## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors and Plan Administrator  
R & D Maintenance Services, Inc. 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of R & D Maintenance Services, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Information Required by ERISA**

The supplemental information, schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## R & D MAINTENANCE SERVICES, INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

#### Note 1 – Description of the Plan

R & D Maintenance Services, Inc. (the Company or Employer) sponsors the R & D Maintenance Services, Inc. 401(k) Plan (the Plan). The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### General

The Plan is a defined contribution plan established for the benefit of the Company's employees, except for nonresident aliens with no U.S. sourced income, and employees of the J. Strom Thurmond Lake project. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan's trustees are responsible for the oversight of the Plan. Effective August 2, 2022, Great-West Trust Company, LLC (Great-West Trust) was renamed Empower Trust Company, LLC. Empower Trust Company, LLC (the Custodian) holds the Plan assets. Empower Retirement LLC maintains the records of the participant data. Prior to August 2, 2022, Great-West Trust held the Plan assets.

##### Eligibility

Nonexcluded employees who have reached 18 years of age and have completed three months of service are eligible to participate in the Plan and may enroll on May 1 or November 1 after satisfying the eligibility requirements.

##### Contributions

Participants may contribute up to 90% of their compensation, as defined in the Plan document, as pretax deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan provides for Employer safe-harbor nonelective contributions of 3% of each eligible participant's compensation.

Additional amounts may be contributed by the Employer under the Plan's nonelective provisions at the discretion of the Company's board of directors. The Employer contributed 3% of each participant's eligible compensation, up to \$27,540, plus 2% of each participant's eligible compensation greater than \$27,540 as nonelective Employer contributions for the year ended December 31, 2022.

Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain limitations of the Internal Revenue Code (the Code).

##### Participant accounts

Each participant's account is credited with participant contributions, Employer contributions, and allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses

that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are vested immediately in their contributions and Employer contributions plus actual earnings thereon.

#### Payment of benefits

Upon retirement, termination, disability, or death, a participant, or his or her beneficiary in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon termination, automatic distributions are required for balances of less than \$5,000. Automatic distributions above \$1,000 made without the participant's consent are rolled into an individual retirement account designated by the Custodian.

#### Forfeitures

Forfeitures are used to restore participant balances previously forfeited, to pay Plan administrative expenses, or to reduce Employer contributions, as determined by the Plan sponsor. The Plan had \$613 and \$545 in unallocated forfeitures as of December 31, 2022 and 2021, respectively. For the year ended December 31, 2022, forfeitures in the amount of \$11,000 were used to pay Plan administrative expenses.

#### Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan assets. Investment expenses netted against investment income represent amounts associated with the net expense ratios of the investments in the Plan's fund lineup. The Plan participates in an agreement with the Custodian, where excess revenue may be returned and deposited into an unallocated expense account. The amounts in the unallocated expense account may be used to pay reasonable and necessary Plan expenses or may be allocated to participants. There were \$432 and \$176 of unallocated funds in the expense account as of December 31, 2022 and 2021, respectively. For the year ended December 31, 2022, the Plan used \$750 from the expense account to pay certain Plan expenses.

### **Note 2 – Summary of Significant Accounting Policies**

#### Basis of accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

#### Use of estimates

The preparation of the financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan

management determines the Plan's valuation policies utilizing information provided by the Custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

#### Payment of benefits

Benefit payments are recorded when paid. There were no benefits requested before year-end that were not paid.

#### Subsequent events

The Plan administrator has evaluated subsequent events through September 21, 2023, the date the financial statements were available to be issued.

### **Note 3 – Information Certified by the Plan's Custodian**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data included in the accompanying financial statements and supplemental information is complete and accurate:

- Investments as shown on the statements of net assets available for benefits as of December 31, 2022 and 2021;
- Net investment activity as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022;
- Investment information included in the footnotes and on the supplemental schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.

### **Note 4 – Fair Value Measurements**

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

---

Level 1 –	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
-----------	---

---

---

Level 2 – Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.

---

Level 3 – Significant unobservable inputs.

---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodology used as of December 31, 2022 and 2021. During the year ended December 31, 2022, there were no transfers of financial instruments into or out of Level 3. Following is a description of the valuation methodology used for assets measured at fair value:

*Mutual funds* – Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of:

	Fair value measurements as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds and total investments at fair value	\$ 6,789,224	\$ -	\$ -	\$ 6,789,224
	Fair value measurements as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds and total investments at fair value	\$ 7,607,073	\$ -	\$ -	\$ 7,607,073

#### Note 5 – Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

Certain fees incurred by the Plan are included in net depreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan also made direct payments to service providers which were not covered by revenue sharing.

**Note 6 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**Note 7 – Tax Status**

The Company adopted a Preapproved Defined Contribution Plan (the Preapproved Plan) sponsored by Datair Employee Benefit Systems Inc. The Internal Revenue Service has determined and informed the Preapproved Plan sponsor by a favorable opinion letter dated June 30, 2020, that the Preapproved Plan is designed in accordance with the applicable sections of the Code. The Preapproved Plan's opinion letter is being relied on by the Plan. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

**Note 8 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported on the statements of net assets available for benefits.
