INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and
RMC Retirement Committee
Riverside Medical Clinic, Inc.
401(k) Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Riverside Medical Clinic, Inc. 401(k) Profit-Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

HALLIDAY
& COMPANY

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a - Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Riverside Medical Clinic, Inc. 401(k) Profit-Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institutions. In our report dated June 20, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RIVERSIDE MEDICAL CLINIC, INC.
401(k) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Riverside Medical Clinic, Inc. 401(k) Profit-Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan providing benefits to all permanent employees of Riverside Medical Clinic, Inc., Riverside Medical Clinic Patient Services, LLC, and the Riverside Medical Clinic Foundation, (collectively, the Company or Plan Sponsor) who are age twenty-one or older and have completed 60 days of employment. All eligible employees are automatically enrolled in the Plan unless they elect otherwise. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (IRC or the Code), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. As of November 1, 2021, Riverside Medical Clinic Patient Services, LLC employees are no longer able to participate in the Plan due to a partial termination of the Plan. See Note 11 for more information.

Administration

The Company has appointed a plan administrator to manage the operation and administration of the Plan. The Company has contracted with Empower, which refers to the products and services offered by Great-West Life & Annuity Insurance Company and its subsidiaries, including Empower Retirement, LLC, (Empower) to act as the custodian, the third-party administrator, and recordkeeper. The Reliance Trust Company acts as a custodian for certain Plan assets. The RMC Retirement Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute a percentage of their compensation not to exceed the maximum allowable amount as defined by the IRC. Participants may make pre-tax contributions and/or Roth contributions to the Plan and participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan online with Empower. The Company may contribute matching and/or discretionary amounts to be determined solely at the discretion of the Company's board of directors.

Participant Accounts

Each participant's account is credited with the participants' contributions and their allocations of (a) Company contributions, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

RIVERSIDE MEDICAL CLINIC, INC.
401(k) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes from Participants

Participants may borrow from their account a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates that range from 3.25 percent to 5.5 percent, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest is paid ratably through monthly payroll deductions. Loans may be taken for no longer than five years unless the proceeds of the loan are used to acquire a dwelling unit in a reasonable period of time after the receipt of the funds.

Investment Options

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. The Plan currently offers various types of pooled separate accounts, common collective trusts, insurance policies, a guaranteed interest fund, and various other types of investments through a self-directed brokerage account as investment options for the participants.

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the participants' profit-sharing accounts is based on years of service. A year of service is given for each Plan year in which a participant performs 1,000 or more hours of service. After two years of service, a participant becomes 20 percent vested. Each service year thereafter will increase the participant's vesting by 20 percent, with 100 percent vesting after six years.

Payment of Benefits

A participant who attains normal retirement age of 65, completes six years of service, or who retires because of disability shall have a vesting percentage of 100 percent. These participants shall be entitled to receive a distribution of the entire value of their participant's account as a single lump sum. Participants who terminate employment shall be entitled to a distribution of their vested accrued benefits in the same manner. If an active participant dies prior to attaining normal retirement age, his vesting percentage shall be 100 percent. Hardship distributions are available under the Plan pursuant to IRC requirements. The Plan may elect to distribute accounts of terminated participants with an aggregate value of \$1,000 or less if the participant has not made an election to distribute their balance within 180 days of termination.

Forfeited Accounts

Forfeited balances are used to reduce Employer's contributions. Forfeitures of \$1,600 and \$255,000 were used to reduce the amount of the Company profit sharing contributions for the years ended December 31, 2021, and 2020, respectively. Forfeited balances were \$97,085 and \$188,014 at December 31, 2021 and 2020, respectively.

Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

RIVERSIDE MEDICAL CLINIC, INC.
401(k) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, with the exception of the Plan's Stable Asset Guaranteed Interest Contract (SAGIC) guaranteed interest fund and life insurance policies owned by participants, which are measured at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought or sold as well as held during the year.

The Plan offers the SAGIC, a commingled pool managed by Mass Mutual Retirement Services (MMRS), a wholly owned subsidiary of Empower, which strives to preserve principal while earning a level of interest income consistent with principal preservation. The portfolio maintains, but cannot guarantee, a stable net asset value. The yield of the portfolio will fluctuate. Interest rates credited to participants were 2.93% and 3.17% for the years ended December 31, 2021 and 2020 respectively.

