## Independent Auditor's Report

Those Charged with Governance  
TAPE 401(k) Plan  
Alexandria, Virginia

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of TAPE 401(k) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of TAPE 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TAPE 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TAPE 401(k) Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the TAPE 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TAPE 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule listed in the table of content is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Notes to Financial Statements**

### **1. Description of the Plan**

The following description of TAPE 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution profit sharing plan with a Section 401(k) cash or deferred arrangement covering substantially all employees of Technical and Project Engineering, LLC (the “Company”) who have reached the age of 18. The Retirement Committee of the board of directors of the Company controls and manages the operation and administration of the Plan. AdvisorTrust, Inc. serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

#### ***Contributions***

Each year, participants may contribute any amount of compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”) limitations. Participant salary deferrals may be traditional 401(k) (pretax) or Roth 401(k) (after-tax). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts. The Company makes a safe harbor matching contribution of 100% of the first 4% of compensation that each participant contributes to the Plan. The Company may provide a discretionary profit sharing contribution. The Company did not make a profit sharing contribution to the Plan in 2022. The Company also provides prevailing wage contributions for participants as required by certain government contracts. Contributions are subject to certain limitations.

#### ***Investment options***

Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers self-directed brokerage accounts, mutual funds and an interest-bearing cash fund as options for participants.

#### ***Participant accounts***

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings, and charged with benefit payments, transaction fees related to notes receivable from participants and distributions, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Vesting***

Participants are vested immediately in their prevailing wage contributions, and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's profit sharing contribution portion of their accounts is based on years of service, as defined by the Plan. A participant is 100% vested after four years of credited service. If a participant dies, becomes disabled, or reaches early retirement age (as defined by the Plan), the participant becomes 100% vested.

***Notes receivable from participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. At December 31, 2022, outstanding loans bore interest rates of 5.25% to 9.00%. Principal and interest are paid ratably through payroll deductions.

***Payment of benefits***

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution. Amounts contributed on a before-tax basis may be withdrawn upon demonstration of financial hardship. In-service distributions are available after the participant has attained age 59½ and are permitted from all vested accounts.

***Forfeited Accounts***

At December 31, 2022 and 2021, there were no forfeited non-vested accounts. These accounts can be used to pay Plan expenses and reduce future Company contributions. There were not any forfeitures to use during 2022.

## **2. Summary of Significant Accounting Policies**

***Basis of accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

***Use of estimates***

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates and assumptions.

***Investment valuation and income recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income from notes receivable from participants is recorded when received. Other interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes receivable from participants***

Notes receivable from participants are measured at their unpaid principal balance. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the plan document.

***Payment of benefits***

Benefits are recorded upon distribution.

***Administrative expenses***

The Plan's administrative expenses are paid either by the Plan or the Company, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

***Subsequent events***

The Plan has evaluated subsequent events through September 29, 2023, the date the financial statements were available to be issued.

**3. Fair Value Measurements**

Fair value, as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

**Level 1:** Observable inputs such as quoted prices in active markets.

**Level 2:** Inputs other than quoted prices in active markets that are either directly or indirectly observable.

**Level 3:** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

There have been no changes in the methodologies used at December 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

***Interest-bearing***

Valued daily at its closing cash balance as reported by custodians.

***Mutual funds***

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

***Self-directed brokerage accounts***

Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

**TAPE 401(k) Plan**  
**Notes to Financial Statements**

The following tables set forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2022 and 2021:

| <b>Assets at Fair Value as of December 31, 2022</b> |                             |                    |                    |                             |

| Mutual funds                                        | <u>13,297,579</u>           | <u>-</u>           | <u>-</u>           | <u>13,297,579</u>           |

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### **4. Unaudited Information Certified by Trustee**

The accompanying financial statements include the following unaudited information as of December 31, 2022 and 2021, and for the year ended December 31, 2022 that was obtained from data prepared and certified to be complete and accurate by the Plan's trustee:

|                                                       | <b>2022</b>                 | <b>2021</b>          |

| Investments at fair value                             | <u><b>\$ 10,126,850</b></u> | <u>\$ 13,599,212</u> |
| Notes receivable from participants                    | <u><b>\$ 153,875</b></u>    | <u>\$ 164,502</u>    |
| Net depreciation in fair value of investments         | <u><b>\$ 2,114,454</b></u>  |                      |
| Interest and dividends                                | <u><b>\$ 251,837</b></u>    |                      |
| Interest income on notes receivable from participants | <u><b>\$ 7,010</b></u>      |                      |

#### **5. Exempt Party-in-Interest Transactions**

Advisor Trust, Inc. ("Advisor") is the trustee as defined by the Plan and, therefore, transactions with Advisor qualify as exempt party-in-interest transactions. Certain Plan investments are managed by affiliates of Advisor. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. The Plan paid fees to service providers who are not considered a party-in-interest. These fees were for administration services, investment advice, and participant-initiated transaction fees totaled \$92,263 during 2022.

## **6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become fully vested in their employer contribution accounts.

## **7. Tax Status**

The Plan has not obtained a determination letter from the Internal Revenue Service ("IRS") stating that the Plan was in compliance with the applicable requirements of the IRC. The Plan is relying on the IRS approval of the non-standardized pre-approved plan document that it is utilizing. The IRS has determined and informed the document sponsor by a letter dated June 30, 2020 that the non-standardized pre-approved plan document was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December, 31 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
