

Form 5500 Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Annual Return/Report of Employee Benefit Plan This form is required to be filed for employee benefit plans under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and sections 6057(b) and 6058(a) of the Internal Revenue Code (the Code). ▶ Complete all entries in accordance with the instructions to the Form 5500.	OMB Nos. 1210-0110 1210-0089 2022 This Form is Open to Public Inspection
---	---	--

Part I	Annual Report Identification Information
For calendar plan year 2022 or fiscal plan year beginning <u>01/01/2022</u> and ending <u>12/31/2022</u>	
A This return/report is for:	☐ a multiemployer plan ☐ a multiple-employer plan (Filers checking this box must attach a list of participating employer information in accordance with the form instructions.) ☒ a single-employer plan ☐ a DFE (specify) ____
B This return/report is:	☐ the first return/report ☐ the final return/report ☐ an amended return/report ☐ a short plan year return/report (less than 12 months)
C If the plan is a collectively-bargained plan, check here.	☐
D Check box if filing under:	☒ Form 5558 ☐ automatic extension ☐ the DFVC program ☐ special extension (enter description)
E If this is a retroactively adopted plan permitted by SECURE Act section 201, check here.	☐

Part II Basic Plan Information —enter all requested information		
1a Name of plan <u>IRC 403(B) RETIREMENT SAVINGS PLAN</u>	1b Three-digit plan number (PN) ▶	<u>002</u>
2a Plan sponsor's name (employer, if for a single-employer plan) Mailing address (include room, apt., suite no. and street, or P.O. Box) City or town, state or province, country, and ZIP or foreign postal code (if foreign, see instructions) <u>INTERNATIONAL RESCUE COMMITTEE, INC</u> <u>122 EAST 42ND STREET</u> <u>NEW YORK, NY 10168-1299</u>		
1c Effective date of plan <u>10/01/2003</u>		
2b Employer Identification Number (EIN) <u>13-5660870</u>		
2c Plan Sponsor's telephone number <u>212-551-2914</u>		
2d Business code (see instructions) <u>813000</u>		

Caution: A penalty for the late or incomplete filing of this return/report will be assessed unless reasonable cause is established.

Under penalties of perjury and other penalties set forth in the instructions, I declare that I have examined this return/report, including accompanying schedules, statements and attachments, as well as the electronic version of this return/report, and to the best of my knowledge and belief, it is true, correct, and complete.

Form 5500 (2022)
v. 220413

3a Plan administrator's name and address ☒ Same as Plan Sponsor		3b Administrator's EIN
		3c Administrator's telephone number
4 If the name and/or EIN of the plan sponsor or the plan name has changed since the last return/report filed for this plan, enter the plan sponsor's name, EIN, the plan name and the plan number from the last return/report: a Sponsor's name c Plan Name		4b EIN 4d PN
5 Total number of participants at the beginning of the plan year		5 3204
6 Number of participants as of the end of the plan year unless otherwise stated (welfare plans complete only lines 6a(1) , 6a(2) , 6b , 6c , and 6d).		
a(1) Total number of active participants at the beginning of the plan year		6a(1) 2273
a(2) Total number of active participants at the end of the plan year		6a(2) 3005
b Retired or separated participants receiving benefits		6b 0
c Other retired or separated participants entitled to future benefits.....		6c 1153
d Subtotal. Add lines 6a(2) , 6b , and 6c		6d 4158
e Deceased participants whose beneficiaries are receiving or are entitled to receive benefits.		6e 0
f Total. Add lines 6d and 6e		6f 4158
g Number of participants with account balances as of the end of the plan year (only defined contribution plans complete this item).....		6g 4158
h Number of participants who terminated employment during the plan year with accrued benefits that were less than 100% vested.....		6h 195
7 Enter the total number of employers obligated to contribute to the plan (only multiemployer plans complete this item)		7
8a If the plan provides pension benefits, enter the applicable pension feature codes from the List of Plan Characteristics Codes in the instructions: 2F 2G 2L 2M 2S 2T 3H 3D		
b If the plan provides welfare benefits, enter the applicable welfare feature codes from the List of Plan Characteristics Codes in the instructions:		
9a Plan funding arrangement (check all that apply) (1) ☐ Insurance (2) ☐ Code section 412(e)(3) insurance contracts (3) ☒ Trust (4) ☐ General assets of the sponsor		9b Plan benefit arrangement (check all that apply) (1) ☐ Insurance (2) ☐ Code section 412(e)(3) insurance contracts (3) ☒ Trust (4) ☐ General assets of the sponsor
10 Check all applicable boxes in 10a and 10b to indicate which schedules are attached, and, where indicated, enter the number attached. (See instructions)		
a Pension Schedules (1) ☒ R (Retirement Plan Information) (2) ☐ MB (Multiemployer Defined Benefit Plan and Certain Money Purchase Plan Actuarial Information) - signed by the plan actuary (3) ☐ SB (Single-Employer Defined Benefit Plan Actuarial Information) - signed by the plan actuary		b General Schedules (1) ☒ H (Financial Information) (2) ☐ I (Financial Information – Small Plan) (3) ☐ A (Insurance Information) (4) ☒ C (Service Provider Information) (5) ☐ D (DFE/Participating Plan Information) (6) ☐ G (Financial Transaction Schedules)

Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)

11a If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) ☐ Yes ☐ No

If "Yes" is checked, complete lines 11b and 11c.

11b Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) ☐ Yes ☐ No

11c Enter the Receipt Confirmation Code for the 2022 Form M-1 annual report. If the plan was not required to file the 2022 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)

Receipt Confirmation Code _____

SCHEDULE C (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Service Provider Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA). ▶ File as an attachment to Form 5500. Part I Service Provider Information (continued)

3. If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

(a) Enter service provider name as it appears on line 2	(b) Service Codes (see instructions)	(c) Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	(e) Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	
(a) Enter service provider name as it appears on line 2	(b) Service Codes (see instructions)	(c) Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	(e) Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	
(a) Enter service provider name as it appears on line 2	(b) Service Codes (see instructions)	(c) Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	(e) Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	

Part II Service Providers Who Fail or Refuse to Provide Information

4 Provide, to the extent possible, the following information for each service provider who failed or refused to provide the information necessary to complete this Schedule.