Investments in the portfolio include short-term bonds and other fixed-income securities such as United States Treasury bonds, government agency securities, corporate bonds, mortgage-backed securities, commercial mortgage-backed securities, asset-backed securities, and derivative instruments, including futures, options and swaps. The portfolio recognizes gains and losses over time, instead of immediately, by adjusting the interest rate credited to the portfolio. The portfolio may invest in investment contracts offered by insurance companies and other approved financial institutions that provide for the payment of a specified rate of interest to the portfolio and the repayment of principal at maturity. All investments in the portfolio must satisfy the credit quality standards of MMRS.

Because the SAGIC is backed by a fully benefit-responsive contract, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator believes that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is not probable. As indicated in Note 11, effective November 1, 2021, Plan participants employed by Riverside Medical Clinic Patient Services, LLC are no longer able to actively participate in the Plan; however, their assets can remain in the Plan. This event does not limit the ability for participants to transact with the SAGIC at contract value.

Notes Receivable from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to administration of notes from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) No. 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC No. 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

RIVERSIDE MEDICAL CLINIC, INC.
401(k) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Registered investment companies (mutual funds): Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Pooled Separate Accounts: Units held in pooled separate accounts (PSA) are valued using the net asset value (NAV) practical expedient of the PSA as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a PSA is calculated based on a compilation of primarily observable market information. The PSAs can be redeemed daily, there are no restrictions or penalties on redemption and there are no unfunded commitments. The Plan invests in PSAs which are non-direct filing entities (non-DFE). See Note 9 for the investment strategies of these PSAs.

Self-directed brokerage account: Valued at the closing price reported on the active market on which the individual securities are traded.

Common collective trusts (CCT): Valued at the NAV of units of a common-collective trust, the value is computed based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. NAV is computed daily, and redemptions and purchases are transacted at the day's computed NAV. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The CCT funds can be redeemed daily, there are no restrictions or penalties on redemption and there are no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – NONCERTIFIED INVESTMENTS

The Plan holds life insurance contracts that are not certified by the Custodians. These assets are allocated to participants, who are responsible for self-directing these investments.

At December 31, 2021 and 2020 assets held by the Plan within self-directed brokerage accounts that were noncertified totaled \$1,682,498 and \$848,936, respectively. Net depreciation in the value of noncertified investments (which represents the difference between premium payments for the purchase of the policies and the current cash surrender value) totaled \$141,438 for the Plan year ended December 31, 2021.

NOTE 5 – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIANS

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, for the year ended December 31, 2021, Great West Life & Annuity Insurance Company (Custodian), a custodian of the Plan, has certified the completeness and accuracy of the assets listed in the table below and the supplemental Schedule H, Line 4i -Schedule of Assets (Held at End of Year), except for registered investment companies which are certified by Reliance Trust Company (Trustee). For the year ended December 31, 2020, Massachusetts Mutual Life Insurance, a custodian of the Plan, certified the completeness and accuracy of the assets listed in the table below.

	December 31,	
	2021	2020
Investments		
Registered investment companies, at fair value (mutual funds)	\$ 11,938,896	\$ 10,555,401

Notes receivable from participants	<u>\$ 1,212,848</u>	<u>\$ 1,439,928</u>

For the year ended December 31, 2021, in relation to the investments noted above, the Custodian/Trustee also certified the completeness and accuracy of \$16,637,138 of net appreciation in fair value of investments and \$1,852,640 of interest and dividend income as well as interest income on participant notes receivable of \$52,085 which are reflected in the statement of changes in net assets available for Plan benefits.

NOTE 6 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Sponsor by letter that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great West Life & Annuity Insurance Company and its subsidiaries, also referred to as Empower Retirement or, simply, Empower, and Reliance Trust Company. Empower and Reliance Trust Company are the custodians of the Plan and, therefore, these transactions qualify as party in interest. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 10 – NON-EXEMPT TRANSACTIONS

During the year ended December 31, 2021, the Plan Sponsor failed to deposit \$21,384 of participant contributions within the required timeframe as stated by the United States Department of Labor's regulations. The Plan Sponsor intends to correct the error fully as required by relevant regulations.

NOTE 11 – PARTIAL TERMINATION

Effective November 1, 2021, Plan participants employed by Riverside Medical Clinic Patient Services, LLC (RMCPS) are no longer able to actively participate in the Plan due to RMCPS being wholly acquired. Their assets in the Plan were not required to be distributed as part of this event and the affected participants were immediately 100% vested in balances attributed to them as of November 1, 2021.

NOTE 12 – SUBSEQUENT EVENTS

In October of 2022, the Plan contracted with Principle Life Insurance Company to act as the custodian, third-party administrator, and recordkeeper in replacement of Empower.

The Plan has evaluated subsequent events through October 5, 2023, the date the financial statements were available to be issued.
