INDEPENDENT AUDITORS' REPORT

To the Trustees and Administrative Committee of
Performance Blasting & Coating Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed an audit of the accompanying financial statements of Performance Blasting & Coating Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Performance Blasting & Coating Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Performance Blasting & Coating Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the

relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements under the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Performance Blasting & Coating Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Performance Blasting & Coating Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Performance Blasting & Coating Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes – Modified Cash Basis as of the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PERFORMANCE BLASTING & COATING INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of Performance Blasting & Coating Inc. 401(k) Plan, the ("Plan"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. A copy of the Plan Document is available at the Company's office.

General: The Plan is a defined contribution plan covering non-highly compensated employees of the Company who have reached the age of twenty-one and have one year of service. The Plan is a type of qualified retirement plan commonly referred to as a 401(k) Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, participants may contribute as little as one percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Match Contributions: The Plan provides for a Safe Harbor Employer matching contribution. For the Plan years ended December 31, 2022 and 2021, the Employer made Safe Harbor matching contributions to the Plan on behalf of participants in an amount equal to 100% of participants' elective deferrals up to 3% of eligible compensation plus 50% of elective contributions between 3% and 5% of eligible compensation up to a maximum of 4% of eligible compensation. Additionally, the company, at the discretion of the company's board of directors, may contribute amounts based on the percentage of each contributing participant's elective deferral.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, and Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and the employer safe harbor match plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts, plus actual earnings thereon are based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Notes Receivable from Participants: Participants may borrow from their fund accounts, a minimum of $1,000 up to a maximum of $100,000 or 100 percent of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest rates ranging from 5.25 percent to 9 percent, which is commensurate with local prevailing rates as determined by the Plan administrator. Participants are only allowed one outstanding loan at any time. Principal and interest are paid ratably through payroll deductions.

NOTE 1: DESCRIPTION OF PLAN (continued)

Payment of Benefits: All distributions from the Plan will be in one lump-sum payment in cash. If the vested benefit under the Plan exceeds $5,000, then the participant must consent to the distribution before it may be made. If the vested benefit under the Plan does not exceed $5,000, then the benefit will be distributed as a direct rollover to an individual retirement account. If the vested account balance is less than or equal to $1,000, the Plan permits involuntary lump sum cash distributions.

Forfeited Accounts: At December 31, 2022 and 2021, forfeited non-vested accounts totaled $-0- and $-0- respectively. If there are forfeited non-vested accounts, they can be used to reduce future employer contributions or applied to fees incurred by the plan.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the modified cash basis of accounting. That is, the asset amounts are reflected on a cash basis except for the contributions. The contributions are reported on a plan year accrual basis.

Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the modified cash basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022, and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Costs of the Plan: Most of the administrative costs of the Plan are absorbed by the plan.

NOTE 3: PLAN INVESTMENTS

During the plan year ended December 31, 2022, the Plan's investments (including gains and losses in investments bought and sold, as well as held during the year) depreciated $1,342,885.

NOTE 4: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 5: INFORMATION PREPARED AND CERTIFIED BY PLAN CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Plan's recordkeeper in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 as of December 31:

	2022	2021
Investments, at fair value		
In Mutual Funds	$ 6,108,858	$7,083,010
Participant loans	117,758	142,235
	$ 6,226,616	$7,225,245

The information included in the financial statements and accompanying supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by John Hancock Insurance Company (USA).

NOTE 6: TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 7: AMOUNTS ALLOCATED TO WITHDRAWN PARTICIPANTS WITH BALANCES

At December 31, 2022 and 2021, net assets available for plan benefits included $-0- and $-0-, respectively for distributions to participants who have terminated employment from the Plan sponsor prior to the end of the Plan year, but have not received their distribution as of the Plan year.

NOTE 8: RELATED PARTY TRANSACTONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by John Hancock Life Insurance Company, (USA), (John Hancock). John Hancock is the record keeper as defined by the Plan and, therefore, these investments qualify as party-in-interest transactions. Fees paid by the Plan for investment management services for the year ended December 31, 2022, amounted to $21,434.

NOTE 9: FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, The Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence for fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs are not available. No Level 2 or 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the units held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

		Fair Value Measurements at the End of the Reporting Period Using
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2022		
Mutual Funds	$ 6,108,858	$ 6,108,858
Total assets in the fair value hierarchy	$ 6,108,858	$ 6,108,858
December 31, 2021		
Mutual Funds	$ 7,083,010	$ 7,083,010
Total assets in the fair value hierarch	$ 7,083,010	$ 7,083,010

NOTE 9: FAIR VALUE MEASUREMENTS (continued)

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2022 are reported in net appreciation/(depreciation) in fair value of investments.

NOTE 10: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

There are no reconciling items between the financial statements and Schedule H of Form 5500.

NOTE 11: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 12: PLAN RESTATEMENT

On January 1, 2022, the Plan was restated to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. The IRS opinion letter dated June 30, 2020 stated the form of the plan document is acceptable by employers for the benefit of their employees under Internal Revenue Code (IRC) Section 401.

NOTE 13: SUBSEQUENT EVENTS

Subsequent events were evaluated through September 25, 2023, which is the date the financial statements were available to be issued.
