INDEPENDENT AUDITOR'S REPORT

September 26, 2023

To the Plan Administrator of the
Wenco Industries, Inc. 401(k) Plan
Colorado Springs, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Wenco Industries, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Reliance Trust Company, a qualified institution as of December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate to the best of their knowledge and belief.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator of the
Wenco Industries, Inc. 401(k) Plan
September 26, 2023

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator of the
Wenco Industries, Inc. 401(k) Plan
September 26, 2023

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator of the
Wenco Industries, Inc. 401(k) Plan
September 26, 2023

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WENCO INDUSTRIES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

A. Plan Description:

The following description of the Wenco Industries, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

General:

The Plan is a participant-directed defined contribution plan sponsored by Wenco Industries, Inc. (the Company) covering all employees of the Company who are age 21 or older once they have completed three months of service. It is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended. The Plan's trustee and custodian is Reliance Trust Company and the Plan's record keeper is Automatic Data Processing, Inc.

Contributions:

Each year, participants may contribute up to 90 percent of pretax annual compensation, as defined in the Plan. The Plan utilizes an automatic deferral provision where eligible participants will begin deferring 3 percent of eligible compensation immediately after becoming eligible to participate in the Plan. Participants may elect out of the automatic enrollment. Participants may also elect to make Roth contributions utilizing after-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their current contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust as investment options for participants. Matching and profit sharing company contributions are discretionary as determined by the Company's executives. Participants are eligible for matching and profit sharing contributions after completing one year of service (defined as 1,000 hours during the measurement period). The company contributions are invested as directed by the participant. Contributions are subject to certain limitations.

Participant Accounts:

Each participant's account is credited with the participant's contribution, allocation of the Company's contribution and plan earnings and any fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

A. Plan Description (Continued):

Vesting:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing employer contribution portion of their accounts plus earnings is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Forfeited Accounts:

Nonvested participants' accounts that are forfeited upon termination of service or excess employer contributions forfeited are used at the discretion of the plan administrator and can be utilized to pay plan expenses or reduce employer contributions. No forfeiture amounts were utilized in the years ending December 31, 2022 and 2021. The unallocated forfeiture balance was \$5,889, and \$4,326 as of December 31, 2022 and 2021, respectively.

Notes Receivable from Participants:

Participants may borrow from their participant accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the Wall Street Journal Prime Rate plus 2.0 percent. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits:

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her vested account or defer receipt (any balances under \$5,000 will be forced out). The Plan allows for in-service withdrawals after reaching age 63.5 (participant contributions and fully vested employer contributions) or 65 (employer contributions) and for any amounts considered rollover contributions. The Plan also allows hardship distributions and distributions to participant who are disabled.

B. Summary of Accounting Policies and Investments:

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis of accounting.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

WENCO INDUSTRIES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

B. Summary of Accounting Policies and Investments (Continued):

Use of Estimates:

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition:

Except for the common collective trust described below, the Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the trustee. See *Note D* for discussion of fair value measurements. Automatic Data Processing, Inc. (ADP) is used for the investment of contributions. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Net realized and unrealized appreciation is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

One of the investment options offered by the Plan, the Invesco Stable Asset Fund (the Stable Asset Fund), is a common collective trust that invests primarily in investment contracts. The Plan reports its investment in the Stable Asset Fund at the net asset value of the units held by the fund at year-end as a practical expedient. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The Stable Asset Fund is not subject to any withdrawal restrictions and distributions may be taken at any time. The Plan has no unfunded commitments relating to the Stable Return Fund at December 31, 2022 and 2021.

Investment Options:

Participants direct the investment of their contributions into various mutual fund investment options offered by the Plan. Participants may change their investment options at any time.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

The Company absorbs administrative and operating costs of the Plan. Certain management services are paid by the Plan and recorded as fees in the accompanying statement of changes in net assets available for benefits.

WENCO INDUSTRIES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

C. Information Certified by the Plan's Trustee:

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, for the years then ended December 31, 2022 and 2021, Reliance Trust Company (Reliance), the Trustee of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate to the best of their knowledge and belief:

- Investments and notes receivable from participants as shown in the accompanying statement of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income (loss) and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the years end December 31, 2022 and 2021.
- Investments and notes receivable from participants as shown in the accompanying supplemental information as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

D. Fair Value Measurements:

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

WENCO INDUSTRIES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

D. Fair Value Measurements (Continued):

The three levels of the fair value hierarchy under FASB ASC 820 are:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for identical or similar assets or liabilities in active or inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability or that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end as they are required to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

WENCO INDUSTRIES, INC. 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****D. Fair Value Measurements (Continued):**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Fair Value Measurements at December 31, 2022				
2022	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 1,457,609</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,457,609</u>
Collective trust at NAV**				<u>13,767</u>
Total				<u>\$ 1,471,376</u>

Fair Value Measurements at December 31, 2021				
2021	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 1,491,183</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,491,183</u>
Collective trust at NAV**				<u>89,129</u>
Total				<u>\$ 1,580,312</u>

**In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

E. Related Party Transactions:

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan incurs expenses related to general administration, record keeping and trust administration. As a result, the Plan paid \$22,441 and \$20,092 to Automatic Data Processing, Inc. (ADP), during the years then ended December 31, 2022 and 2021, respectively. The Company provides certain administrative services at no cost to the Plan.

WENCO INDUSTRIES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

F. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

G. Plan Tax Status:

The Plan operates under a non-standardized pre-approved profit sharing plan provided by ADP, LLC. This prototype plan document has been filed with the appropriate agency. The pre-approved plan has obtained a favorable opinion letter, dated October 6, 2020, from the Internal Revenue Service stating that the pre-approved plan constitutes a qualified plan under Section 401 of the Internal Revenue Code and that the related trust was tax-exempt. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements for the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management performs an annual analysis of the Plan's various tax positions, assessing the likelihood of those positions being upheld upon examination by relevant taxing authorities. Management believes the Plan has conducted its operations in accordance with applicable income tax reporting requirements, and has properly maintained its tax-exempt status, and has taken no material uncertain tax positions that qualify for recognition or disclosure in the financial statements.

H. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

I. Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits as reported on the financial statements to Form 5500 (Annual Return/Report of Employee Benefit Plan) as of December 31, 2022 and 2021.

	2022	2021
