INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Sponsor of the
Macon Orthopaedic & Hand Center, P.A.
401(K) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Macon Orthopaedic & Hand Center, P.A. 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Macon Orthopaedic & Hand Center, P.A. 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and 2021, and for the years then ended, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Macon Orthopaedic & Hand Center, P.A. 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Macon Orthopaedic & Hand Center, P.A. 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Macon Orthopaedic & Hand Center, P.A.401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Macon Orthopaedic & Hand Center, P.A.401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4i, Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF PLAN

The Macon Orthopaedic & Hand Center, P.A. 401(K) Profit Sharing Plan (the “Plan”) was established under an agreement effective as of January 1, 1989 and was amended and restated effective January 1, 2021. The Plan is a defined contribution plan which provides retirement benefits for substantially all employees of Macon Orthopaedic & Hand Center, P.A. (“Employer”).

The following provides general information regarding the more pertinent features of the Plan. Participants should refer to the Summary Plan Description and the Plan document for a more complete description of the Plan:

- a. The Plan provides for employer safe-harbor, nonelective contributions for the benefit of all eligible employees of the employer equal to 3% of eligible participant compensation. In addition, the Employer may make discretionary profit-sharing contributions that are allocated based on a participant’s compensation. Generally, plan participants must be employed on the last day of the year and have completed one year of service to be eligible for safe harbor and discretionary profit-sharing contributions. If termination during a year is due to death, disability or retirement the participant is eligible for a discretionary profit-sharing contribution for that year.
- b. Participants are 100% vested in their employee and employer safe harbor contributions. Plan assets prior to January 1, 2014 are also 100% vested. Participants vest in employer discretionary profit sharing contributions in accordance with the following schedule:

2 Year	20%
3 Year	40%
4 Year	60%
5 Year	80%
6 Year	100%

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. If termination during a year is due to death or total and permanent disability, the participant becomes fully vested.

- c. Forfeitures are allocated to participants remaining in the Plan as employer contributions.
- d. Eligibility is granted on January 1 or July 1 after one year of service.

MACON ORTHOPAEDIC & HAND CENTER, P.A.
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

- e. Participants are permitted to contribute up to 100% of their eligible compensation as pre-tax or Roth 401(k) deferrals. The maximum that a participant could contribute to the Plan during 2022 and 2021 was \$20,500 and \$19,500, respectively. Participants aged 50 and over were eligible to make catch-up contributions during 2022 and 2021 of up to \$6,500. Participants may change the percentage they contribute on the first day of January or the first day of July.
- f. Employee and employer contributions of all non-physician employees and certain physician employees are allocated to participant-directed investments in pooled separate accounts selected by John Hancock Retirement Plan Services. Income, losses, and changes in market value of these investments are reflected in daily market valuations of the accounts. Rollover contributions from qualified plans and Individual Retirement Accounts may be accepted into the Plan at the discretion of the Plan's Administrator.
- g. Administrative expenses are generally paid by the employer but may be allocated to all participants based on account balances or an equal dollar amount to each participant.
- h. Participants may request loans from the Plan. The loans are secured by the balance in the participant's account and bear interest at rates prevailing at inception of the loan.
- i. Although the Employer intends for the Plan to be permanent, the Employer has the right to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. In the event of Plan termination, participants would become 100% vested in their employer profit sharing contributions.
- j. Distributions to participants are made in lump sum payments. Participants may receive in-service distributions after age 59½.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investments - Investments are carried at fair values determined by reported values in active markets. Increases and decreases in fair value of investments are reflected in the financial statements as appreciation or depreciation of investments.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants – Notes receivable from participants are collateralized by participants' accounts and are measured at their unpaid principal balances plus any accrued and unpaid interest. Principal and interest is paid ratably through monthly payroll deductions. As of December 31, 2022, and 2021, no allowance for doubtful accounts has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits – Benefits are recorded when paid.

Subsequent Events – Subsequent events were evaluated through October 6, 2023, which is the date the financial statements were issued. Management has determined that no subsequent event disclosures are required.

NOTE C - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

NOTE D - INFORMATION CERTIFIED BY CUSTODIAN

The Plan administrator has elected, as permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure Under the Employee Retirement Income Security Act of 1974, to have certain financial information in the accompanying financial statements certified by John Hancock Retirement Plan Services. The following information included in the Plan's financial statements was prepared by the custodian and furnished to the Plan administrator:

NOTE E - FAIR VALUE MEASUREMENTS

The accounting guidance for determining the fair value of certain assets and liabilities establishes a three-level hierarchy that prioritizes the types of assumptions used for measuring fair value. Level 1 inputs are quoted prices in active markets for identical assets or liabilities and are considered the most reliable evidence of fair value. Level 2 inputs are observable prices that are not quoted on active exchanges. Level 3 inputs are unobservable assumptions used for determining fair value and are considered the least reliable inputs for measuring fair value. The guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. The Plan determined the fair value of its mutual funds and other equity and securities investments based on quoted market prices for identical assets (Level 1). The Plan valued real estate partnerships, annuities, and other assets using other observable inputs (Level 2). The Plan had no items valued using Level 3 inputs.

Mutual funds are valued at the daily closing NAV price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These securities are classified as Level 1. Investments in mutual funds generally may be redeemed daily.

The Plan had \$22,588,694 and \$26,572,337 of investments in participation units held in pooled separate accounts through sub-accounts of an insurance company at December 31, 2022, and 2021, respectively. Investments in pooled separate accounts are valued on a per unit market value basis as determined by John Hancock, which reflects the fair value of the investments comprising the separate pooled funds.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022, and 2021.

In accordance with Subtopic 820-10, pooled separate account investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE F - FORFEITURES

At December 31, 2022 and 2021, forfeited nonvested accounts were approximately \$3,200 and \$7,100, respectively, and are included in cash equivalents in the statement of net asset available for benefits. The forfeited nonvested balances were used, or will be used, to reduce employer contributions.

NOTE G - RELATED PARTY TRANSACTIONS

John Hancock Retirement Plan Services is custodian for the Plan assets offered through John Hancock U.S.A. The Plan invests in pooled separate accounts managed by John Hancock. Transactions and these investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

NOTE H - TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the Plan sponsor by a letter dated September 30, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to tax examinations for years prior to 2019.
