Independent Auditor's Report

Plan Administrator
William Cumming Chevrolet 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of William Cumming Chevrolet 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of William Cumming Chevrolet 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of William Cumming Chevrolet 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about William Cumming Chevrolet 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of William Cumming Chevrolet 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about William Cumming Chevrolet 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules on pages 12 to 14 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WILLIAM CUMMING CHEVROLET 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

A. DESCRIPTION OF PLAN

Nature of Operations

The following description of the William Cumming Chevrolet (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement and the Summary Plan Description for a more complete description of the Plan’s provisions.

General

On June 1, 1985 the Board of the Plan’s sponsor, William Cumming Chevrolet (the Company), adopted a tax qualified employee savings and retirement plan covering the Company’s employees. The Plan is a defined contribution plan covering all full-time employees who have at least three months of service and have reached 20 years of age for elective deferral and employer matching. Eligibility for non-elective contributions is one year and 1,000 hours of service. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Pursuant to the Plan, Participants may elect to reduce their current compensation by up to the lesser of 100% of such compensation or the statutorily prescribed annual limit (\$20,500 and \$19,500 for the years ending 2022 and 2021, respectively) and have the amount of such reduction contributed to the Plan. Participants may also contribute amounts representing distributions from other qualified plans.

Participants age 50 years or older at the end of the plan year may make special catch-up contributions, up to a maximum of \$6,500 for the years ending December 31, 2022 and 2021, respectively.

The Company may decide to make regular matching contributions at a rate of 25% of up to 4% of employee deferrals. During the year ended December 31, 2022, the Company made discretionary matching contributions of \$29,140. The Company may decide each plan year whether to make a discretionary non-elective contribution on behalf of eligible employees. Such contributions are allocated, if made, in the ratio that each participant’s compensation compares to the compensation paid to all eligible employees during the Plan year.

Participant’s Accounts

Each participant’s account is credited with the participant’s contribution, employer matching contribution, an allocation of the Company’s discretionary contributions, and Plan earnings. Participant’s accounts are also charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances as defined. The benefits to which a participant is entitled are the benefits that can be provided from the participant’s vested account. Participant accounts are self-directed into pooled separate accounts.

Vesting

Participants are immediately vested in their voluntary contribution plus the actual earnings thereon. Employer matching and employer discretionary contributions are vested over a six-year period in 20% increments starting after the first year of service is completed.

WILLIAM CUMMING CHEVROLET 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

A. DESCRIPTION OF PLAN (continued)

Forfeited Accounts

Upon participant termination, non-vested employer contributions are forfeited and used to reduce Plan administrative expenses and or future employer contributions. At December 31, 2022 and 2021, the Plan had available \$76,910 and \$75,287 respectively, for use in future employer matching contributions or administrative fees. During both years ended December 31, 2022 and 2021, no forfeiture monies were used to fund employer contributions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the vested value of his or her account, or, annual installments over a life expectancy as defined in the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. The Plan pays certain expenses incurred related to the general administration of the plan. Forfeited, non-vested accounts can be applied to administrative expenses. The expenses paid using the Plan's assets will generally be allocated among the accounts of all participants in the Plan and are recorded as deductions in the accompanying statement of changes in net assets available for benefits. During the years ended December 31, 2022 and 2021, administrative expenses paid from the Plan's assets and included in these financial statements were \$30,637 and \$43,857, respectively. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to amend or discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested.

Participant Loans

Participants may not borrow from Plan assets; accordingly, there are no employee loans receivable at December 31, 2022 and 2021.

B. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual method of accounting.

WILLIAM CUMMING CHEVROLET 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

B. SIGNIFICANT ACCOUNTING POLICIES (continued)

Receivables

There were \$0 receivables from the Plan sponsor at both December 31, 2022 and 2021, respectively.

Payment of Benefits

Benefits are recorded when paid.

Valuation of Investments

The Plan's investments are stated at fair value. The interests in pooled separate accounts of insurance companies are valued based on quoted market prices, which represent the net asset values of the pooled separate accounts held by the Plan at year-end. See Note C.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the USA requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for plan benefits during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Subsequent events were evaluated by management through September 13, 2023, the date which financial statements were available to be issued.

C. FAIR VALUE MEASUREMENT

FASB, ASC 820 *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. All of the Plans investments as of December 31, 2022 and 2021 were valued using unadjusted quoted prices in active markets for identical assets or liabilities. Such investments are considered level one investments.

WILLIAM CUMMING CHEVROLET 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

D. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

E. INFORMATION CERTIFIED BY PLAN TRUSTEE

The Plan administrator has elected the method of compliance by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The Plan administrator has obtained certification from Empower Retirement, LLC and Massachusetts Mutual Life Insurance Company for the years ended December 31, 2022 and 2021, respectively, that the following information is complete and accurate:

- Investments had a fair value of \$3,657,362 and \$4,096,878 at December 31, 2022 and 2021, respectively, and are included in the schedule of assets held for investment purposes at the end of the plan year on page 12.
- Net investment gains (losses) were (\$702,920) and \$322,779 from pooled separate accounts and gains from dividends and interest were \$119,951 and \$191,591 for the years ended December 31, 2022 and 2021, respectively.

F. INVESTMENTS

The following investments represent 5 percent or more of net assets available for plan benefits as of December 31:

	2022	2021
JPMORGAN US GOVERNMENT MM INST	\$ 781,556	\$ 737,745
MFS GROWTH	421,276	596,512
AMERICAN FUNDS WM INVESTORS	369,726	381,943
BLACKROCK ISHARES RUSSELL SM CAP	332,800	420,182
JPMORGAN SMARTRETIREMENT 2030	336,848	421,315
BLACKROCK ISHARES MSCI EAFE INT	230,030	259,757
BLACKROCK ISHARES RUSSELL MD CP	223,370	274,321

BLACKROCK ISHARES S&P 500 INDEX	244,396	271,951
GOLDMAN SACHS HIGH YIELD	161,648	181,520

During 2022 and 2021, the Plan's investments (including gains and losses on investments sold, as well as held during the year) appreciated (depreciated) in value by (\$702,920) and \$322,779, respectively. All investments were held in Pooled Separate Accounts maintained by MassMutual.

WILLIAM CUMMING CHEVROLET 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

G. TRANSACTIONS WITH PARTY-IN-INTEREST

During 2022 and 2021, the Plan's investments were in separate pooled accounts managed and held by Empower Retirement, LLC and MassMutual, respectively. As described in Note B, the Plan paid certain expenses related to plan operations and investment activity to various service providers. Auditing fees paid by the Company on behalf of the Plan were \$7,650 and \$6,500 for the years ended December 31, 2022 and 2021, respectively. These transactions are party in interest transactions under ERISA.

H. INCOME TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes.

The Plan has obtained its latest determination letter from the Internal Revenue Service on March 31, 2008, which stated that the plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the Plan sponsor and the plan's tax counsel believe the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements. See Note I for a summary of amendments made since the date of the last IRS determination letter.

The Plan sponsor believes the plan is no longer subject to informational return examinations for years prior to 2019.

I. PLAN AMENDMENTS

From time to time, the Company has elected to amend the Plan. The following descriptions of the plan amendments provide only general information. Participants should refer to the Plan agreement for a more complete description of the plan amendments.

Effective July 1, 2018, the Plan was amended to make employer matching contributions discretionary. Effective January 1, 2014, the Plan was amended to change the eligibility age to 20 years old instead of 20.5 years old.
