INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
The Binding Site, Inc. 401(k) Retirement Savings Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Binding Site, Inc. 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (an "ERISA 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Binding Site, Inc. 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Binding Site, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Binding Site, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Binding Site, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Binding Site, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule (Schedule H, Part IV, Line 4(i) as of December 31, 2022), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE BINDING SITE, INC. 401(K) RETIREMENT SAVINGS PLAN

Notes to Financial Statements December 31, 2022

NOTE 1. DESCRIPTION OF PLAN

The Binding Site, Inc. 401(k) Retirement Savings Plan (the "Plan") is a defined contribution plan established on October 1, 1990. The Plan is sponsored by The Binding Site, Inc. (the "Company") to allow eligible employees of the Company and The Binding Site VT, Inc., a participating employer, as defined, to adopt a regular program of savings for retirement. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and the Internal Revenue Code ("IRC"). Significant elements of the Plan are summarized below. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Eligibility

Employees become eligible for purposes of making elective deferral contributions upon attaining age 21. Plan entry dates are the first day of each calendar quarter coincident with or next following the date on which an employee meets the eligibility requirements. The following employees are generally not eligible to participate in the Plan:

- Employees whose compensation and conditions of employment are established by the terms of a collective bargaining agreement;
- Non-resident aliens who receive no earned income from sources within the United States;
- Employees not reported on the Company's payroll records because they are considered independent contractors by the Company.

To be eligible for employer safe harbor nonelective contributions and discretionary profit-sharing contributions, an employee must attain age 21 and complete one year of service, as defined in the Plan document.

Participant Contributions

Eligible participants may contribute up to 100% of pretax eligible compensation as defined by the Plan. In addition, employees who are age 50 or older can elect to defer additional amounts (called "catch-up contributions") to the Plan. Participants may also contribute amounts representing rollover distributions from other qualified sources.

Employer Contributions

The Company makes employer safe harbor nonelective contributions on an annual basis equal to 3% of each eligible employee's eligible compensation. For 2022, the Company made employer safe harbor nonelective contributions in the amount of \$359,453. This amount was remitted to the Plan by the Company in quarterly payments in April, July, and October of 2022, with the final payment in January 2023. Included in employer contributions receivable as of December 31, 2022 is \$108,199 related to the Company's fourth quarter 2022 safe harbor contribution.

The Company may also make discretionary profit-sharing contributions to the Plan. For 2022, the Company authorized a profit-sharing contribution to eligible employees of The Binding Site, Inc. in the amount of \$648,244 net of forfeitures applied of \$54,931. The net amount of \$593,313 was remitted to the Plan by the Company in quarterly payments in April, July, and October of 2022, with the final payment in January 2023. Included in employer contributions receivable as of December 31, 2022 is \$165,356 related to the Company's fourth quarter 2022 profit sharing contribution.

Although allowable under the Plan, no discretionary matching contributions were made for 2022.

THE BINDING SITE, INC. 401(K) RETIREMENT SAVINGS PLAN

Notes to Financial Statements December 31, 2022

NOTE 1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, any employer matching or profit sharing contributions, an allocation of any employer nonelective contributions and Plan earnings (or losses), and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Individual participant accounts are also charged for any loan and distribution fees applicable to the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, participants direct their accounts to any or all of the investment options offered by the Plan. Subsequently, participants may change their allocations and transfer account balances among the investment options offered by the Plan.

Vesting

Participants are immediately vested in their contributions and in employer safe harbor nonelective contributions plus actual earnings thereon. Participants are also always 100% vested in any employer qualified nonelective contributions. Vesting in discretionary profit sharing contributions and discretionary matching contributions is based on years of credited service, as defined in the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeitures

Forfeitures may be used to pay administrative expenses of the Plan or to reduce employer contributions. During 2022, amounts totaling \$54,948, including \$302 of investment earnings, were added to the forfeitures account. During 2022, forfeitures of \$116,905 were used to reduce employer profit-sharing contributions. As of December 31, 2022 and 2021, forfeitures of \$33,461 and \$95,418, respectively, were available for future use.

