Premier Home Health Care Services, Inc. Union 401(k) Plan

Financial Statements
(Liquidation Basis)

December 31, 2022 and 2021

Independent Auditors' Report

The Plan Administrator of Premier Home Health Care Services, Inc. Union 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of Premier Home Health Care Services, Inc. Union 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits (liquidation basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (liquidation basis) for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note 1 to the financial statements, the plan sponsor elected to terminate the Plan effective November 16, 2020. As a result of the termination, the Plan changed its basis of accounting to the liquidation basis on November 16, 2020. Our Opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (liquidation basis) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule (liquidation basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule (liquidation basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule (liquidation basis), other than the information in the supplemental schedule (liquidation basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule (liquidation basis) related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Premier Home Health Care Services, Inc. Union 401(k) Plan

Notes to Financial Statements
December 31, 2022 and 2021

1. Plan Description

The following description of the Premier Home Health Care Services, Inc. Union 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan, which became effective March 1, 2014 with a special effective deferral date beginning March 1, 2015, is a defined contribution 401(k) plan covering eligible union employees, of Premier Home Health Care Services, Inc. (the "Company" and "Plan Sponsor") under the 1199 SEIU United Healthcare Workers East collective bargaining agreement with the 1199 SEIU United Healthcare Workers East who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Initial entry date into the Plan is the first day of each month after the participant has completed the necessary eligibility requirements. The Administrative committee is responsible for oversight of the Plan, including the appropriateness of the Plan's investment offerings and monitoring investment performance.

On July 1, 2019, Principal Financial Group completed their acquisition of Wells Fargo & Company's Institutional Retirement & Trust business ("Wells Fargo"). The acquisition includes Wells Fargo's defined contribution, defined benefit, executive deferred compensation, employee stock ownership plans, institutional trust and custody and institutional asset advisory businesses. As a result of this acquisition on May 21, 2021, trustees of the Plan changed from Wells Fargo Bank, N.A. to Principal Trust Company.

Effective November 16, 2020, the Board of Directors approved the termination of the Plan. All assets are in the process of being distributed. As a result, management determined liquidation was imminent as of November 16, 2020, accordingly the financial statements as of and for the years ended December 31, 2022 and 2021, are presented on the liquidation basis of accounting. All participant balances were distributed from the Plan by December 14, 2022.

Contributions

Eligible plan participants may contribute up to 100% of eligible pre-tax compensation as defined by the Plan, subject to annual Internal Revenue Service ("IRS") limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. In 2019, the Company provided a contribution based on the agreed upon Union contractual formula of 36 cents per hour worked annually by eligible employees as defined in the collective bargaining agreement.

1. Plan Description (continued)

Contributions (continued)

Effective for the Plan year beginning January 1, 2020 and pursuant to the Memorandum of Agreement (MOA) with the 1199SEIU United Health Care Workers East dated December 16, 2019, the Company ceased its employer contribution to this 401(k) Plan and instead began making equivalent pension contributions to the 1199SEIU Home Care Employees Pension Fund, a Union sponsored pension fund.

All contributions to the Plan ceased after the November 16, 2020 effective date of Plan termination.

Participant Accounts

Each participant's account is credited with the participant's contribution. Allocation of the Plan Sponsor's contributions are based on annual hours worked. Allocation of the Plan earnings (losses) are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is based on account balances that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and rollovers, plus actual earnings thereon. Prior to the effective date of the Plan termination, vesting in the employer nonelective contribution portion of their accounts, plus actual earnings thereon is based on years of continuous service. Such contributions, if any, vested in accordance with the Plan's vesting schedule wherein after three years of service and a minimum of 1,000 hours per year, a participant was 100% vested.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 3	0%
3	100%

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to any of various investment options offered by the Plan.

