Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Arrow Strategies, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Arrow Strategies, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Arrow Strategies, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the

audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Arrow Strategies, LLC 401(k) Plan 's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Arrow Strategies, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Arrow Strategies, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Arrow Strategies, LLC 401(k) Plan for the year ended December 31, 2022 and 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ARROW STRATEGIES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS For the years December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

The following description of the Arrow Strategies, LLC 401k (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Arrow Strategies, LLC and Arrow Healthcare Staffing LLC (the "Companies"). All employees who are 21 years of age are eligible for Plan participation when they have completed 6 months of service. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors are responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Each year, participants may contribute a percentage of their annual compensation, not to exceed the limits of the Internal Revenue Code. Participants who are age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make a rollover contribution from another tax-qualified plan. Eligible employees are automatically enrolled in the Plan after 6 months of employment at a contribution rate of 3% of their annual eligible compensation. Eligible employees may choose not to participate by declaring their intentions to do so prior to their initial enrollment date. For 2022 and 2021, the Companies chose to contribute a fifty percent matching contribution up to \$1,000. The total of the accrued companies contribution receivable for 2022 and 2021 is \$0.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions into a common collective trust, various mutual funds and a money market offered by the Plan. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Companies' contribution, Plan earnings, and charged with all allocation of investment gains or losses, withdrawals and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Any rollover contributions plus or minus actual earnings or losses also have full and immediate vesting. Vesting in the Companies' contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after four years of credited service.

Forfeitures

Forfeitures of non-vested Companies contributions are used to reduce future Companies contributions. During 2022 and 2021, \$64,280 and \$130,884, respectively, of the forfeited participant accounts were used to reduce the Companies' contributions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

For the years ended December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts at a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest of 4.25 to 8% which is generally consistent with interest rates charged for similar types of loans by other lenders. Principal and interest payments are paid ratably through bi-monthly payroll deductions. Interest payments made on the loans are credited as earnings to the participant's account balance. All loans are repaid within a period of five years and have maturity dates through September 2027.

Benefit Payments

The Plan provides for payment of 100% of the account balance to participants upon normal retirement at age 59 1/2, death, or total and permanent disability.

Participants terminating employment for any other reason are entitled to receive the value of the vested interest in his or her account as a lump sum distribution.

A retired or disabled participant is entitled to receive a distribution under the Plan, the custodian will pay the benefit in annual installments or a lump sum payment. Upon termination of service due to death, the beneficiary or estate may receive the distribution in a lump sum payment or annual installments over the life of the beneficiary, depending on the named beneficiary.

Administrative Expenses

The Plan's administrative expenses, including fees for loan administration, distribution fees and redemption fees are paid by the related Plan participant. The Plan's investment expenses, if any, are charged to the participant accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements.

Basis of Accounting – Accounting principles Generally Accepted in the United States of America

The accompanying financial statements are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

ARROW STRATEGIES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

For the years ended December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. The common collective trust fund is valued on the fair value of the underlining investments held less its liability. Money market funds are stated at cost, which approximates market value. Notes Receivable from Participants are valued at their outstanding amortized balances, which approximates fair value. No allowance for loan losses has been recorded as of December 31, 2022 or 2021.

Unrealized appreciation or depreciation in the aggregate fair value of investments represents the change in the difference between aggregate fair value and the cost of investments, including reinvestment of earnings. The realized gain or loss on sale of investments is the difference between the proceeds received and the average cost of investments sold.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investment in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments for such investments.

Note Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Contributions

Contributions from employees are recorded as they are withheld from participant's wages.

Payment of Benefits

Benefit payments to participants are recorded and paid.

Administrative Expenses

The 2022 audit fees were paid by the Companies and are therefore not recognized as an expense in these financial statements. The 2021, audit fees were paid by the plan in the amount of \$ 13,550.

Other administrative expenses of the Plan are paid by the Plan, as provided in the Plan document. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

ARROW STRATEGIES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

For the years ended December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Uncertain Tax Positions

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2022 and 2021, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan's income tax returns are subject to examination by the appropriate regulatory authorities and the Plan's federal tax returns generally remain open for the last 6 years.

Evaluation of Subsequent Events

Management has evaluated subsequent events through October 3, 2023, the date the financial statements were available to be issued.

NOTE C – INVESTMENTS INFORMATION AND INFORMATION CERTIFIED BY THE CUSTODIAN

Information certified by the custodian – The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under this election, no audit procedures have been performed with respect to information certified as complete and accurate by the custodian of the Plan, Reliance Trust Company. The unaudited information included in the accompanying financial statements and supplemental schedules, which are certified by the custodian, is summarized below.

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Mutual funds/common/collective trusts	\$ 4,904,645	\$ 5,500,720
Notes receivable from participants	\$ 28,066	\$ 17,523
Net investment income (loss)	\$ (959,352)	\$ 755,413

NOTE D – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Merrill Lynch Pierce Fenner & Smith (Merrill Lynch). Merrill Lynch is also the investment trustee; management and advisory services were reflected as a reduction in net appreciation of the fair value of investments. Reliance Trust Company and Merrill Lynch are considered custodians of the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for the investment management fees and services amounted to \$29,802 in 2022 and \$37,036 in 2021.

ADP Retirement Services charges a fee to participants who take a distribution or loan from the plan. The fees paid from participants to ADP Retirement Services were \$41,651 in 2022 and \$44,679 in 2021. ADP Retirement Services is the Third Party Administrator and therefore, these transactions qualify as party-in-interest.

Jenkins, Magnus, Volk, and Carroll, P.C. served as the auditor of the plan. The fees were paid by the Plan \$0 in 2022 and \$13,550 in 2021. These transactions qualify as party-in-interest transactions.

Berger, Gheri and LaDuke PLC is currently serving as the auditor of the plan. No fees were paid by the Plan for 2022 and 2021, respectively. These transactions qualify as party-in-interest transactions.

An officer of the Companies serves as plan administrator of the Plan.

ARROW STRATEGIES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

For the years ended December 31, 2022 and 2021

NOTE E – INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Companies by a letter dated March 31, 2008, that the Plan and related trust is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Companies may determine.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE H – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under ASC 820-10 are described below.

Basis of Fair Value Measurement:

Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 Quoted prices in market that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

A financial instrument's level within fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

ARROW STRATEGIES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

For the years ended December 31, 2022 and 2021

NOTE H – FAIR VALUE MEASUREMENTS (CONTINUED)

- Common collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchase and sales) may occur daily. Were the Plan to initiate a full redemption of the common collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables are presented based on the assumption that the investments are measured at net asset as a practical expedient.

NOTE J – SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.