Notes Receivable from Participants (Participant Loans)

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum generally equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with prevailing commercial loan rates for similar periods. The interest rate will be based on the prime interest rate at the time a participant applies for a loan, plus one percent. Principal and interest on loans are paid regularly through payroll deductions over a period not to exceed five years unless the loan was used for the purchase of a principal residence, in which case, the loan term may extend up to 30 years. Loans become due and payable on a participant's termination of employment with the Company. As of December 31, 2022, the interest rate on outstanding notes receivable from participants ranged from 4.25% to 5.75%.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Upon termination of service due to death, disability, or normal retirement (age 65), and/or meeting qualifications for hardship as defined, participants are entitled to receive a distribution of their account in a lump sum or defer distribution if their vested account balance exceeds \$1,000. For termination of service for other reasons, a participant may also receive the value of the vested interest in his or her account as a lump-sum distribution. Pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE" Act), which became law on December 20, 2019, participants may defer taking distributions as follows:

- If a participant reached the age of 70½ in 2019, the participant may defer receiving distributions until the later of April 1, 2020, or the April following the calendar year in which the participant retires;
- If a participant reaches the age of 70½ in 2020 or later, the participant may defer receiving distributions until the later of the April following the calendar year in which the participant reaches age 72 or retires.

The Plan also allows for in-service distributions for participants who have attained age 59½. Additionally, at its discretion, the Plan may elect to distribute vested account balances of less than \$1,000.

In February 2018, Congress passed the Bipartisan Budget Act (the "Act"). Among other things, the Act provides relief with regard to hardship withdrawal requirements including the following: (1) a participant will not be required to obtain a plan loan before requesting a hardship withdrawal, (2) a participant's deferral contributions will not be suspended after receipt of a hardship withdrawal, and (3) earnings on elective deferral contributions in a participant's account will be eligible for hardship withdrawal purposes. The provisions of the Act may be implemented operationally beginning January 1, 2019 prior to formally amending the Plan document. Effective January 1, 2020, the Plan adopted the provisions of the Act with respect to hardship withdrawal requirements.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates and Investment Risk

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes in net assets available for benefits. Actual results could differ from those estimates.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur and such changes could materially affect participant account balances and the amounts reported in the accompanying financial statements.

Notes to Financial Statements December 31, 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants (Participant Loans)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the investments in the guaranteed investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends, which are included in net realized and unrealized appreciation or depreciation in the fair value of pooled separate accounts, are recorded on the ex-dividend date. Net realized and unrealized appreciation or depreciation in the fair value of pooled separate accounts includes the Plan's gains and losses on investments sold during the year as well as held at year end.

The guaranteed investment contracts are fully benefit-responsive investment contracts reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for further discussion of the guaranteed investment contracts.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan. Fees related to the administration of notes receivable from participants and the processing of distributions are charged directly to the account of the transacting participants and are included in administrative expenses. Investment-related expenses related to registered investment companies and guaranteed investment contracts are included in the net realized and unrealized appreciation or depreciation in the fair value of pooled separate accounts and administrative expenses, respectively.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through the date of the independent auditors' report, which is the date these financial statements were available to be issued (Note 11).

NOTE 3. INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule (Schedule H, Part IV, Line 4i), including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation or depreciation in fair value of investments and interest income, including interest from notes receivable from participants, for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Voya Retirement Insurance and Annuity Company, the custodian of the Plan.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs are unadjusted, quoted market prices in active markets for identical assets or liabilities at the measurement date.

Level 2 – Inputs are either directly or indirectly observable for the asset or liability through correlation with related market data at the measurement date and for the duration of the instrument's anticipated life.

