INDEPENDENT AUDITOR'S REPORT

To The Administrative Committee Of
Whelen Engineering Company, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **WHELEN ENGINEERING COMPANY, INC. 401(k) PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **WHELEN ENGINEERING COMPANY, INC. 401(k) PLAN**'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to

be independent of ABC Company Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC Company Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **WHELEN ENGINEERING COMPANY, INC. 401(k) PLAN's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **WHELEN ENGINEERING COMPANY, INC. 401(k) PLAN's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held At End Of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To The Administrative Committee Of
Whelen Engineering Company, Inc. 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of **WHELEN ENGINEERING COMPANY, INC. 401(k) PLAN** as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Other Matter

The supplemental Schedule of Assets (Held At End Of Year) as of August 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes To The Financial Statements

1) Description Of Plan

The following description of **Whelen Engineering Company, Inc. 401(k) Plan** provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A) **General** - The Plan is a defined contribution plan covering all employees of Whelen Engineering Company, Inc., (the Company) who have at least three months of service and are at least age eighteen. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- B) **Plan Amendment** – Effective December 16, 2020, the Company's Profit Sharing Plan was amended and scheduled to be merged into this 401(k) Plan. The amendment called for the assets of the Profit Sharing Plan to be frozen on December 31, 2020. On February 5, 2021 plan assets of \$100,817,683 from the Whelen Engineering Company, Inc. Profit Sharing Plan were deposited into the 401(k) Plan. These assets were divided into participant accounts based on their balances from the Profit Sharing Plan December 31, 2020 account balances.
Effective January 1, 2021, the plan was amended and restated to reflect the merger of the Company's Profit Sharing Plan and to adjust eligibility requirements. The new eligibility requirements included an automatic enrollment of employees who completed 3 months of eligibility service and have attained the age of eighteen.
- B) **Contribution** - Participants may annually contribute up to the maximum dollar amount permissible under Section 402(g) of the IRC not to exceed the limits of Code Sections 401(k), 404 and 415. Participants and employees of the company may also contribute distributions (rollovers) from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company elected to make a safe harbor matching contribution of the first 3% of the employees eligible compensation contributed to the plan and an additional contribution equal to 50% of the next 2 percent of eligible compensation contributed to the plan.
- C) **Participants' Accounts** - Each participant's account is credited with allocations of (a) the Company's contribution, (b) participant contributions, (c) plan earnings, and charges for fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D) **Vesting** - Participants are immediately vested in their contributions plus actual earnings, less fees, thereon. Vesting in the profit sharing portion of the accounts is based on years of service, as defined. A participant is 100% vested after six years of service, as defined in the original profit sharing plan agreement.

WHELEN ENGINEERING COMPANY, INC.
401(k)PLAN

Notes To The Financial Statements

1) Description Of Plan (Continued)

- B) Notes Receivable from Participants** - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. All loans shall bear a reasonable rate of interest as determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The interest rate shall remain fixed throughout the duration of the loan. Principal and interest is paid ratably through after tax payroll deductions.
- C) Payment of Benefits** - On termination of service due to death, disability or retirement or late retirement as defined, benefits are to be paid as soon as administratively possible. Upon termination of service due to a reason other than death, disability or retirement, benefits are to be paid as soon as administratively possible following the date on which a distribution is requested or is otherwise, payable. Benefits are to be paid in a lump sum.
- D) Hardship Withdrawals** - Under certain circumstances, a participant may take a withdrawal due to a financial hardship up to their vested amount. Such hardship withdrawals require approval of the Administrative Committee.
- E) Forfeit Accounts** - Forfeit non-vested accounts are to be applied to offset administrative expenses of the Plan first, any forfeitures in excess of expenses are to reduce employer contributions for such plan year. There were no forfeited non-vested accounts during the plan year.
- F) Investment Of Participant Deferral Contribution** - Participants direct the investment of their deferral contributions, selecting specific mutual funds offered by the trustee of the Plan.

2) Summary Of Accounting Policies

Basis of Accounting - The financial statements of the Plan are presented using the accrual method of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

WHELEN ENGINEERING COMPANY, INC.
401(k) PLAN

Notes To The Financial Statements

2) Summary Of Accounting Policies (Continued)

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Payment of Benefits – Benefits are recorded when paid or payable.

3) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets.• quoted prices for identical or similar assets or liabilities in inactive markets.• inputs other than quoted prices that are observable for the asset or liability.• inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

3) Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measure at fair value. There have been no changes in the methodologies used at December 31, 2021 and December 31, 2020.

Mutual Funds – The investments in mutual funds are valued using a market approach wherein the Plan uses the quoted price in the active market for identical assets. All of these investments are traded in active markets at their net asset value per share and are primarily categorized as Level I.

Common Collective Trust Funds – Common collective trust funds are comprised of shares or units in co-mingled funds that are not publicly traded. The underlying assets in these funds are primarily publicly traded equity securities, fixed income securities and commodity-related securities and are valued at their net assets value, as a practical expedient, that is calculated by the investment manager or sponsor of the fund and have varying liquidity redemption period notices and other restrictions. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported net asset value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and December 31, 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$148,142,249	\$ —	\$ —	\$148,142,249

3) Fair Value Measurements (Continued)

The following table summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and December 31, 2020:

December 31, 2021				
	Fair Value	Unfunded Commitments	Redemption Frequency If Currently Eligible	Plan Level Redemption Notice Period
Morley Stable Value Fund	\$1,991,628	N/A	Daily	12 Months
December 31, 2020				
	Fair Value	Unfunded Commitments	Redemption Frequency If Currently Eligible	Plan Level Redemption Notice Period
Morley Stable Value Fund	\$1,440,443	N/A	Daily	12 Months

The objective of this fund is to provide preservation of capital and relatively stable returns. The fund primarily consists of a diversified portfolio of stable value investment contracts issued by life insurance companies, banks, and other financial institutions.

4) Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become one hundred percent vested in their accounts.

5) Tax Status

The plan adopted by the Company is a regional prototype plan and trust which is designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes To The Financial Statements

8) Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

9) COVID-19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. During this period, financial markets and world economies have experienced volatile fluctuations. Due to the conservative nature of the available investments to participants, the plan has not seen a dramatic change in value as of the date of this audit letter.

10) Subsequent Events

The Plan has evaluated subsequent events through October 2, 2023, the date the financial statements were available to be issued.