(a) Enter name and EIN or address of service provider (see instructions)	(b) Nature of Service Code(s)	(c) Describe the information that the service provider failed or refused to provide
(a) Enter name and EIN or address of service provider (see instructions)	(b) Nature of Service Code(s)	(c) Describe the information that the service provider failed or refused to provide

(2) From this plan	2l(2)		

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: PKF OCONNOR DAVIES, LLP

(2) EIN: 27-1728945

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a	X		9214

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		3000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection.
For calendar plan year 2022 or fiscal plan year beginning 01/01/2022 and ending 12/31/2022		
A Name of plan IRC 403(B) RETIREMENT SAVINGS PLAN		B Three-digit plan number (PN) ► 002
C Plan sponsor's name as shown on line 2a of Form 5500 INTERNATIONAL RESCUE COMMITTEE, INC		D Employer Identification Number (EIN) 13-5660870
Part I	Distributions	
All references to distributions relate only to payments of benefits during the plan year.		
1 Total value of distributions paid in property other than in cash or the forms of property specified in the instructions.....		1 0
2 Enter the EIN(s) of payor(s) who paid benefits on behalf of the plan to participants or beneficiaries during the year (if more than two, enter EINs of the two payors who paid the greatest dollar amounts of benefits): EIN(s): 22-1211670		
Profit-sharing plans, ESOPs, and stock bonus plans, skip line 3.		
3 Number of participants (living or deceased) whose benefits were distributed in a single sum, during the plan year.....		3
Part II	Funding Information (If the plan is not subject to the minimum funding requirements of section 412 of the Internal Revenue Code or ERISA section 302, skip this Part.)	
4 Is the plan administrator making an election under Code section 412(d)(2) or ERISA section 302(d)(2)? ☐ Yes ☐ No ☐ N/A If the plan is a defined benefit plan, go to line 8.		
5 If a waiver of the minimum funding standard for a prior year is being amortized in this plan year, see instructions and enter the date of the ruling letter granting the waiver. Date: Month _____ Day _____ Year _____ If you completed line 5, complete lines 3, 9, and 10 of Schedule MB and do not complete the remainder of this schedule.		
6 a Enter the minimum required contribution for this plan year (include any prior year accumulated funding deficiency not waived).....		6a
b Enter the amount contributed by the employer to the plan for this plan year.....		6b
c Subtract the amount in line 6b from the amount in line 6a. Enter the result (enter a minus sign to the left of a negative amount).....		6c
If you completed line 6c, skip lines 8 and 9.		
7 Will the minimum funding amount reported on line 6c be met by the funding deadline? ☐ Yes ☐ No ☐ N/A		
8 If a change in actuarial cost method was made for this plan year pursuant to a revenue procedure or other authority providing automatic approval for the change or a class ruling letter, does the plan sponsor or plan administrator agree with the change? ☐ Yes ☐ No ☐ N/A		
Part III	Amendments	
9 If this is a defined benefit pension plan, were any amendments adopted during this plan year that increased or decreased the value of benefits? If yes, check the appropriate box. If no, check the "No" box..... ☐ Increase ☐ Decrease ☐ Both ☐ No		
Part IV	ESOPs (see instructions). If this is not a plan described under section 409(a) or 4975(e)(7) of the Internal Revenue Code, skip this Part.	
10 Were unallocated employer securities or proceeds from the sale of unallocated securities used to repay any exempt loan?..... ☐ Yes ☐ No		
11 a Does the ESOP hold any preferred stock?..... ☐ Yes ☐ No		
b If the ESOP has an outstanding exempt loan with the employer as lender, is such loan part of a "back-to-back" loan? (See instructions for definition of "back-to-back" loan.)..... ☐ Yes ☐ No		
12 Does the ESOP hold any stock that is not readily tradable on an established securities market?..... ☐ Yes ☐ No

Financial Statements

December 31, 2022

Independent Auditors' Report

The Retirement Savings Plan Committee of International Rescue Committee, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the IRC 403(b) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 2

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 4

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan

Effective October 1, 2003, International Rescue Committee, Inc. (the "IRC"), adopted the IRC 403(b) Retirement Savings Plan (the "Plan").

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the IRC except those employees who: 1) have entered into a local employment relationship with an IRC country office outside of the United States; 2) is a non-resident alien and receives no compensation which constitutes U.S. source income and is classified by the IRC as national staff; or 3) is an independent contractor, unless specifically included in the Plan by action of the President of the IRC that employs that independent contractor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Empower Annuity Insurance Company (formerly Prudential Retirement Insurance and Annuity Company) and Prudential Bank & Trust, FSB are the trustees of the Plan. In April of 2022, Empower completed its acquisition of the Prudential Financial, Inc.'s retirement business. The acquisition did not have an impact on the assets or participant accounts of the Plan.

Contributions

Each year, participants may contribute up to 50% of their annual compensation on a pre or after tax basis up to the applicable dollar amount which is established annually by the Internal Revenue Service ("IRS"), as defined in the Plan. Employee contributions that are made on an after-tax basis are limited to only non-highly compensated employees. The Plan has an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants will have their deferral rate set at 1% of their eligible compensation and their contributions will be invested in a target date fund that has a targeted retirement date nearest to the participant's attainment of age 65. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions up to the statutorily permitted amount.

Participants may also rollover or transfer amounts representing distributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one group annuity contract, and thirty mutual funds as investment options for participants.