1. Plan Description (*continued*)

Notes Receivable from Participants

Participant employees could borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the outstanding balance of any existing loans, or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined by the plan administrator. Only two loans are permitted at a time. Interest is charged at prime plus 1% at the date that the loan is initiated. Loan terms range from 1 to 5 years or up to 10 years for the purchase of a participant's primary residence. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Benefit payments are made upon normal retirement, death, disability or termination of service. The benefits are paid in a lump-sum payment or distributed in installments in accordance with the Plan document. In addition, the Plan allows hardship withdrawals, and if the participant has reached 59 ½, in-service distributions are also permitted. The Plan has a mandatory cash out provision if the participant terminates employment and the vested account balance does not exceed \$5,000. After the year in which Plan termination was initiated, for the years ended December 31, 2022 and 2021, distributions were \$30,563 and \$20,972,132.

Forfeitures

Forfeitures result from a participant's termination of service prior to achieving full vesting in the Company's contributions. Such forfeitures are transferred out of the participant's account and are held in a separate account. Forfeitures may be used at the discretion of the Company to reduce the Company's nonelective contributions and to offset plan expenses. At December 31, 2022 and 2021, there was a balance of \$0 and \$0, respectively, in the forfeited non-vested account. \$0 and \$10,349 was used to pay administrative expenses for 2022 and to pay administrative expenses for 2021.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The financial statements of the Plan have been prepared on the liquidation basis of accounting in accordance with accounting principals generally accepted in the United State of America (U.S. GAAP). The accompanying financial statements were prepared in accordance with U.S. GAAP, which required management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies *(continued)*

Accounting Methods

Net assets available for benefits and changes in net assets available for benefits differ from that reported on IRS Form 5500, Annual Return/Report of Employee Benefit Plans. This difference is the result of using the cash basis for governmental reporting purposes and the accrual basis for financial reporting purposes. See Note 8 for a reconciliation of the financial statements to Schedule H of Form 5500.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value.

Purchases and sales are recorded on a trade-by-trade basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are excluded from these financial statements. Administrative fees for transaction charges are paid by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements (liquidation basis) and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (liquidation basis) including investments held and notes receivable from participants held at December 31, 2022 and 2021, and dividends, net appreciation in fair value of investments, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company and Wells Fargo Bank, N.A., qualified institutions. Wells Fargo Bank, N.A. held the Plan's investment assets and notes receivable from participants and executed investment and notes receivable from participants transactions from January 1, 2021 to May 20, 2021. Principal Trust Company held the Plan's investment assets and notes receivable from participants and executed investment and notes receivable from participants transactions from May 21, 2021 to December 31, 2022.

4. Fair Value Measurements

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC"), 820, "Fair Value Measurements", establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial Statements

4. Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered by the Securities and Exchange Commission that are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: The fair value of the common/collective trusts is based on the daily NAV of the units held by the Plan at year end, which is used as a practical expedient to approximate fair value. The NAV is based on the fair value of investments held by the fund less liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022		
	Level 1	Other Investments Measured at NAV *	Total
Common/Collective Trusts	\$ -	\$ -	\$ -
Mutual Funds	-	-	-
	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

4. Fair Value Measurements *(continued)*

	Level 1	2021 Other Investments Measured at NAV *	Total
Common/Collective Trusts	\$ -	\$ 18,638	\$ 18,638
Mutual Funds	<u>5,391</u>	<u>-</u>	<u>5,391</u>
	<u>\$ 5,391</u>	<u>\$ 18,638</u>	<u>\$ 24,029</u>

(*) In accordance with U.S. GAAP, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Party-In-Interest Transactions

Certain investments of the Plan are managed by Wells Fargo Bank, N.A. Wells Fargo Bank, N.A. was the trustee of the Plan through May 20, 2021 and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain administrative functions are performed by officers or employees of the Company. No officer or employee receives compensation from the Plan.

6. Tax Status

The IRS has determined and informed the volume submitter plan document preparer by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. As of November 16, 2020, the Board of Directors approved the termination of the Plan and all participants became 100% vested in their accounts.

8. Subsequent Events

On December 31, 2022, there are \$19,936 of distribution checks that were outstanding, these were returned to the Plan as unclaimed checks and lost policyholder checks due to termed contract. The Plan is in the process of locating these participants and reissuing the distribution checks.

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 4, 2023.
