INDEPENDENT AUDITOR'S REPORT

Plan Administrative Committee and Participants of
Employees' 401(k) Retirement Savings Plan of U.S. Air Conditioning Distributors

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Employees' 401(k) Retirement Savings Plan of U.S. Air Conditioning (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from Principal Trust Company, the Plan's trustee, as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by Principal Trust Company agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included

in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by Principal Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

U.S. AIR CONDITIONING DISTRIBUTORS**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN

The Employees 401(k) Retirement Savings Plan of U.S. Air Conditioning Distributors (the “Plan”) was adopted by U.S. Air Conditioning Distributors, Inc. (the “Company”) on July 13, 1990. A prototype plan offered by the Plan’s trustee was adopted January 1, 1999. The Plan was amended and restated effective August 2003 and January 1, 2007 to conform to changes made by the Internal Revenue Service. In August 2006, the Plan was amended retroactively to 1997 for clarification and adoption of existing various contribution computations. In 2007, the Company formed a subsidiary, U.S. Air Conditioning Distributors, LLC (“LLC”) for the purpose of transferring certain assets and liabilities, and sold 48% of the LLC to an unrelated party. In 2009, the Company contributed substantially all of its assets and liabilities to the LLC. On July 1, 2014, the Plan was amended and restated under a prototype plan offered by the Plan’s trustee. The Plan includes participants of the Company and its majority-owned Subsidiary, the LLC. In September 2019, the Plan was amended and restated to become a multiple employer plan to include the employees of Advanced Incentive Travel, Inc (“AIT”) and KCAL Tech, LLC (“KCAL”).

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General.** The Plan is a defined contribution plan covering substantially all employees of the Company, AIT, and KCAL who have met certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), and is administered by the Plan's Administrative Committee. The Plan is intended to be a qualified defined contribution plan which satisfies the requirements of section 401(k) of the Internal Revenue Code (the “Code”). Under the Code, participants are not liable for federal income taxes on employee contributions, Company contributions or Plan earnings until such time as they are partially or completely withdrawn from the Plan.
2. **Contributions.** For the years ended December 31, 2022 and 2021, under the 401(k) savings portion of the Plan, eligible employees may elect to contribute up to \$20,500 and \$19,500, respectively, of their compensation. Participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 for the years ended December 31, 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Under the profit sharing provisions of the Plan, all Company contributions are strictly discretionary. Plan participants within each of the Company’s divisions share in Company divisional contributions based upon the ratio of compensation of each participant to the compensation of all participants within each respective division of such Plan year. Participants may share in Company contributions provided that the following conditions are met: the participant had completed a year of "vesting service" during the plan year and was employed by the Company on the first day of the Plan year and also the last day of the final pay period of the Plan year.

DECEMBER 31, 2022 AND 2021

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

3. **Participants accounts.** Separate accounts are maintained for each participant in the Plan. Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant compensation or account balances, as defined.
4. **Vesting.** Employee contributions and related earnings are fully vested immediately. Participant interest in Company's profit sharing contributions made prior to 2007 is 100% vested after five years of service. Participant interest in Company's profit sharing contributions made after 2006 is 100% vested after three years of service. Benefits attributable to each participant will become fully vested in the event of death, disability, normal retirement at age 65, the attainment of one hundred percent (100%) vesting, or the complete or partial termination of the Plan.
5. **Investment options.** Participants may choose among various investment funds in which his or her contribution is to be invested, including any Company contribution. All of the Plan's investment options are participant directed, which may be changed at any time.
6. **Notes receivable from participants.** Participants may borrow from their fund accounts from a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance. The committee is responsible for determining the terms and conditions of all notes made to participants. Note transactions are treated as a transfer from the investment fund to the notes receivable from participants fund. Notes generally must be repaid within five years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Interest rates are between 5.25% to 9.5% for notes receivable. Principal and interest is paid ratably through monthly payroll deductions.
7. **Payment of benefits.** Participants are eligible to receive a distribution of their account balance, to the extent vested, upon termination of employment, death or disability. Benefits are payable as a lump sum amount equal to the participant's entire interest in the Plan. Terminated employees with account balances greater than \$5,000 may elect to keep their vested account balances in the Plan after termination. Net assets at December 31, 2022 and 2021 include vested account balances of terminated employees totaling \$6,315,303 and \$7,621,556, respectively.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