The IRC will make matching contributions for participants who make contributions up to 6% of their compensation. The rate of company matching contributions is 100% of the participant contributions up to 3% of compensation; plus 50% of the participant contributions on the next 3% of compensation.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan *(continued)*

Contributions (continued)

In accordance with the plan document, the IRC will make non-discretionary contributions for full time and part time employees working at least 20 hours per week who are enrolled in the Plan. The non-discretionary contributions are calculated each pay period based on a percentage of participant compensation earned during such pay period and participant's combined whole years of age and service as of December 31 of the immediately preceding year, according to the following schedule:

<u>Age Plus Years of Service Preceding December 31</u>	<u>Contribution Percentage</u>
Under 35	3%
35-44	4%
45-54	5%
55-64	6%
65 and up	7%

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the IRC's contribution and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, age, and years of service, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

Participants are fully vested at all times in their contributions and company matching contributions. Participant's non-discretionary company contributions are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 3	0%
3 or more	100%

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$50,369 and \$751,634. These accounts will be used to reduce future employer contributions. In 2022, employer contributions were reduced by \$1,431,447 and administrative expenses were reduced by \$843 from forfeited non-vested accounts.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan (*continued*)

Payment of Benefits

Benefits are paid upon retirement (age 65), death, or other termination of employment. Upon retirement or termination of employment, a participant may elect to receive in cash or direct rollover a lump-sum amount equal to the vested value of the participant's account. If the account balance is below \$1,000, it will be paid in a single sum of cash. If the account balance is more than \$1,000, the payment will be paid as a single sum in cash or direct rollover or withdrawal of at least \$1,000.

Expenses

Certain expenses of maintaining the Plan are paid by IRC and are excluded from these financial statements. Investment related expenses are included in net depreciation in value of investments.

Other Income

The Plan and Empower Annuity Insurance Company have entered into a revenue sharing arrangement whereby a portion of the revenue earned by certain funds is passed through to the Plan for payment of permitted Plan expenses. In order for the Plan to receive credits as a result of this revenue sharing arrangement, and to use this credit to pay Plan expenses, the Plan created the ERISA Account. The ERISA Account is invested in the Prudential PPSA and is used to record keep the redistribution of Plan-generated fund revenue that exceeds the costs associated with Plan administration. The ERISA Account balance was \$86,493 and \$69,944 at December 31, 2022 and 2021. During 2022, administrative expenses incurred by the Plan were reduced by \$47,614 from the ERISA account.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. The Plan's investments, that were valued at fair value, were valued using level 1 inputs.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

2. Summary of Significant Accounting Policies (*continued*)

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value, except for the group annuity contract which is recorded at contract value. The mutual funds are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission and they are required to publish their daily net asset value and to transact at that price. These funds are deemed to be actively traded. The Prudential PPSA is a group annuity contract that is valued at contract value which represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Unrealized and realized depreciation of investments during the year is included in net depreciation in value of investments in the statement of changes in net assets available for benefits. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Administrative expenses are paid by either the Plan or IRC, as provided by the Plan's provisions. Investment transaction fees are included as reduction to net depreciation in value of investments which are allocated to each participant's account.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 3, 2023.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2022 and 2021, and net depreciation in value of investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB and Empower Annuity Insurance Company, qualified institutions.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

4. Group Annuity Contract

Participants can invest in a benefit responsive group annuity contract with Empower Annuity Insurance Company called the Prudential Principal Preservation Separate Account ("PPSA"). The PPSA is a stable value product that provides protection from Prudential's general account and guarantees principal and accumulated interest. The PPSA invests in a broadly diversified portfolio of fixed income instruments (primarily in intermediate-term bonds, private placements and commercial mortgages). The interest crediting rate is announced in advance and is guaranteed for a six-month period for which a minimum rate will apply. Distributions resulting from a participant's termination of employment, retirement, disability or death, hardship withdrawals and minimum required distributions are always paid in full without any restrictions or fees. Generally, participants may not directly transfer amounts from the PPSA to a competing fund. A transfer out of the PPSA must be directed to and remain in a non-competing fund for a period of 90 days before it can be invested in a competing fund. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

5. Plan Termination

Although it has not expressed any intent to do so, the IRC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of a plan termination, participants would become 100% vested in their employer contributions.

6. Tax Status

IRC has adopted a volume submitter plan document which is intended to satisfy the Internal Revenue Service's final 403(b) regulations. The volume submitter plan document preparer received an opinion letter dated August 7, 2017. IRC believes that the Plan, is designed and currently being operated in accordance with applicable sections of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Party-in-Interest Transactions

Certain Plan investments are managed by Empower Annuity Insurance Company, a trustee of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

8. Prohibited Transactions

During the 2022 Plan year and prior, the Employer failed to remit to the Plan certain participants' contributions amounting to \$9,214 within the period described by the Department of Labor regulations. Delays in remitting the contributions to the Plan were due to administrative oversight.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

Financial Statements

December 31, 2022

Independent Auditors' Report

The Retirement Savings Plan Committee of International Rescue Committee, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the IRC 403(b) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 2

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 4

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan

Effective October 1, 2003, International Rescue Committee, Inc. (the "IRC"), adopted the IRC 403(b) Retirement Savings Plan (the "Plan").

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the IRC except those employees who: 1) have entered into a local employment relationship with an IRC country office outside of the United States; 2) is a non-resident alien and receives no compensation which constitutes U.S. source income and is classified by the IRC as national staff; or 3) is an independent contractor, unless specifically included in the Plan by action of the President of the IRC that employs that independent contractor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Empower Annuity Insurance Company (formerly Prudential Retirement Insurance and Annuity Company) and Prudential Bank & Trust, FSB are the trustees of the Plan. In April of 2022, Empower completed its acquisition of the Prudential Financial, Inc.'s retirement business. The acquisition did not have an impact on the assets or participant accounts of the Plan.

Contributions

Each year, participants may contribute up to 50% of their annual compensation on a pre or after tax basis up to the applicable dollar amount which is established annually by the Internal Revenue Service ("IRS"), as defined in the Plan. Employee contributions that are made on an after-tax basis are limited to only non-highly compensated employees. The Plan has an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants will have their deferral rate set at 1% of their eligible compensation and their contributions will be invested in a target date fund that has a targeted retirement date nearest to the participant's attainment of age 65. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions up to the statutorily permitted amount.

Participants may also rollover or transfer amounts representing distributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one group annuity contract, and thirty mutual funds as investment options for participants.

