INDEPENDENT AUDITOR'S REPORT

October 4, 2023

To the Trustees of
Construction Administration Network, LLC
Employees Savings and Prevailing Wage Plan:

Opinion

We have audited the accompanying financial statements of the Construction Administration Network, LLC Employees Savings and Prevailing Wage Plan (the Plan) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Construction Administration Network, LLC Employees Savings and Prevailing Wage Plan as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Construction Administration Network, LLC Employees Savings and Prevailing Wage Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Construction Administration Network, LLC Employees Savings and Prevailing Wage Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Construction Administration Network, LLC Employees Savings and Prevailing Wage Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Construction Administration Network, LLC Employees Savings and Prevailing Wage Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) at December 31, 2022, Schedule I, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CONSTRUCTION ADMINISTRATION NETWORK, LLC EMPLOYEES SAVINGS AND PREVAILING WAGE PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. THE PLAN

The following description of the Construction Administration Network, LLC Employees Savings and Prevailing Wage Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Rifenburg Construction, Inc. and its affiliates (Rifenburg Contracting Corp, Marcy Excavation Services, LLC, New Castle Asphalt, LLC, Park East Sales, LLC, and Construction Administration Network, LLC), collectively referred to as "Company," who are not covered under a collective bargaining agreement and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions and Contributions Receivable

Contributions to the Plan may include profit sharing, employee 401(k) deferrals, Roth deferral contributions, Company matching, and wage rate contributions.

Eligible employees may contribute up to 75% of their income (not exceeding dollar limitations set by law) into the Plan under 401(k) and Roth provisions. Participants are 100% vested in their 401(k) and Roth contributions. The Company matches a percentage of a participant's 401(k) contribution. This percentage is discretionary and is determined each year. The percentage is applied to contributions based on the first 6% of the participants' eligible compensation. The company match is only available for participants who do not receive a wage rate contribution.

The Company may make a profit sharing contribution for eligible employees. The amount of the profit sharing contribution, if any, is determined by the Board of Directors at its sole discretion each year. The Company is not required to make any profit sharing contribution for any year.

Wage rate contributions are made for each eligible participant while working on construction jobs located in New York State. 15% of the gross eligible wages of a participant are contributed to the Plan on their behalf. Participants are 100% vested in their wage rate contributions.

At December 31, 2022 and 2021 the details of the employer and participant portion of the contributions receivable were as follows:

	<u>2022</u>	<u>2021</u>
Employer match	\$ 629,461	\$ 833,225
Employer wage rate contribution	4,408	5,882
Participant contribution	<u>16,363</u>	<u>11,348</u>
Total contribution receivable	<u>\$ 650,232</u>	<u>\$ 850,455</u>

1. THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with an allocation of (a) the employee's contributions (b) the Company's contribution, (c) Plan earnings/(losses), and (d) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions and wage rate contributions, plus actual earnings thereon.

Vesting in the Company's contributions, including profit sharing and the 401(k) match, plus earnings thereon, is based on years of continuous service. A participant is 100 percent vested after six years of credited service in line with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

At December 31, 2022 and 2021, forfeited amounts from nonvested accounts totaled \$31,816 and \$24,613, respectively. Each year, the balance of forfeited nonvested accounts is used to partially fund the employer matching contributions.

Investment Options

The Plan entered into an agreement with Charles Schwab Bank (the custodian of the Plan) whereby the custodian directs new contributions, in accordance with the participant's election, into a choice of twenty-four mutual funds and one stable value collective trust fund.

Participants may change their investment options daily.

Payment of Benefits

On termination of service, a participant will receive an amount equal to the value of the participant's vested interest in his or her account in a qualified joint and survivor annuity, unless the participant elects to receive the amount in a lump sum, installment arrangement, or life annuity.

Administrative Expenses

The majority of Plan administrative expenses are paid by the Plan. The primary administrative expenses incurred for 2022 and 2021 were investment advisory/management fees and professional fees.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

Payment of Benefits

Benefits to terminated participants are recorded when paid.

Financial Instruments Measured at Fair Value

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in mutual funds, and insurance contracts.

Fair Value Measurement - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value and classifies into a three level hierarchy based on the nature of the inputs. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Level 2 valuations are based on inputs, other than quoted prices included within Level 1 that are observable either directly or indirectly. Level 3 valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of non-observable inputs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments Measured at Fair Value (Continued)

Fair Value Measurement - Definition and Hierarchy (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Money market and mutual funds: Valued at the net asset value of shares held at year-end based on quoted market prices.

Stable value collective trust fund: Valued based on the fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund.

Cash surrender value of life insurance: Valued at the current cash surrender value of the individual whole life insurance policies, which approximates fair value.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan was provided asset classification by the Plan record keeper, The Howard E. Nyhart Company, Inc. (part of FuturePlan by Ascensus).

