INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators of the
American Textile Company, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the American Textile Company, Inc. 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT

(continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management, and was derived from and relates directly to, the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN TEXTILE COMPANY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of the American Textile Company, Inc. 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan was established January 1, 1985.

General

The Plan is a defined contribution profit sharing plan established to provide retirement benefits for substantially all eligible employees of American Textile Company, Inc. ("Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

An employee becomes eligible to participate in the Plan for the purpose of salary reduction and employer match after completing sixty days of employment. Employees may choose to increase (subject to the limitations discussed below), decrease, or stop contributions by filing the appropriate form with the Plan administrator. In addition, unless and until an eligible employee files a contrary election either to contribute at a rate other than 3% or to not participate in the Plan, the eligible employee is automatically enrolled into the Plan. Participants who are automatically enrolled into the Plan contribute 3% of their compensation into a Vanguard Target Retirement Fund commensurate with their projected retirement date. The deferral rate for participants that are automatically enrolled into the Plan is increased by 1% each year until a deferral rate of 5% is achieved.

Contributions

Participating eligible employees may elect to contribute up to 100% of their annual compensation, as defined in the Plan and subject to Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 by the end of the Plan year may also contribute catch-up contributions (limited to \$6,500 for both 2022 and 2021). Deferred salary contributions are reported as participant deferrals in the financial statements. In addition, participants who receive qualified distributions from another qualified plan may be able to rollover such distributions into the Plan.

Eligible participants receive Company matching contributions of 50% of the first 5% of the participant deferrals, which are reported as employer contributions in the financial statements.

Participants direct all contributions into various investment options offered by the Plan as discussed in Note 2.

AMERICAN TEXTILE COMPANY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Participant accounts

Each participant's account is credited with the participant's deferred salary contributions and allocations of the Company's matching contributions and Plan earnings based on the investment options elected by the participant. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants become 20% vested in the Company's matching contributions upon the completion of two years of service. Vesting increases 20% annually until 100% vesting occurs.

Administrative expenses

Administrative expenses that are not paid directly by the Company are paid out of Plan assets and reflected as administrative expenses in the statements of changes in net assets available for benefits.

Payment of benefits

Participants are entitled to withdraw any portion of their vested account prior to retirement due to disability, termination of employment, death, or hardship. Upon reaching normal retirement age, participants may elect distributions from their accounts via lump-sum cash payments or various installment methods.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

Loans

The Plan does not permit loans to participants.

AMERICAN TEXTILE COMPANY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Forfeited accounts

Forfeitures may be applied as reductions of Company matching contributions or administrative expenses. As of December 31, 2022 and 2021, there were \$4,906 and \$6,369, respectively, of non-vested forfeited amounts. During 2022 and 2021, employer contributions were reduced by \$92,140 and \$93,328, respectively, from previously forfeited non-vested accounts. During 2022 and 2021, administrative expenses were reduced by \$0 and \$1,147, respectively, from previously forfeited non-vested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment valuation and income recognition

The Plan's mutual fund investments are stated at fair value, determined by quoted market prices. The Plan's investment in a pooled separate account is tracked by participation units in sub-accounts offered by Transamerica Life Insurance Company ("Transamerica"), with each sub-account representing a mutual fund investment option. Each sub-account holds shares of a single underlying mutual fund, and the sub-accounts reinvest any mutual fund distributions received into additional shares of the underlying mutual fund. Thus, no distributions of dividends or interest are made to the participation unit holders. The participation unit values are adjusted daily by the custodian to reflect investment results based on the quoted market prices of the underlying mutual funds for the sub-accounts. The Plan's investment in the C.M. Life Insurance Company Pension Series Universal Life is presented at its cash surrender value as determined by Mass Mutual Insurance Company.

Investment transactions are accounted for on the trade date. Interest income is recorded as earned. All realized and unrealized gains and losses on investments recorded at fair value are included in net appreciation (depreciation) in fair value of investments reported within the statements of changes in net assets available for benefits.

The Plan provides for investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

AMERICAN TEXTILE COMPANY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of benefits

Benefits paid to participants are recorded when applications for withdrawals are processed and paid.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Reclassifications

Certain amounts previously reported in the December 31, 2021 financial statements have been reclassified to conform to the December 31, 2022 presentation.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 4, 2023, the date on which the financial statements were available to be issued.

NOTE 3 - TAX STATUS

The Plan is operating under a prototype non-standardized pre-approved profit sharing plan with CODA of Transamerica Retirement Solutions LLC. The most recent determination letter for the prototype non-standardized pre-approved profit sharing plan with CODA plan is dated June 30, 2020. In this letter, the Internal Revenue Service (“IRS”) stated that the Plan, as then designed, is in compliance with the applicable requirements of the IRC. Although amendments to the Plan have been made since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

In accordance with U.S. GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator is not aware of any uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) in the financial statements as of December 31, 2022. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for periods prior to 2019.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - INVESTMENTS

Fair value measurements

Market price observability is affected by a number of factors, including the type of investment and the characteristics specific to the investment. Investments with readily available active quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value. Investments measured and reported at fair value are classified and disclosed in one of the following categories based on the extent of market price observability.

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The Plan's investments in mutual funds and an interest bearing cash account are classified as Level I.

Level II – Pricing inputs are other than quoted market prices included in Level I, however are observable, either directly or indirectly for the investment. The Plan's investment in a pooled separate account is classified as Level II.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan's investment in an insurance policy is classified as Level III.

The valuations of the Plan's investments by the above fair value hierarchy levels as of December 31 are as follows:

	<u>Level</u>	<u>2022</u>	<u>2021</u>
Mutual funds	I	\$ 17,278,906	\$ 20,785,103
Interest bearing cash account	I	78,647	80,809
Pooled separate account	II	1,260,326	1,075,259
Insurance policy	III	<u>51,481</u>	<u>64,746</u>
		<u>\$ 18,669,360</u>	<u>\$ 22,005,917</u>

NOTE 5 - CERTIFICATION

The investment information contained in the financial statements and Schedule of Assets Held at End of Year, with the exception of the C.M. Life Insurance Company Pension Series Universal Life, has been certified as accurate and complete by Reliance Trust Company, the custodian of the Plan's assets for the years ended December 31, 2022 and 2021.

The Plan pays administrative expenses and fees to Transamerica that qualify as party-in-interest transactions.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of refundable excess contributions per the financial statements to the Form 5500 for the year ended December 31, 2022:

Participant deferrals per the Form 5500	\$ <u><u>1,704,385</u></u>

The financial statements present excess contributions as a reduction of contributions and a corresponding payable in the year the excess contributions were received into the Plan. However, the instructions for Schedule H of the Form 5500 state that excess contributions should be reflected as corrective distributions in the year in such amounts are distributed from the Plan, which is generally the year following the year in which the excess contributions were received into the Plan.
