INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Country Music Foundation Profit Sharing 401(k) Plan
Nashville, TN

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT

We have performed an audit of the financial statements of Country Music Foundation Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTERS

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COUNTRY MUSIC FOUNDATION PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of Country Music Foundation Profit Sharing 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan, covering substantially all eligible employees of Country Music Foundation, Inc. (the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Board of Directors is responsible for oversight of the Plan.

Eligibility

All employees are eligible to participate in the Plan beginning the January 1, April 1, July 1 or October 1 after reaching age 21 and completing three months of service, as defined in the Plan document.

Participants are eligible for employer discretionary matching contributions upon completing one year of service.

Contributions

Each year, participants may elect to defer up to 75% of their eligible compensation, as defined in the Plan document. Participants may also contribute amounts representing distributions from other qualified plans. Participants may change their salary deferral percentage on a quarterly basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Employer may make discretionary matching contributions. For the year ended December 31, 2022, the Employer matched 50% of a participant's non catch-up contributions up to 6% of compensation. The Employer may also make certain discretionary contributions, as defined in the Plan document.

Eligible participants may designate a portion or all of their elective contributions as Roth contributions (after-tax contributions).

Contributions are subject to certain limitations in accordance with applicable regulatory requirements.

Participant accounts

Each participant's account is credited with the participant's contributions, allocations of Employer contributions and plan earnings, and reduced by an allocation of administrative expenses, any distributions and plan losses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

COUNTRY MUSIC FOUNDATION PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in Employer contributions is based on years of continuous service. Participants vest 20% per year after two years of service, resulting in 100% vesting after 6 years of credited service.

Investment options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Payment of benefits

Benefit distributions equal to a participant's vested account balance are payable to the participant or their beneficiaries upon normal retirement (age 60), death, disability or termination of employment. The method of distribution shall be determined by the Plan Administrator in accordance with the provisions of the Plan.

In-service withdrawals

In-service withdrawals are permitted by participants who have reached the age of 59 and 1/2 and are 100% vested. Early withdrawals may also be made in the case of financial hardship.

Notes receivable from participants

Notes receivable from participants are not permitted.

Forfeitures

Forfeitures result from termination of employment under circumstances which do not entitle the participant to be fully vested in his Employer contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$6,833 and \$48,617, respectively, and are available to reduce Employer contributions. Forfeitures of \$54,693 were used to reduce Employer contributions during 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the valuation policies utilizing information provided by the Custodian. See Note 5 for discussion of fair value measurements.

COUNTRY MUSIC FOUNDATION PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefit payments are recognized in the year paid.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Expenses

The Plan is responsible for its administrative expenses unless paid by the Employer. Expenses paid by the Employer are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Events occurring after reporting date

The Plan has evaluated events and transactions that occurred between December 31, 2022 and September 7, 2023, the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplementary information, including investments held at December 31, 2022 and 2021, and investment income for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified by Empower Annuity Insurance Company for the year ended December 31, 2022 and Great-West Trust Company, LLC as of December 31, 2021. Great-West Trust Company, LLC was the Custodian of the Plan as of December 31, 2021. Empower Annuity Insurance Company was the Custodian of the Plan for the year ended December 31, 2022.

COUNTRY MUSIC FOUNDATION PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 4 - INCOME TAX STATUS

The Plan has adopted a prototype plan (Prototype). The Prototype received its latest opinion letter on June 30, 2020, in which the IRS stated the Prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has not applied for a separate determination letter.

The Plan Administrator and the Plan's tax counsel believe the Plan and Prototype are designed and have been operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been provided in the financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax asset or liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

NOTE 5 - FAIR VALUE

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using unadjusted quoted prices from active markets for identical assets), Level 2 (not traded on an active market, but for which observable market inputs are readily available) and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value:

Mutual funds	Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
Collective trust funds	Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.
Fixed annuities	The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

COUNTRY MUSIC FOUNDATION PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes, by level, within the fair value hierarchy, investments measured at fair value on a recurring basis as of December 31, 2022 and 2021:

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,820,256	\$ -	\$ -	\$ 8,820,256
Fixed annuities	-	412,283	-	412,283
Total investments in the fair value hierarchy	8,820,256	412,283	-	9,232,539
Investments measured at net asset value (a)				2,051,130
Investments, at fair value	<u>\$ 8,820,256</u>	<u>\$ 412,283</u>	<u>\$ -</u>	<u>\$ 11,283,669</u>
	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,177,725	\$ -	\$ -	\$ 13,177,725
Fixed annuities	-	304,258	-	304,258
Investments, at fair value	<u>\$ 13,177,725</u>	<u>\$ 304,258</u>	<u>\$ -</u>	<u>\$ 13,481,983</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or the equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

COUNTRY MUSIC FOUNDATION PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient:

Investment	Fair Value at December 31, 2022	Fair Value at December 31, 2021	* Unfunded Commitment	* Redemption Frequency, if Eligible	* Redemption Notice Period
a) Targeted date retirement funds	\$ 2,026,581	\$ -	\$0	Daily	None
b) Balanced fund	\$ 24,549	\$ -	\$0	Daily	None

*Information noted in these columns is the same for each investment type for 2022 and 2021.

There are no participant redemption restrictions for these investments; the notice period is applicable only to the Plan. If the Plan initiates a full redemption of the account, the issuer reserves the right to require 12 months' notification in order to ensure that security liquidations will be carried out in an orderly business manner.

The description of the significant investment strategies for each category of investment in the collective trust funds follows:

- (a) The targeted date retirement funds seek the highest total return over time consistent with an emphasis on both capital growth and income. Reallocation is made to a more conservative asset mix as the targeted date of retirement approaches.
- (b) The balanced fund seeks provide the highest total return over time consistent with an emphasis on both capital growth and income.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in investment securities which are exposed to various risks, such as interest rate, credit and overall market risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

At December 31, 2022 and 2021, the Plan had a concentration of investments in two funds, which represented approximately 30% of total investments.

NOTE 7 - PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

Parties-in-interest are defined under United States Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Plan investments are held by the Custodian, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, rather than a direct payment.

These party-in-interest transactions are exempt from the prohibited transactions provisions of ERISA and the IRC.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