3. INVESTMENTS

Except for its insurance policies with insurance companies, the Plan's investments are held in a bank-administered trust fund. The following tables present a breakdown of the Plan's investments at fair value as of December 31, 2022 and 2021.

At December 31, 2022, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 515,886	\$ -	\$ -	\$ 515,886
Mutual funds	43,965,981	-	-	43,965,981
Cash surrender value of life insurance	-	-	38,839	38,839
Total assets measured within fair value hierarchy	44,481,867	-	38,839	44,520,706
Stable value collective trust fund measured at NAV	-	-	-	1,852,506
Total investments at fair value	<u>\$44,481,867</u>	<u>\$ -</u>	<u>\$ 38,839</u>	<u>\$46,373,212</u>

3. INVESTMENTS (CONTINUED)

At December 31, 2021, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 879,431	\$ -	\$ -	\$ 879,431
Mutual funds	52,080,047	-	-	52,080,047
Cash surrender value of life insurance	-	-	38,565	38,565
Total assets measured within fair value hierarchy	52,959,478	-	38,565	52,998,043
Stable value collective trust fund measured at NAV	-	-	-	2,203,306
Total investments at fair value	<u>\$52,959,478</u>	<u>\$ -</u>	<u>\$ 38,565</u>	<u>\$55,201,349</u>

In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Investments measured using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>
Stable value collective trust fund	\$ 1,852,506	n/a	Daily	12 months
<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>
Stable value collective trust fund	\$ 2,203,306	n/a	Daily	12 months

3. INVESTMENTS (CONTINUED)

Investments measured using the Net Asset Value per Share Practical Expedient (Continued)

The Plan invests in the Morely Stable Value Fund, a stable value collective trust fund whose underlying assets are fully benefit-responsive investment contracts. This stable value fund seeks to provide preservation of capital and relatively stable returns by investing primarily in short-term investments and investment-grade stable value investment contracts. The underlying investments of the Morley Stable Value Fund consist of Conventional Guaranteed Investment Contracts ("GICs") and Synthetic Guaranteed Investment Contracts (wrap contracts) and cash equivalents. The GICs are typically issued with a fixed crediting rate and a fixed maturity date that does not change over the life of the contract. Whereas wrap contracts typically reset on a monthly or quarterly basis as negotiated with the issuer and do not have a final stated maturity date. Gains and losses on the underlying portfolio are amortized over the duration of the investment, through adjustments to the future interest-crediting rate.

A number of factors can influence future crediting rates of wrap contracts, which may include but are not limited to: portfolio cash flows, underlying portfolio performance, current market interest rates for reinvestment, duration posture, change in credit ratings, default or bankruptcy by an asset or wrap issuer, the unexpected receipt of principal and interest payments, extraordinary withdrawals and certain wrap contract terms, including wrap fees.

Cash Surrender Value of Life Insurance

The Plan's investments in Cash Surrender Value of Life Insurance are insurance contracts between the Plans' participants and Reliastar and Phoenix Home Life Insurance Company. The cash surrender value is reported at fair value, which is the aggregation of cash surrender value for each individual policy. The insurance companies calculate the cash surrender value based on each individual's insurance policy.

The plan administrator assesses and approves the fair value measurement policies and procedures applied in the measurement of fair value on a continuing basis.

The following table represents the Plan's level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs.

Type	Fair Value	Valuation Technique
Cash surrender value of life insurance	<u>2022</u> \$ 38,839	Cash surrender value calculated for each individual insurance policy
	<u>2021</u> \$ 38,565	

3. INVESTMENTS (CONTINUED)

Cash Surrender Value of Life Insurance (Continued)

The following is a reconciliation of the beginning and ending balances for the Plan's investments measured at fair value on a recurring basis using significant unobservable inputs (Level 3) during 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Level 3 inputs balance January 1,	\$ 38,565	\$ 149,951
Life insurance policies distributed	-	(112,143)
Increase in cash surrender value of life insurance	<u>274</u>	<u>757</u>
Level 3 inputs balance December 31,	<u>\$ 38,839</u>	<u>\$ 38,565</u>

4. INSURANCE POLICIES

A number of Plan participants elected to purchase individual life insurance contracts as permitted by the Plan. Plan management chose Reliastar and Phoenix Home Life Insurance Company to provide these services. Purchasing insurance policies is no longer allowed in the Plan.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. PARTY-IN-INTERST AND RELATED-PARTY TRANSACTIONS

Charles Schwab Bank is the Plan's custodian and Construction Administration Network, LLC is the plan sponsor. As such, transactions between Charles Schwab Bank, Construction Administration Network, LLC, and the Plan qualify as parti-in-interest transactions. As of December 31, 2022 and 2021, all of the Plan's assets were invested with Charles Schwab Bank, the Plan's custodian.

7. TAX STATUS

The Plan is tax-exempt under Section 401(b)(3) of the Internal Revenue Code. The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 4, 2023, which is the date the financial statements were available to be issued.