The IRC will make matching contributions for participants who make contributions up to 6% of their compensation. The rate of company matching contributions is 100% of the participant contributions up to 3% of compensation; plus 50% of the participant contributions on the next 3% of compensation.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan *(continued)*

Contributions (continued)

In accordance with the plan document, the IRC will make non-discretionary contributions for full time and part time employees working at least 20 hours per week who are enrolled in the Plan. The non-discretionary contributions are calculated each pay period based on a percentage of participant compensation earned during such pay period and participant's combined whole years of age and service as of December 31 of the immediately preceding year, according to the following schedule:

<u>Age Plus Years of Service Preceding December 31</u>	<u>Contribution Percentage</u>
Under 35	3%
35-44	4%
45-54	5%
55-64	6%
65 and up	7%

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the IRC's contribution and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, age, and years of service, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

Participants are fully vested at all times in their contributions and company matching contributions. Participant's non-discretionary company contributions are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 3	0%
3 or more	100%

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$50,369 and \$751,634. These accounts will be used to reduce future employer contributions. In 2022, employer contributions were reduced by \$1,431,447 and administrative expenses were reduced by \$843 from forfeited non-vested accounts.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan (*continued*)

Payment of Benefits

Benefits are paid upon retirement (age 65), death, or other termination of employment. Upon retirement or termination of employment, a participant may elect to receive in cash or direct rollover a lump-sum amount equal to the vested value of the participant's account. If the account balance is below \$1,000, it will be paid in a single sum of cash. If the account balance is more than \$1,000, the payment will be paid as a single sum in cash or direct rollover or withdrawal of at least \$1,000.

Expenses

Certain expenses of maintaining the Plan are paid by IRC and are excluded from these financial statements. Investment related expenses are included in net depreciation in value of investments.

Other Income

The Plan and Empower Annuity Insurance Company have entered into a revenue sharing arrangement whereby a portion of the revenue earned by certain funds is passed through to the Plan for payment of permitted Plan expenses. In order for the Plan to receive credits as a result of this revenue sharing arrangement, and to use this credit to pay Plan expenses, the Plan created the ERISA Account. The ERISA Account is invested in the Prudential PPSA and is used to record keep the redistribution of Plan-generated fund revenue that exceeds the costs associated with Plan administration. The ERISA Account balance was \$86,493 and \$69,944 at December 31, 2022 and 2021. During 2022, administrative expenses incurred by the Plan were reduced by \$47,614 from the ERISA account.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. The Plan's investments, that were valued at fair value, were valued using level 1 inputs.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

2. Summary of Significant Accounting Policies (*continued*)

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value, except for the group annuity contract which is recorded at contract value. The mutual funds are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission and they are required to publish their daily net asset value and to transact at that price. These funds are deemed to be actively traded. The Prudential PPSA is a group annuity contract that is valued at contract value which represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Unrealized and realized depreciation of investments during the year is included in net depreciation in value of investments in the statement of changes in net assets available for benefits. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Administrative expenses are paid by either the Plan or IRC, as provided by the Plan's provisions. Investment transaction fees are included as reduction to net depreciation in value of investments which are allocated to each participant's account.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 3, 2023.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2022 and 2021, and net depreciation in value of investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB and Empower Annuity Insurance Company, qualified institutions.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

4. Group Annuity Contract

Participants can invest in a benefit responsive group annuity contract with Empower Annuity Insurance Company called the Prudential Principal Preservation Separate Account ("PPSA"). The PPSA is a stable value product that provides protection from Prudential's general account and guarantees principal and accumulated interest. The PPSA invests in a broadly diversified portfolio of fixed income instruments (primarily in intermediate-term bonds, private placements and commercial mortgages). The interest crediting rate is announced in advance and is guaranteed for a six-month period for which a minimum rate will apply. Distributions resulting from a participant's termination of employment, retirement, disability or death, hardship withdrawals and minimum required distributions are always paid in full without any restrictions or fees. Generally, participants may not directly transfer amounts from the PPSA to a competing fund. A transfer out of the PPSA must be directed to and remain in a non-competing fund for a period of 90 days before it can be invested in a competing fund. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

5. Plan Termination

Although it has not expressed any intent to do so, the IRC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of a plan termination, participants would become 100% vested in their employer contributions.

6. Tax Status

IRC has adopted a volume submitter plan document which is intended to satisfy the Internal Revenue Service's final 403(b) regulations. The volume submitter plan document preparer received an opinion letter dated August 7, 2017. IRC believes that the Plan, is designed and currently being operated in accordance with applicable sections of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Party-in-Interest Transactions

Certain Plan investments are managed by Empower Annuity Insurance Company, a trustee of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

8. Prohibited Transactions

During the 2022 Plan year and prior, the Employer failed to remit to the Plan certain participants' contributions amounting to \$9,214 within the period described by the Department of Labor regulations. Delays in remitting the contributions to the Plan were due to administrative oversight.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

IRC 403(b) Retirement Savings Plan

Financial Statements

December 31, 2022

Independent Auditors' Report

The Retirement Savings Plan Committee of International Rescue Committee, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the IRC 403(b) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 2

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 4

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan

Effective October 1, 2003, International Rescue Committee, Inc. (the "IRC"), adopted the IRC 403(b) Retirement Savings Plan (the "Plan").

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the IRC except those employees who: 1) have entered into a local employment relationship with an IRC country office outside of the United States; 2) is a non-resident alien and receives no compensation which constitutes U.S. source income and is classified by the IRC as national staff; or 3) is an independent contractor, unless specifically included in the Plan by action of the President of the IRC that employs that independent contractor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Empower Annuity Insurance Company (formerly Prudential Retirement Insurance and Annuity Company) and Prudential Bank & Trust, FSB are the trustees of the Plan. In April of 2022, Empower completed its acquisition of the Prudential Financial, Inc.'s retirement business. The acquisition did not have an impact on the assets or participant accounts of the Plan.

Contributions

Each year, participants may contribute up to 50% of their annual compensation on a pre or after tax basis up to the applicable dollar amount which is established annually by the Internal Revenue Service ("IRS"), as defined in the Plan. Employee contributions that are made on an after-tax basis are limited to only non-highly compensated employees. The Plan has an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants will have their deferral rate set at 1% of their eligible compensation and their contributions will be invested in a target date fund that has a targeted retirement date nearest to the participant's attainment of age 65. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions up to the statutorily permitted amount.

Participants may also rollover or transfer amounts representing distributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one group annuity contract, and thirty mutual funds as investment options for participants.

