RECORD- KEEPER

Effective March 1, 2021, the Plan changed its record-keeper and third-party administrator to Ascensus Trust Company (Ascensus) from Branch Banking and Trust Company (BB & T).

Effective March 1, 2021, Ascensus was appointed as the new Trustee of the Plan. The Plan conversion required a blackout period that began on February 22, 2021 and ended on February 28, 2021. During this period, funds could not be applied to the employee-selected funds, withdrawn from the Plan, nor could investment elections changes be made. During the blackout period, employee contributions were made through payroll deductions. At the end of the blackout period, these funds were invested as requested by each participant. The investment options remain substantially the same.

4. RELATED PARTY TRANSACTIONS

Fees paid by the Plan to BB&T (Plan Trustee through February 28, 2021) for administrative services for the years ended December 31, 2022 and 2021, were \$0 and \$13,321, respectively.

Fees paid by the Plan to Ascensus (Plan Trustee effective March 1, 2021) for administrative services for the years ended December 31, 2022 and 2021 were \$47,507 and \$47,079, respectively.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

6. TAX STATUS

The Internal Revenue Service has determined and informed Ascensus on June 30, 2020, that the Non-Standardized Pre-Approved Profit Sharing Plan with CODA, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended and restated since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The preparation of financial statements in conformity with the modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 % vested in their accounts.

8. UNAUDITED INFORMATION CERTIFIED BY PLAN TRUSTEES

The following unaudited information is a summary of the investment information regarding the Plan as of December 31, 2022 and 2021 and for the years then ended, included in the Plan's financial statements and supplemental schedule, that was prepared by, or derived from, information prepared by the trustees of the Plan, and furnished to the plan administrator.

The plan administrator has obtained and evaluated certifications from the trustees that such information is complete and accurate.

	<u>2022</u>	<u>2021</u>
<u>As certified by Ascensus Trust Company</u>		
Investments, at fair value	\$ 32,783,343	\$ 37,564,913
Investment income (loss)	(6,575,588)	3,946,829
<u>As certified by Branch Banking and Trust Company</u>		
Investment income	\$ -	\$ 1,087,741

The certification mentioned above includes all investment information discussed in Note 9 and the supplemental schedule of assets held for investment purposes at year end.

9. FAIR VALUE MEASUREMENTS

Fair value, as defined under FASB ASC 820 (a framework for fair value measurements), is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1: Observable inputs such as quoted prices in active markets.
- Level 2: Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- Level 3: Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of assets and liabilities and their placement within the fair value hierarchy levels.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

WAKE INTERNAL MEDICINE CONSULTANTS, INC.
401(k) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2022 and 2021

9. FAIR VALUE MEASUREMENTS (CONTINUED)

When quoted prices are available in active markets for identical instruments, investment securities are classified within Level 1 of the fair value hierarchy. Level 1 investments include interest bearing cash, mutual funds, and self-directed brokerage accounts. The fair value of mutual funds is based on quoted net asset values (NAV) of the shares held by the Plan at year end.

There are no Level 2 or 3 investments.

The common collective investment funds are valued at the NAV of units of the collective trust funds. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of underlying investments held by the funds less its liabilities. The funds are measured daily, may be redeemed daily, have no unfunded commitments, other redemption restrictions, or redemption notice periods. The funds are stable value and equity funds. The funds are not required to be classified within a level on the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	2022	
	Level 1	Total
Mutual funds	\$ 30,887,469	\$ 30,887,469

10. PLAN AMENDMENT AND RESTATEMENT

The Plan has implemented certain applicable provisions from the Setting Every Community Up for Retirement Enhancement (SECURE) Act and the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the Company intends to amend the Plan document by the last day of the first plan year beginning on or after January 1, 2022, in accordance with Internal Revenue Service (IRS) guidance.

11. PROHIBITED TRANSACTION

During 2022, the Company failed to remit participant contributions in a timely manner, as defined by ERISA. The Company identified one payroll instance in which contributions of \$35,793 were remitted to the Plan in violation of Department of Labor (DOL) regulations. This instance was corrected in 2022. The Plan Sponsor intends to compensate participants for any lost earnings resulting from the delay in contributions. Management estimates that lost earnings associated with the delay amounts to \$123. These nonexempt transactions do not affect the tax status determination of the Plan, and the Company intends to pay all fines imposed.

12. SUBSEQUENT EVENTS

Subsequent events were evaluated through September 29, 2023, which is the date the financial statements were available to be issued.

Effective January 1, 2023, the Company amended its Plan for the following:

- to change eligibility requirements for employee contributions.
- to allow for incoming qualified rollover contributions.
- to allow for withdrawal of rollover contributions at any time.
