Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DS Smith North America 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DS Smith North America 401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of DS Smith North America 401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DS Smith North America 401k Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DS Smith North America 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DS Smith North America 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets held (at end of year) and schedule of delinquent participant contributions as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**DS SMITH NORTH AMERICA 401K PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 DESCRIPTION OF PLAN

The following description of the DS Smith North America 401k Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which was established January 1, 1987 by DS Smith North America 401k Plan (the Employer) for their employees and any affiliate who has adopted the Plan. The Plan was most recently restated effective November 28, 2021. Eligible employees include all employees of the Employer with the exception of Puerto Rico employees and temporary employees with less than 1,000 hours of regularly scheduled service during the plan year. Temporary employees with less than 1,000 hours of regularly scheduled service are eligible to participate in the Plan if they complete 1,000 hours of service during the plan year. The 401(k) Investment Committee, a Board of Directors sub-committee, is responsible for the oversight of the Plan. The 401(k) Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Hourly Union employees of DS Smith Packaging - Reading , DS Smith Reading Mill, and DS Smith Recycling hired prior to November 28, 2021, are eligible to participate in the Plan on the first day of the month following 30 days of service, and employees, hired after November 28, 2021, are eligible to participate in the Plan on the first day of the month following 60 days of service. DS Smith Packaging - Cambridge hourly union employees are eligible to participate on the first day of the month following attainment of 3 months of service. All other employees are eligible to participate on the first day of the month following their date of hire. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective January 1, 2021, employees of RFC Container, LLC are eligible to participate in the Plan and the RFC Container, LLC 401(k) Profit Sharing Plan was merged into the Plan with assets in the amount of \$1,667,810.

Contributions

Participants may elect to make contributions, on a pre-tax, or Roth, between 1% and 60% of their eligible compensation up to Internal Revenue Service (IRS) limits. Participants age 50 or older are allowed to make catch-up contributions.

The Plan includes an automatic deferral provision whereby certain affiliated entities have elected to have a percentage of annual eligible compensation automatically deducted and invested on behalf of the participant upon eligibility and entry into the Plan unless the participant elects a different deferral percentage, including zero. The following affiliated entities have elected newly eligible employees to be automatically enrolled: DS Smith Packaging - Reading , DS Smith Reading Mill, and DS Smith Recycling are automatically enrolled at 4% of eligible compensation, DS Smith Riceboro Mill hourly union employees are automatically enrolled at 5% of eligible compensation, and all other newly eligible employees are automatically enrolled at 6% of eligible compensation, except for DS Smith Packaging – Cambridge hourly union employees who elected not to participate in auto enrollment.

**DS SMITH NORTH AMERICA 401K PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

The Plan has adopted an automatic increase provision whereby deferral percentages increase 1% per year up to a maximum of 5% for employees of DS Smith Packaging - Reading , DS Smith Reading Mill, and DS Smith Recycling and 15% for all other employees with the exception of hourly union employees of DS Smith Riceboro Mill, and DS Smith Packaging - Cambridge. The automatic increase will take place on September 1 of each Plan year.

The Plan allows for safe harbor matching contributions. Nonunion employees will receive a safe harbor match of 100% of employee deferrals up to 6% of eligible compensation. Union employees of DS Smith Riceboro Mill will receive a safe harbor match of 100% of employee deferrals up to 6% of eligible compensation. In addition, the Employer or affiliate may elect to contribute nonelective contributions and discretionary matching contribution. There were nonelective contributions made for union employees of DS Smith Packaging Reading, DS Smith Reading Mill and DS Smooth Recycling for the years ended December 31, 2022 and 2021. Effective November 28, 2021, the Plan was amended to state that hourly union employees of DS Smith Packaging - Reading , DS Smith Reading Mill, and DS Smith Recycling who did not have a seniority date prior to this date will not be eligible to receive nonelective contributions. Union employees of DS Smith Packaging – Cambridge received a discretionary matching contribution for the years ended December 31, 2021 and 2022 of 100% on the first 4% of participant deferrals and 50% on the next 4% of participant deferrals up to 6% of eligible compensation.

The Plan also allows participants to make rollover contributions from other qualified plans. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited daily with the participant's contributions, the Employer's safe harbor and discretionary matching and nonelective contributions, if applicable, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are fully vested to the extent of their account balances in their contributions, safe harbor contributions, plus actual earnings thereon. Participants are vested on a graded vesting schedule and are fully vested in the employer discretionary matching and nonelective contributions when six years of qualifying service are attained. Participants are fully vested in frozen profit sharing contributions and pre-2002 matching contributions when seven years of qualifying service are attained. Participants are 100% vested at all times in balances attributable to safe harbor contributions. Participants are 100% vested in all of their accounts under the Plan if employed on or after their Normal Retirement Age.