The IRC will make matching contributions for participants who make contributions up to 6% of their compensation. The rate of company matching contributions is 100% of the participant contributions up to 3% of compensation; plus 50% of the participant contributions on the next 3% of compensation.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan *(continued)*

Contributions (continued)

In accordance with the plan document, the IRC will make non-discretionary contributions for full time and part time employees working at least 20 hours per week who are enrolled in the Plan. The non-discretionary contributions are calculated each pay period based on a percentage of participant compensation earned during such pay period and participant's combined whole years of age and service as of December 31 of the immediately preceding year, according to the following schedule:

<u>Age Plus Years of Service Preceding December 31</u>	<u>Contribution Percentage</u>
Under 35	3%
35-44	4%
45-54	5%
55-64	6%
65 and up	7%

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the IRC's contribution and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, age, and years of service, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

Participants are fully vested at all times in their contributions and company matching contributions. Participant's non-discretionary company contributions are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 3	0%
3 or more	100%

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$50,369 and \$751,634. These accounts will be used to reduce future employer contributions. In 2022, employer contributions were reduced by \$1,431,447 and administrative expenses were reduced by \$843 from forfeited non-vested accounts.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan (*continued*)

Payment of Benefits

Benefits are paid upon retirement (age 65), death, or other termination of employment. Upon retirement or termination of employment, a participant may elect to receive in cash or direct rollover a lump-sum amount equal to the vested value of the participant's account. If the account balance is below \$1,000, it will be paid in a single sum of cash. If the account balance is more than \$1,000, the payment will be paid as a single sum in cash or direct rollover or withdrawal of at least \$1,000.

Expenses

Certain expenses of maintaining the Plan are paid by IRC and are excluded from these financial statements. Investment related expenses are included in net depreciation in value of investments.

Other Income

The Plan and Empower Annuity Insurance Company have entered into a revenue sharing arrangement whereby a portion of the revenue earned by certain funds is passed through to the Plan for payment of permitted Plan expenses. In order for the Plan to receive credits as a result of this revenue sharing arrangement, and to use this credit to pay Plan expenses, the Plan created the ERISA Account. The ERISA Account is invested in the Prudential PPSA and is used to record keep the redistribution of Plan-generated fund revenue that exceeds the costs associated with Plan administration. The ERISA Account balance was \$86,493 and \$69,944 at December 31, 2022 and 2021. During 2022, administrative expenses incurred by the Plan were reduced by \$47,614 from the ERISA account.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. The Plan's investments, that were valued at fair value, were valued using level 1 inputs.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

2. Summary of Significant Accounting Policies (*continued*)

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value, except for the group annuity contract which is recorded at contract value. The mutual funds are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission and they are required to publish their daily net asset value and to transact at that price. These funds are deemed to be actively traded. The Prudential PPSA is a group annuity contract that is valued at contract value which represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Unrealized and realized depreciation of investments during the year is included in net depreciation in value of investments in the statement of changes in net assets available for benefits. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Administrative expenses are paid by either the Plan or IRC, as provided by the Plan's provisions. Investment transaction fees are included as reduction to net depreciation in value of investments which are allocated to each participant's account.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 3, 2023.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2022 and 2021, and net depreciation in value of investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB and Empower Annuity Insurance Company, qualified institutions.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

4. Group Annuity Contract

Participants can invest in a benefit responsive group annuity contract with Empower Annuity Insurance Company called the Prudential Principal Preservation Separate Account ("PPSA"). The PPSA is a stable value product that provides protection from Prudential's general account and guarantees principal and accumulated interest. The PPSA invests in a broadly diversified portfolio of fixed income instruments (primarily in intermediate-term bonds, private placements and commercial mortgages). The interest crediting rate is announced in advance and is guaranteed for a six-month period for which a minimum rate will apply. Distributions resulting from a participant's termination of employment, retirement, disability or death, hardship withdrawals and minimum required distributions are always paid in full without any restrictions or fees. Generally, participants may not directly transfer amounts from the PPSA to a competing fund. A transfer out of the PPSA must be directed to and remain in a non-competing fund for a period of 90 days before it can be invested in a competing fund. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

5. Plan Termination

Although it has not expressed any intent to do so, the IRC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of a plan termination, participants would become 100% vested in their employer contributions.

6. Tax Status

IRC has adopted a volume submitter plan document which is intended to satisfy the Internal Revenue Service's final 403(b) regulations. The volume submitter plan document preparer received an opinion letter dated August 7, 2017. IRC believes that the Plan, is designed and currently being operated in accordance with applicable sections of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Party-in-Interest Transactions

Certain Plan investments are managed by Empower Annuity Insurance Company, a trustee of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

8. Prohibited Transactions

During the 2022 Plan year and prior, the Employer failed to remit to the Plan certain participants' contributions amounting to \$9,214 within the period described by the Department of Labor regulations. Delays in remitting the contributions to the Plan were due to administrative oversight.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

IRC 403(b) Retirement Savings Plan

Financial Statements

December 31, 2022

Independent Auditors' Report

The Retirement Savings Plan Committee of International Rescue Committee, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the IRC 403(b) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 2

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 4

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan

Effective October 1, 2003, International Rescue Committee, Inc. (the "IRC"), adopted the IRC 403(b) Retirement Savings Plan (the "Plan").

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the IRC except those employees who: 1) have entered into a local employment relationship with an IRC country office outside of the United States; 2) is a non-resident alien and receives no compensation which constitutes U.S. source income and is classified by the IRC as national staff; or 3) is an independent contractor, unless specifically included in the Plan by action of the President of the IRC that employs that independent contractor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Empower Annuity Insurance Company (formerly Prudential Retirement Insurance and Annuity Company) and Prudential Bank & Trust, FSB are the trustees of the Plan. In April of 2022, Empower completed its acquisition of the Prudential Financial, Inc.'s retirement business. The acquisition did not have an impact on the assets or participant accounts of the Plan.

