INDEPENDENT AUDITOR'S REPORT

To The Administrative Committee of the
Agra Construction Co. 401(K) Plan
Merrill, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Agra Construction Co. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Agra Construction Co. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to the periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Agra Construction Co. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Agra Construction Co. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Agra Construction Co. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Agra Construction Co. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AGRA CONSTRUCTION CO. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - Plan Description

The following description of the AGRA Construction Co 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution 401(k) plan covering substantially all employees of Agra Industries, Inc., the parent, and its wholly-owned subsidiaries, Agra Construction Co., Agra Sales Engineering, Inc. and Merrill Fab, Inc. (Company). Employees are eligible to participate in the Plan on the first day of the plan year quarter coinciding with or next following the date of attaining age 19 and meeting the time service requirement within three consecutive months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, (ERISA), as amended.

The Plan covers all full-time employees of Agra Industries, Inc., the parent, and its wholly-owned subsidiaries, Agra Construction Co., Agra Sales Engineering, Inc. and Merrill Fab, Inc. and are related through common ownership.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined by the Plan. Participants may elect to have any portion, or all of their contributions designated as Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in the applicable target date fund until changed by the participant. The Company may, at its discretion, make a matching contribution in which it will match 100% of participant deferrals up to 1% and 50% of the next 5% of each participating employee's compensation. The Company contributed \$154,437 and \$137,130 to the Plan during 2022 and 2021, respectively. The Company, at the option of the Company's board of directors, may contribute an additional profit-sharing amount. No such additional contribution was made to the Plan during 2022 and 2021. Contributions are subject to certain IRS limitations.

See Independent Auditor's Report

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - Plan Description - Continued

Participant Accounts

Each participant's account is credited with the participant's contributions, Company's contributions and plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the company's contribution portion of their accounts is based on years of continuous service. Participants are 100% vested in the Company's safe harbor matching contribution. Participants are 100% vested in additional company contributions after 5 years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms generally range from one to five years, however, a longer repayment period may be permitted if the loan is for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at the market rate as determined at the time of the loan by the plan administrator. Principal and interest is paid ratably through biweekly payroll deductions.

Payments of Benefits

Active participants may elect a lump sum in-service or hardship distribution as eligible according to the plan document. On termination of service due to death, disability or retirement, a participant may elect to receive a lump sum amount equal to the value of his or her account. However, if the value of the vested benefit is less than \$5,000, a lump-sum distribution will be made regardless of whether or not an election has been made.

Administration

The Company is the administrator of the Plan and has appointed Retirement Strategies as recordkeeper. Woodtrust Bank was custodian for the periods ending December, 31, 2022 and 2021. The custodian is responsible for investing and safekeeping the majority of the assets of the Plan.

See Independent Auditor's Report

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 - Significant Accounting Policies

Accounting Method

The Plan's financial statements are prepared on the accrual basis of accounting.

Forfeitures

Forfeited non-vested accounts may be used to reduce any employer contributions. Forfeitures totaled \$198 and \$1,488 for 2022 and 2021, respectively, and were used to reduce employer contributions or plan expenses. Unused forfeitures at December 31, 2022 and 2021 totaled \$75 and \$212, respectively.

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Expenses

Administrative expenses may be paid either by the Plan or by the Company. Expenses paid by the company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

AGRA CONSTRUCTION CO. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 - Significant Accounting Policies - Continued

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure in the financial statements through 10/02/2023 the date on which the financial statements were available to be issued.

NOTE 3 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 4 - Investments

The individual investments that represent five percent or more of the plan's net assets available for benefits are as follows:

Note 5 – Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan classifies its investments into a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The following is a brief description of those three levels:

Level 1 – Quoted prices in active markets for identical assets or liabilities

Level 2 – Inputs that are derived principally from or corroborated by observable market data

Level 3 – Inputs that are unobservable and significant to the overall fair value measurement

Investment assets measured using either the net asset value (NAV) per share practical expedient or contract value are not categorized in the fair value hierarchy.

The following table sets forth, by Level within the fair value hierarchy, the Plan's investment assets at fair value for the years ended December 31, 2022 and 2021, respectively:

	As of December 31, 2022

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 6 - Tax Status

The Company adopted a prototype non-standardized profit-sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2008 which stated that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 7 - Information Certified by Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's custodian, Woodtrust Bank, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- a. The investments and notes receivable from participants as shown in the statements of Net Assets Available for Benefits.
- b. The investment income and interest income on notes receivable from participants as shown in the Statement of Changes in Net Assets Available for Benefits.
- c. The investments and notes receivable from participants as shown in the Schedule of Assets (Held at End of Year).

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related amounts included in the financial statements and supplemental schedule.

NOTE 8 - Party-In-Interest Transactions

Certain Plan investments are shares of mutual fund sub-accounts and a guaranteed interest account managed by Woodtrust Bank, the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. In addition, trust services and other administrative services are provided by Retirement Strategies and, therefore, these transactions qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 8 - Party-In-Interest Transactions - Continued

Fees paid by the Plan for investment management, trust services and other administrative services are included under administrative expenses on the statement of changes in net assets available for benefits for the year ended December 31, 2022. Fees paid by the Plan for the investment management services amounted to \$47,056 and \$50,920 for the years ended December 31, 2022 and 2021, respectively.

Certain employees and officers of the Plan sponsor, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

NOTE 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Coronavirus Disease 2019 (COVID-19) has recently affected global markets, supply chains, employees of companies, and our communities. Specific to the Plan, COVID-19 may impact various parts of its 2022 or future financial results. Management believes the Company is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as of December 31, 2022.