**DS SMITH NORTH AMERICA 401K PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting (Continued)

Notwithstanding the above, participants are fully vested in the employer contributions upon reaching age 65, upon death or permanent disability, early retirement at age 55 and 5 years of service, or upon termination of the Plan.

Employer discretionary matching and nonelective contribution balances accrued under Corrugated Container Corporation will remain subject to a graded vesting schedule and are fully vested when six years of qualifying service are attained. Prior safe harbor match balances accrued under Corrugated Container Corporation will be 100% vested.

Hourly Union employees of DS Smith Packaging – Reading, DS Smith Reading Mill, DS Smith Recycling, and DS Smith Packaging - Cambridge are subject to a 6-year graded vesting schedule for the employer match and nonelective contributions. Non – Union Employees of DS Smith Riceboro Mill are 100% vested in nonelective contributions made after January 1, 2019. Hourly union employees of Riceboro Mill are 100% vested in employer matching and nonelective contributions made after January 1, 2019 and matching and nonelective contributions made prior to January 1, 2019 will vest over a 6 year graded vesting schedule.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms are up to five years, except for notes to fund the purchase of a principal residence, for which the note terms are up to ten years. Principal and interest are paid ratably through payroll deductions. The notes are secured by the balance in the participant's account and bear interest at the Prime Rate on the date the note was granted plus 1%.

Payment of Benefits

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Under terms of the Plan, the participant must receive his or her benefit in the form of a lump sum payment or installment. The benefit is distributable upon termination of employment, death, disability, attainment of normal retirement age (age 65), early retirement age (age 55 and 5 years of service), age 59½, and deemed severance. Distributions on account of hardship are permitted. Hardship withdrawals are not permitted to be distributed from balances accrued under Corrugated Container Corporation.

If a participant terminates employment and has an account balance less than \$1,000, the participant will automatically receive a lump sum payment amount equal to the value of his or her account. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan administrator may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$166,141 and \$285,783, respectively. These accounts may be used to reduce future Employer contributions or pay administrative expenses. There were \$16,312 and \$0 forfeitures used to reduce administrative expenses for the years ended December 31, 2022 and 2021, respectively. There were \$275,068 and \$26,535 in forfeitures used to reduce Employer contributions for the years ended December 31, 2022 and 2021, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and qualified institutions. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make note repayments and the Plan administrator deems the participant note to be in default, the participant note is reduced and a benefit payment is recorded.

**DS SMITH NORTH AMERICA 401K PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Payments

Benefit payments are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Administrative expenses of the Plan are paid from excess revenue sharing, by the forfeitures account, or by charging participants' accounts. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. As of December 31, 2022 and 2021, the ERISA spending account totaled \$-0- and \$33,336, respectively. During the years ended December 31, 2022 and 2021, the Plan received \$15,000 of ERISA spending account revenue. During the years ended December 31, 2022 and 2021, the Plan used \$48,566 and \$69,441 of the ERISA spending account, respectively.

Subsequent Events

The Plan has evaluated subsequent events through September 18, 2023, the date the financial statements were available to be issued.

Effective January 1, 2023, the Plan was amended to remove the automatic increase provision for hourly union employees of DS Smith Packaging - Reading, DS Smith Reading Mill, and DS Smith Recycling and these employees will receive an employer matching contribution of 100% of employee deferrals up to 4% of eligible compensation and 50% of employee deferrals up to 2% of eligible compensation.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Empower Annuity Insurance Company (formerly known as Prudential Retirement Insurance and Annuity Company) and Prudential Bank and Trust F.S.B., the qualified institutions of the Plan, have supplied the Plan administrator with certifications as to the completeness and accuracy of notes receivable from participants and all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statements of changes in net assets available for benefits for the years then ended, and supplemental schedule of assets (held at end of year) as of December 31, 2022.

DS SMITH NORTH AMERICA 401K PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Account – Valued at the NAV of units as determined by the qualified institution. NAV is a readily determinable fair value and is the basis for current transactions. Transactions (purchases and sales) may occur daily.

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

In 2013, the Plan entered into a traditional fully benefit-responsive investment contract with Prudential Retirement Insurance and Annuity Company, now Empower Annuity Insurance Company (Empower). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.5%. The crediting rate is reviewed on a quarterly basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 PLAN TAX STATUS

The Plan is placing reliance on opinion letters dated April 29, 2014 and December 4, 2020, received from the IRS on the prototype plan indicating that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since relying on the prototype determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Annuity Insurance Company and Prudential Bank and Trust, F.S.B., the qualified institutions of the Plan, and therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 10 NONEXEMPT TRANSACTION

The Company failed to remit \$246,458, \$213, \$25,981, and \$39 of employee deferral contributions during the years ended December 31, 2019, 2018, 2017, and 2015, respectively, within the timeframe prescribed by the Department of Labor. These were deemed prohibited transactions in accordance with ERISA and the IRC.