Contributions

Each year, participants may contribute up to 50% of their annual compensation on a pre or after tax basis up to the applicable dollar amount which is established annually by the Internal Revenue Service ("IRS"), as defined in the Plan. Employee contributions that are made on an after-tax basis are limited to only non-highly compensated employees. The Plan has an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants will have their deferral rate set at 1% of their eligible compensation and their contributions will be invested in a target date fund that has a targeted retirement date nearest to the participant's attainment of age 65. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions up to the statutorily permitted amount.

Participants may also rollover or transfer amounts representing distributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one group annuity contract, and thirty mutual funds as investment options for participants.

The IRC will make matching contributions for participants who make contributions up to 6% of their compensation. The rate of company matching contributions is 100% of the participant contributions up to 3% of compensation; plus 50% of the participant contributions on the next 3% of compensation.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan *(continued)*

Contributions (continued)

In accordance with the plan document, the IRC will make non-discretionary contributions for full time and part time employees working at least 20 hours per week who are enrolled in the Plan. The non-discretionary contributions are calculated each pay period based on a percentage of participant compensation earned during such pay period and participant's combined whole years of age and service as of December 31 of the immediately preceding year, according to the following schedule:

<u>Age Plus Years of Service Preceding December 31</u>	<u>Contribution Percentage</u>
Under 35	3%
35-44	4%
45-54	5%
55-64	6%
65 and up	7%

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the IRC's contribution and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, age, and years of service, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

Participants are fully vested at all times in their contributions and company matching contributions. Participant's non-discretionary company contributions are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 3	0%
3 or more	100%

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$50,369 and \$751,634. These accounts will be used to reduce future employer contributions. In 2022, employer contributions were reduced by \$1,431,447 and administrative expenses were reduced by \$843 from forfeited non-vested accounts.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan (*continued*)

Payment of Benefits

Benefits are paid upon retirement (age 65), death, or other termination of employment. Upon retirement or termination of employment, a participant may elect to receive in cash or direct rollover a lump-sum amount equal to the vested value of the participant's account. If the account balance is below \$1,000, it will be paid in a single sum of cash. If the account balance is more than \$1,000, the payment will be paid as a single sum in cash or direct rollover or withdrawal of at least \$1,000.

Expenses

Certain expenses of maintaining the Plan are paid by IRC and are excluded from these financial statements. Investment related expenses are included in net depreciation in value of investments.

Other Income

The Plan and Empower Annuity Insurance Company have entered into a revenue sharing arrangement whereby a portion of the revenue earned by certain funds is passed through to the Plan for payment of permitted Plan expenses. In order for the Plan to receive credits as a result of this revenue sharing arrangement, and to use this credit to pay Plan expenses, the Plan created the ERISA Account. The ERISA Account is invested in the Prudential PPSA and is used to record keep the redistribution of Plan-generated fund revenue that exceeds the costs associated with Plan administration. The ERISA Account balance was \$86,493 and \$69,944 at December 31, 2022 and 2021. During 2022, administrative expenses incurred by the Plan were reduced by \$47,614 from the ERISA account.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. The Plan's investments, that were valued at fair value, were valued using level 1 inputs.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

2. Summary of Significant Accounting Policies (*continued*)

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value, except for the group annuity contract which is recorded at contract value. The mutual funds are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission and they are required to publish their daily net asset value and to transact at that price. These funds are deemed to be actively traded. The Prudential PPSA is a group annuity contract that is valued at contract value which represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Unrealized and realized depreciation of investments during the year is included in net depreciation in value of investments in the statement of changes in net assets available for benefits. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Administrative expenses are paid by either the Plan or IRC, as provided by the Plan's provisions. Investment transaction fees are included as reduction to net depreciation in value of investments which are allocated to each participant's account.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 3, 2023.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2022 and 2021, and net depreciation in value of investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB and Empower Annuity Insurance Company, qualified institutions.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

4. Group Annuity Contract

Participants can invest in a benefit responsive group annuity contract with Empower Annuity Insurance Company called the Prudential Principal Preservation Separate Account ("PPSA"). The PPSA is a stable value product that provides protection from Prudential's general account and guarantees principal and accumulated interest. The PPSA invests in a broadly diversified portfolio of fixed income instruments (primarily in intermediate-term bonds, private placements and commercial mortgages). The interest crediting rate is announced in advance and is guaranteed for a six-month period for which a minimum rate will apply. Distributions resulting from a participant's termination of employment, retirement, disability or death, hardship withdrawals and minimum required distributions are always paid in full without any restrictions or fees. Generally, participants may not directly transfer amounts from the PPSA to a competing fund. A transfer out of the PPSA must be directed to and remain in a non-competing fund for a period of 90 days before it can be invested in a competing fund. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

5. Plan Termination

Although it has not expressed any intent to do so, the IRC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of a plan termination, participants would become 100% vested in their employer contributions.

6. Tax Status

IRC has adopted a volume submitter plan document which is intended to satisfy the Internal Revenue Service's final 403(b) regulations. The volume submitter plan document preparer received an opinion letter dated August 7, 2017. IRC believes that the Plan, is designed and currently being operated in accordance with applicable sections of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Party-in-Interest Transactions

Certain Plan investments are managed by Empower Annuity Insurance Company, a trustee of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

8. Prohibited Transactions

During the 2022 Plan year and prior, the Employer failed to remit to the Plan certain participants' contributions amounting to \$9,214 within the period described by the Department of Labor regulations. Delays in remitting the contributions to the Plan were due to administrative oversight.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

IRC 403(b) Retirement Savings Plan

Financial Statements

December 31, 2022

Independent Auditors' Report

The Retirement Savings Plan Committee of International Rescue Committee, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the IRC 403(b) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 2

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 4

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan

Effective October 1, 2003, International Rescue Committee, Inc. (the "IRC"), adopted the IRC 403(b) Retirement Savings Plan (the "Plan").

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the IRC except those employees who: 1) have entered into a local employment relationship with an IRC country office outside of the United States; 2) is a non-resident alien and receives no compensation which constitutes U.S. source income and is classified by the IRC as national staff; or 3) is an independent contractor, unless specifically included in the Plan by action of the President of the IRC that employs that independent contractor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Empower Annuity Insurance Company (formerly Prudential Retirement Insurance and Annuity Company) and Prudential Bank & Trust, FSB are the trustees of the Plan. In April of 2022, Empower completed its acquisition of the Prudential Financial, Inc.'s retirement business. The acquisition did not have an impact on the assets or participant accounts of the Plan.