Level 3 – Inputs are both unobservable and significant to the overall fair value measurement for the asset or liability at the measurement date. These inputs reflect Plan management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and in the inputs to the model.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments measured at fair value at December 31, 2022 and 2021. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Valued at the unit value of shares held by the Plan. Unit value is based upon the observable net asset value of the underlying investments on the last business day of the Plan year as determined and published by an outside agency.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 16,415,736	\$ -	\$ 16,415,736
Total investments at fair value	\$ -	\$ 16,415,736	\$ -	\$ 16,415,736

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 22,207,276	\$ -	\$ 22,207,276
Total investments at fair value	\$ -	\$ 22,207,276	\$ -	\$ 22,207,276

NOTE 5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in the Voya Fixed Account and the Voya Fixed Account (4062) (the "Contracts"), fully benefit-responsive group annuity investment contracts issued by Voya Retirement Insurance and Annuity Company ("VRIAC"). The Contracts are not a portfolio of contracts whose yields are based on changes in the fair value of underlying assets, but are rather single group annuity contracts with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned, or the interest credited, on the group annuity contract.

Contributions to VRIAC under this contract are maintained in a general account that is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contracts are included in the financial statements at contract value as reported to the Plan by VRIAC. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value. There are no reserves against contract value for credit risk.

The interest crediting rates are determined on a monthly basis and are calculated based upon many factors, including current economic and market conditions, the general interest rate environment, and purchases and redemptions by unit holders. The guaranteed minimum rate under the contract is 1%. An employer-level surrender of the Plan's interest in the Contracts for reasons other than the payment of benefits to participants may be subject to a market value adjustment and a surrender charge.

Notes to Financial Statements December 31, 2022

NOTE 5. INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan sponsor does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The Contracts define the circumstances and amounts for which the contracts may be terminated by the Plan.

NOTE 6. PARTY-IN-INTEREST / RELATED PARTY TRANSACTIONS

Certain of the Plan's operating expenses are paid by the Company. The Company also provides administrative services for the Plan at no cost to the Plan. Certain investments are managed by the custodian/trustee of the Plan. These transactions qualify as exempt party-in-interest transactions.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provision of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 8. TAX STATUS

The Company has adopted a non-standardized pre-approved profit-sharing plan and relies upon the opinion letter from the Internal Revenue Service ("IRS"), which states that, in its opinion, the pre-approved plan and related trust are designed in accordance with applicable sections of the Code. The Company has not applied for a determination letter from the IRS specific to the Plan. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain investments are classified differently on the Form 5500 from how they are disclosed in the financial statements. For financial statement purposes, investments at fair value are disclosed as consisting of pooled separate accounts (Note 4). Although the investments meet the definition of pooled separate accounts, because the custodian doesn't separately report its pooled separate account assets to the Department of Labor, these investments are categorized according to their underlying investments (registered investment companies) rather than as pooled separate accounts on Schedule H of the Form 5500.

NOTE 10. SECURE 2.0 ACT

On December 29, 2022, the SECURE 2.0 Act of 2022 (the "SECURE Act 2.0") became law. The purpose of the legislation is to expand access to retirement plans and to help working Americans increase their retirement savings. The SECURE Act 2.0 includes various required and optional provisions that will become effective between 2023 and 2033, certain of which are described below:

- Beginning in 2023, the age for required minimum distributions will increase from age 72 to 73. Beginning in 2033, the age for required minimum distributions will increase from age 73 to 75.
- Beginning in 2026, catch-up contributions will be made on a Roth basis, unless the participant earns \$145,000 or less.
- Beginning January 1, 2025, a participant from the ages 60 to 63 can elect catch-up contributions up to the greater of \$10,000 or 150% of the catch-up contribution limit imposed by the IRS.
- Starting January 1, 2025, long-term part-time workers (defined as employees who have worked for two consecutive 12 month periods during each of which they have at least 500 hours of service) will become eligible to enroll in their employer's retirement plan after two years.

Additionally, Plan management has not yet determined which of the optional provisions, if any, the Plan will implement. Plan management expects to formally amend the Plan by December 31, 2025.

NOTE 11. SUBSEQUENT EVENTS

On October 31, 2022, Thermo Fisher Scientific Inc. ("Thermo Fisher") announced an agreement to acquire The Binding Site Group. On January 3, 2023, Thermo Fisher announced the completion of its acquisition. In connection with the sale of the Company, the Plan is expected to be merged into the Thermo Fisher Scientific Inc. 401(k) Retirement Plan in January 2024.
