INDEPENDENT AUDITOR'S REPORT

To the Trustees
Centreville Savings Bank 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the accompanying financial statements of Centreville Savings Bank 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Centreville Savings Bank 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Centreville Savings Bank 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Centreville Savings Bank 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Centreville Savings Bank 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Centreville Savings Bank 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CENTREVILLE SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN

The following description of Centreville Savings Bank 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a defined-contribution plan established on January 1, 2000, covering all full-time employees of Centreville Bank (the “Bank”). Employees become participants under the Plan effective on the date they complete an hour of service. Plan assets acquired under this Plan as a result of employee contributions, employer contributions, investment income, and other additions to the Plan, will be administered for the exclusive benefit of the participants and their beneficiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions: Participants may elect to contribute an amount up to a certain percentage of pretax annual compensation as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“Rollover Contributions”). Contributions are subject to certain limitations under the Internal Revenue Code (“IRC”).

The Plan has elected to make employer matching contributions of 100% of the participant’s contributions up to 6% provided the participant has 90 days of service with the Bank.

The Bank also provides a profit-sharing plan to benefit substantially all employees that have completed 90 days and 1,000 hours of service and are employed on the last day of the Plan year. The Plan allows for discretionary employer contributions representing a discretionary percentage of the participant’s compensation or a discretionary dollar amount; the percentage or dollar amount to be determined by the Bank on a uniform basis for all participants. The discretionary contributions are subject to a vesting schedule as included in the Plan document.

The Bank has elected to make Safe Harbor employer contributions in an amount equal to 100% on the first 3% of a participant’s eligible compensation. These contributions satisfy certain IRC requirements and eliminate the need for the Plan to perform certain annual non-discrimination tests. The Bank contributed Safe Harbor employer matching funds in the amount of \$570,911 related to the Plan year ended December 31, 2022, which are included in employer contributions receivable in the accompanying statements of net assets available for benefits as of that date.

Residents of Puerto Rico and leased employees are excluded for purposes of all contributions under the Plan, and Mortgage Loan Originators hired on or after October 1, 2017 are excluded for purposes of Safe Harbor contributions and profit-sharing contributions.

CENTREVILLE SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts: Each participant's account is credited with the participant's contributions, rollover contributions, allocation of the Bank's employer matching, Safe Harbor, and profit-sharing contributions, and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or losses or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately 100% vested in their voluntary contributions, rollover contributions, Safe Harbor employer contributions, and qualified non-elective contributions, plus the investment earnings arising from these contributions. Employer matching contributions, discretionary profit-sharing contributions, and related earnings are subject to a vesting schedule based on the number of years of continuous service as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 1 Year	0%
1 Year but less than 2 Years	25%
2 Years but less than 3 Years	50%
3 Years but less then 4 Years	75%
4 or More Years	100%

Participants' interest in their accounts shall become 100% vested and non-forfeitable without regard to their credited years of service if they are employed by the Bank on or after age 65, incur a permanent disability, or die while employed by the Bank. If a participant who is not fully vested terminates employment with the Bank, the participant shall be entitled to the vested portion of his or her account.

Notes Receivable from Participants: Participants who are active employees of the Plan sponsor may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of the participant's vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan terms cannot exceed five years unless for the purchase of a primary residence, which cannot exceed fifteen years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Interest rates were between 3.25% and 6.25% for the year ended December 31, 2022. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: Benefits are payable upon normal retirement age (65), death, permanent disability, separation from service, or proven hardship. In any event, payment of benefits must commence when the participant reaches age 70½ or, if later, following the year they terminate employment.

Forfeited Accounts: At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$111,300 and \$36,683, respectively. This account is used to reduce employer contributions and administrative expenses. During 2022, \$36,718 of forfeited non-vested amounts were used to reduce employer contributions or administrative expenses.

CENTREVILLE SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Investment Options: Participants elect to invest their contributions into various options offered by the Plan. Participants may change their investment options as determined by the rules applicable to each investment.

Basis of Accounting: The financial statements of the Plan are prepared on the accrual method of accounting. The financial statements and supplemental schedule have been prepared to satisfy the reporting and disclosure requirements of ERISA.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan Management determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and other parties involved in the Plan. See Note 5 for discussion of fair value measurements.

The Plan's investment contract with an insurance company is not fully-benefit-responsive and, as such, is valued at fair value, which approximates contract value as of December 31, 2022 and 2021.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits: Benefits are recorded when paid.

Expenses of the Plan: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Bank. Expenses that are paid by the Bank are excluded from the financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

CENTREVILLE SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3: INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a contract with Empower Retirement (Empower Retirement refers to the products and services offered in the retirement markets by Great-West Life & Annuity Insurance Company). Under the contract, which is considered non-benefit-responsive, deposits of contributions received are invested in the contract. The contract is included in the financial statements at fair value which approximated contract value. Contract value equals contributions plus interest earned at a contracted rate after applicable expenses, less funds used to pay retirement benefits. There are no maturity dates. A charge may be applied at termination in accordance with the terms of the contract.

NOTE 4: CERTIFICATION OF TRUSTEES

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the trustees, certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) are complete and accurate.

	<u>December 31,</u>	
	2022	2021
Mutual funds	\$ 17,024,156	\$ 19,107,128
Investment contract	\$ 831,292	\$ 762,633
Notes receivable from participants	\$ 277,219	\$ 198,274

	<u>Year Ended</u> <u>December 31,</u> 2022
Net depreciation in fair value of investments	\$ (4,230,905)
Interest and dividend income	\$ 738,499
Interest income on notes receivable from participants	\$ 8,603

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

NOTE 5: FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB"), Accounting Standards Codification ("ASC") 820, "*Fair Value Measurement and Disclosures*", provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

CENTREVILLE SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5: FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investment contract with insurance company: Valued at fair value, which approximates contract value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CENTREVILLE SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5: FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2022			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 17,024,156	\$ -	\$ -	\$ 17,024,156

Total investments at fair value	<u>\$ 17,024,156</u>	<u>\$ 831,292</u>	<u>\$ -</u>	<u>\$ 17,855,448</u>

	2021

Total investments at fair value	<u>\$ 19,107,128</u>	<u>\$ 762,633</u>	<u>\$ -</u>	<u>\$ 19,869,761</u>

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

NOTE 7: TAX STATUS

The Plan has adopted a prototype standardized profit-sharing plan with The Angell Pension Group, Inc., who received a letter dated June 30, 2020, stating that the prototype plan is acceptable under Section 401 of the IRC, and therefore, the related trust is tax-exempt. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with Section 401 of the IRC and, therefore; believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

CENTREVILLE SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 7: TAX STATUS (CONTINUED)

Uncertain Tax Positions: Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9: PARTY IN INTEREST TRANSACTIONS

The Plan engages in investment transactions with funds managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 10: LATE REMITTANCES

As reported on Form 5500, Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions, certain employee contributions for the year ended December 31, 2022 were not remitted within the timeframe specified by the DOL's regulation, thus constituting nonexempt transactions as defined by ERISA. The aggregated late remittances amount to \$47,710 for the year ended December 31, 2022. The Bank corrected all late remittances including any earnings thereon in the year ended December 31, 2022.

NOTE 11: SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2022, the date of the most recent statement of financial position, have been evaluated for possible adjustment to the financial statements or disclosure is September 11, 2023, which is the date the financial statements were available to be issued.