Contributions

Each year, participants may contribute up to 50% of their annual compensation on a pre or after tax basis up to the applicable dollar amount which is established annually by the Internal Revenue Service ("IRS"), as defined in the Plan. Employee contributions that are made on an after-tax basis are limited to only non-highly compensated employees. The Plan has an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants will have their deferral rate set at 1% of their eligible compensation and their contributions will be invested in a target date fund that has a targeted retirement date nearest to the participant's attainment of age 65. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions up to the statutorily permitted amount.

Participants may also rollover or transfer amounts representing distributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one group annuity contract, and thirty mutual funds as investment options for participants.

The IRC will make matching contributions for participants who make contributions up to 6% of their compensation. The rate of company matching contributions is 100% of the participant contributions up to 3% of compensation; plus 50% of the participant contributions on the next 3% of compensation.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan *(continued)*

Contributions (continued)

In accordance with the plan document, the IRC will make non-discretionary contributions for full time and part time employees working at least 20 hours per week who are enrolled in the Plan. The non-discretionary contributions are calculated each pay period based on a percentage of participant compensation earned during such pay period and participant's combined whole years of age and service as of December 31 of the immediately preceding year, according to the following schedule:

<u>Age Plus Years of Service Preceding December 31</u>	<u>Contribution Percentage</u>
Under 35	3%
35-44	4%
45-54	5%
55-64	6%
65 and up	7%

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the IRC's contribution and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, age, and years of service, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

Participants are fully vested at all times in their contributions and company matching contributions. Participant's non-discretionary company contributions are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 3	0%
3 or more	100%

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$50,369 and \$751,634. These accounts will be used to reduce future employer contributions. In 2022, employer contributions were reduced by \$1,431,447 and administrative expenses were reduced by \$843 from forfeited non-vested accounts.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan (*continued*)

Payment of Benefits

Benefits are paid upon retirement (age 65), death, or other termination of employment. Upon retirement or termination of employment, a participant may elect to receive in cash or direct rollover a lump-sum amount equal to the vested value of the participant's account. If the account balance is below \$1,000, it will be paid in a single sum of cash. If the account balance is more than \$1,000, the payment will be paid as a single sum in cash or direct rollover or withdrawal of at least \$1,000.

Expenses

Certain expenses of maintaining the Plan are paid by IRC and are excluded from these financial statements. Investment related expenses are included in net depreciation in value of investments.

Other Income

The Plan and Empower Annuity Insurance Company have entered into a revenue sharing arrangement whereby a portion of the revenue earned by certain funds is passed through to the Plan for payment of permitted Plan expenses. In order for the Plan to receive credits as a result of this revenue sharing arrangement, and to use this credit to pay Plan expenses, the Plan created the ERISA Account. The ERISA Account is invested in the Prudential PPSA and is used to record keep the redistribution of Plan-generated fund revenue that exceeds the costs associated with Plan administration. The ERISA Account balance was \$86,493 and \$69,944 at December 31, 2022 and 2021. During 2022, administrative expenses incurred by the Plan were reduced by \$47,614 from the ERISA account.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. The Plan's investments, that were valued at fair value, were valued using level 1 inputs.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

2. Summary of Significant Accounting Policies (*continued*)

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value, except for the group annuity contract which is recorded at contract value. The mutual funds are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission and they are required to publish their daily net asset value and to transact at that price. These funds are deemed to be actively traded. The Prudential PPSA is a group annuity contract that is valued at contract value which represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Unrealized and realized depreciation of investments during the year is included in net depreciation in value of investments in the statement of changes in net assets available for benefits. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Administrative expenses are paid by either the Plan or IRC, as provided by the Plan's provisions. Investment transaction fees are included as reduction to net depreciation in value of investments which are allocated to each participant's account.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 3, 2023.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2022 and 2021, and net depreciation in value of investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB and Empower Annuity Insurance Company, qualified institutions.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

4. Group Annuity Contract

Participants can invest in a benefit responsive group annuity contract with Empower Annuity Insurance Company called the Prudential Principal Preservation Separate Account ("PPSA"). The PPSA is a stable value product that provides protection from Prudential's general account and guarantees principal and accumulated interest. The PPSA invests in a broadly diversified portfolio of fixed income instruments (primarily in intermediate-term bonds, private placements and commercial mortgages). The interest crediting rate is announced in advance and is guaranteed for a six-month period for which a minimum rate will apply. Distributions resulting from a participant's termination of employment, retirement, disability or death, hardship withdrawals and minimum required distributions are always paid in full without any restrictions or fees. Generally, participants may not directly transfer amounts from the PPSA to a competing fund. A transfer out of the PPSA must be directed to and remain in a non-competing fund for a period of 90 days before it can be invested in a competing fund. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

5. Plan Termination

Although it has not expressed any intent to do so, the IRC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of a plan termination, participants would become 100% vested in their employer contributions.

6. Tax Status

IRC has adopted a volume submitter plan document which is intended to satisfy the Internal Revenue Service's final 403(b) regulations. The volume submitter plan document preparer received an opinion letter dated August 7, 2017. IRC believes that the Plan, is designed and currently being operated in accordance with applicable sections of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Party-in-Interest Transactions

Certain Plan investments are managed by Empower Annuity Insurance Company, a trustee of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

8. Prohibited Transactions

During the 2022 Plan year and prior, the Employer failed to remit to the Plan certain participants' contributions amounting to \$9,214 within the period described by the Department of Labor regulations. Delays in remitting the contributions to the Plan were due to administrative oversight.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

IRC 403(b) Retirement Savings Plan

Financial Statements

December 31, 2022

Independent Auditors' Report

The Retirement Savings Plan Committee of International Rescue Committee, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the IRC 403(b) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 2

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**The Retirement Savings Plan Committee of
International Rescue Committee, Inc.**

Page 4

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan

Effective October 1, 2003, International Rescue Committee, Inc. (the "IRC"), adopted the IRC 403(b) Retirement Savings Plan (the "Plan").