8. **Forfeited accounts.** Amounts not vested at termination of service are forfeited generally in the Plan Year in which a participant has incurred at least five consecutive yearly breaks in service. If a participant receives a distribution of his/her entire vested accounts in a single sum distribution, a forfeiture shall occur as of the first day of the Plan Year immediately following the Plan Year in which the participant receives the distribution from the Plan. These forfeited amounts may be used to reduce administrative expenses of the Plan or employer contributions. Net assets at December 31, 2022 and 2021 include forfeited non-vested accounts available to offset future Plan administrative expenses or employer contributions. Administrative expenses totaling \$22,787 were paid using forfeited funds during the year ended December 31, 2022. No forfeitures were applied to administrative expenses for the year ended December 31, 2021. As of December 31, 2022 and 2021, the forfeiture account balance was \$17,487 and \$25,768, respectively.
9. **Plan administration.** Principal Trust Company served as Trustee from January 1, 2022 to December 31, 2022. Administrative expenses paid by the Plan were \$146,093 and \$141,111 for the years ended December 31, 2022 and 2021, respectively. Administrative expenses totaling \$22,950 and \$20,450 were paid by the Company during the years ended December 31, 2022 and 2021.
10. **Plan termination.** The Company anticipates and believes that the Plan will continue without interruption, but reserves the right to terminate the Plan in whole or in part at any time. In the event of a Plan amendment or discontinuance, net assets available for Plan benefits will be allocated among the participants in accordance with the terms of the Plan and ERISA.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition

Investments are valued at fair value, measured by publicly quoted redemption prices at the close of each business day that the New York Stock Exchange is open. Investment income is recorded when earned. Interest income on notes receivable from participants is recorded on the accrual basis.

Net appreciation (depreciation) in the fair value of investments consists of both realized and unrealized gains and losses. Realized gains and losses are measured as the difference between the historical cost of investments sold or redeemed during the year and the proceeds received from their sale or redemption. Unrealized gains and losses are measured as the difference between cost and fair value at the beginning of the period and at the end of the period. Investment transactions are accounted for on a trade date basis.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INVESTMENTS

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$8,822,001 during 2022 and appreciated by \$5,994,703 during 2021, as follows:

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 5 - FEDERAL INCOME TAX STATUS

The Plan is a "Basic Savings Plan – Plus" offered by Principal Financial Group. The Company has not applied for a determination letter from the Internal Revenue Service. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for periods prior to 2019.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of participation in a common/collective trust fund, mutual funds and pooled separate accounts managed by Principal Financial Group. Principal Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

There were no party-in-interest transactions that are prohibited by the Employee Retirement Income Security Act of 1974 Section 406 and for which no statutory or administrative exemption exists.

NOTE 7 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Guidance included in ASC 820-10 "*Fair Value Measurements and Disclosures*" provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs used to measure fair value, giving the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 – The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 7 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Level 2 inputs are based on quoted prices for similar investments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. No Plan investments are classified under level 2.

Level 3 – Inputs are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk. No Plan investments are classified under level 3.

Assets measured at fair value on a recurring basis as of December 31, 2022 are summarized below:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value Measurement</u>
Mutual funds	<u>\$ 20,512,120</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 20,512,120</u>
Pooled separate accounts*	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,582,522</u>
Common/Collective trusts*	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,325,027</u>

Assets measured at fair value on a recurring basis as of December 31, 2021 are summarized below:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Measurement</u>
Mutual funds	<u>\$ 30,021,937</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 30,021,937</u>
Common/Collective trusts*	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,048,784</u>

*This category includes common/collective trusts and pooled separate accounts that are designed to deliver safety and stability by preserving principal and accumulating earnings. Valued at the NAV of units held by the Plan at year-end, the NAV is determined by the custodian of the fund and is based on the fair value of the underlying assets held by the fund. In accordance with ASC 820, *Fair Value Measurement*, certain investments are measured at fair value using the NAV per share (or its equivalent) practical expedient that have not been classified in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – RECONCILIATION WITH FORM 5500

The Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021 and the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2022 and 2021, respectively, differ from the 2022 and 2021 IRS Form 5500, respectively as shown below:

NOTE 10 – SUBSEQUENT EVENTS

Subsequent events have been evaluated by the Company's management through September 25, 2023, the date these financial statements were available to be issued. No material subsequent events have occurred since December 31, 2022 that required recognition or disclosure in the current period financial statements.