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the IRC except those employees who: 1) have entered into a local employment relationship with an IRC country office outside of the United States; 2) is a non-resident alien and receives no compensation which constitutes U.S. source income and is classified by the IRC as national staff; or 3) is an independent contractor, unless specifically included in the Plan by action of the President of the IRC that employs that independent contractor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Empower Annuity Insurance Company (formerly Prudential Retirement Insurance and Annuity Company) and Prudential Bank & Trust, FSB are the trustees of the Plan. In April of 2022, Empower completed its acquisition of the Prudential Financial, Inc.'s retirement business. The acquisition did not have an impact on the assets or participant accounts of the Plan.

Contributions

Each year, participants may contribute up to 50% of their annual compensation on a pre or after tax basis up to the applicable dollar amount which is established annually by the Internal Revenue Service ("IRS"), as defined in the Plan. Employee contributions that are made on an after-tax basis are limited to only non-highly compensated employees. The Plan has an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants will have their deferral rate set at 1% of their eligible compensation and their contributions will be invested in a target date fund that has a targeted retirement date nearest to the participant's attainment of age 65. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions up to the statutorily permitted amount.

Participants may also rollover or transfer amounts representing distributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one group annuity contract, and thirty mutual funds as investment options for participants.

The IRC will make matching contributions for participants who make contributions up to 6% of their compensation. The rate of company matching contributions is 100% of the participant contributions up to 3% of compensation; plus 50% of the participant contributions on the next 3% of compensation.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan *(continued)*

Contributions (continued)

In accordance with the plan document, the IRC will make non-discretionary contributions for full time and part time employees working at least 20 hours per week who are enrolled in the Plan. The non-discretionary contributions are calculated each pay period based on a percentage of participant compensation earned during such pay period and participant's combined whole years of age and service as of December 31 of the immediately preceding year, according to the following schedule:

<u>Age Plus Years of Service Preceding December 31</u>	<u>Contribution Percentage</u>
Under 35	3%
35-44	4%
45-54	5%
55-64	6%
65 and up	7%

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the IRC's contribution and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, age, and years of service, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

Participants are fully vested at all times in their contributions and company matching contributions. Participant's non-discretionary company contributions are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 3	0%
3 or more	100%

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$50,369 and \$751,634. These accounts will be used to reduce future employer contributions. In 2022, employer contributions were reduced by \$1,431,447 and administrative expenses were reduced by \$843 from forfeited non-vested accounts.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of Plan (*continued*)

Payment of Benefits

Benefits are paid upon retirement (age 65), death, or other termination of employment. Upon retirement or termination of employment, a participant may elect to receive in cash or direct rollover a lump-sum amount equal to the vested value of the participant's account. If the account balance is below \$1,000, it will be paid in a single sum of cash. If the account balance is more than \$1,000, the payment will be paid as a single sum in cash or direct rollover or withdrawal of at least \$1,000.

Expenses

Certain expenses of maintaining the Plan are paid by IRC and are excluded from these financial statements. Investment related expenses are included in net depreciation in value of investments.

Other Income

The Plan and Empower Annuity Insurance Company have entered into a revenue sharing arrangement whereby a portion of the revenue earned by certain funds is passed through to the Plan for payment of permitted Plan expenses. In order for the Plan to receive credits as a result of this revenue sharing arrangement, and to use this credit to pay Plan expenses, the Plan created the ERISA Account. The ERISA Account is invested in the Prudential PPSA and is used to record keep the redistribution of Plan-generated fund revenue that exceeds the costs associated with Plan administration. The ERISA Account balance was \$86,493 and \$69,944 at December 31, 2022 and 2021. During 2022, administrative expenses incurred by the Plan were reduced by \$47,614 from the ERISA account.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. The Plan's investments, that were valued at fair value, were valued using level 1 inputs.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

2. Summary of Significant Accounting Policies (*continued*)

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value, except for the group annuity contract which is recorded at contract value. The mutual funds are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission and they are required to publish their daily net asset value and to transact at that price. These funds are deemed to be actively traded. The Prudential PPSA is a group annuity contract that is valued at contract value which represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Unrealized and realized depreciation of investments during the year is included in net depreciation in value of investments in the statement of changes in net assets available for benefits. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Administrative expenses are paid by either the Plan or IRC, as provided by the Plan's provisions. Investment transaction fees are included as reduction to net depreciation in value of investments which are allocated to each participant's account.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 3, 2023.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2022 and 2021, and net depreciation in value of investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB and Empower Annuity Insurance Company, qualified institutions.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

4. Group Annuity Contract

Participants can invest in a benefit responsive group annuity contract with Empower Annuity Insurance Company called the Prudential Principal Preservation Separate Account ("PPSA"). The PPSA is a stable value product that provides protection from Prudential's general account and guarantees principal and accumulated interest. The PPSA invests in a broadly diversified portfolio of fixed income instruments (primarily in intermediate-term bonds, private placements and commercial mortgages). The interest crediting rate is announced in advance and is guaranteed for a six-month period for which a minimum rate will apply. Distributions resulting from a participant's termination of employment, retirement, disability or death, hardship withdrawals and minimum required distributions are always paid in full without any restrictions or fees. Generally, participants may not directly transfer amounts from the PPSA to a competing fund. A transfer out of the PPSA must be directed to and remain in a non-competing fund for a period of 90 days before it can be invested in a competing fund. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

5. Plan Termination

Although it has not expressed any intent to do so, the IRC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of a plan termination, participants would become 100% vested in their employer contributions.

6. Tax Status

IRC has adopted a volume submitter plan document which is intended to satisfy the Internal Revenue Service's final 403(b) regulations. The volume submitter plan document preparer received an opinion letter dated August 7, 2017. IRC believes that the Plan, is designed and currently being operated in accordance with applicable sections of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Party-in-Interest Transactions

Certain Plan investments are managed by Empower Annuity Insurance Company, a trustee of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

IRC 403(b) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022

8. Prohibited Transactions

During the 2022 Plan year and prior, the Employer failed to remit to the Plan certain participants' contributions amounting to \$9,214 within the period described by the Department of Labor regulations. Delays in remitting the contributions to the Plan were due to administrative oversight.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
