PANDI CAPITAL LLC 401(k) PLAN

FINANCIAL STATEMENTS AND
INDEPENDENT AUDITORS' REPORT
DECEMBER 31, 2022 AND 2021 (Unaudited)

INDEPENDENT AUDITORS' REPORT

The Management and Participants of Pandi Capital LLC 401(k) Plan
Kansas City, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Pandi Capital LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on Compiled 2021 Financial Statement

We have compiled the accompanying statement of net assets available for benefits of the Plan as of December 31, 2021. We have not audited or reviewed the accompanying statement of net assets available for benefits and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with *Statements on Standards for Accounting and Review Services* issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist plan management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

PANDI CAPITAL LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021 (Unaudited)

1. DESCRIPTION OF THE PLAN

The following description of the Pandi Capital LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General – The Plan was established September 24, 2021. Eligible employees of Pandi Capital LLC and Grand Lake Holdings, LLC became eligible to participate in the Plan on this day, and the employees’ account balances were transferred from the FiveStar Lifestyles, LLC 401(k) Plan into this Plan.

Effective December 31, 2021, a number of affiliated employers adopted the Plan, and the following 401(k) Plans were merged into this Plan:

- Excolo, LLC 401(k) Plan
- FanThreeSixty LLC 401(k) Plan
- FiveStar Lifestyles, LLC 401(k) Plan
- Sporting KC 401(k) Plan
- TIFEC 401(k) Plan

The following employers (collectively the “Company” or “Sponsor”) participate in this Plan:

- BlueRoof Entertainment, LLC
- Excolo LLC
- FanThreeSixty, LLC
- FiveStar Lifestyles, LLC
- Grand Lakes Holdings, LLC
- Hospitality Kansas City, LLC
- Maple Ranch Properties, LLC
- Novation iQ, LLC
- OnGoal, LLC
- Pandi Capital, LLC
- Sporting Club USL, LLC
- The Illig Household
- TIFEC, LLC
- VanBrock, LLC

The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (“ERISA”). Empower Trust Company, LLC serves as the Plan’s custodian, trustee and recordkeeper.

Eligibility – Regular employees at least 21 years of age who have completed 3 months of service, may enter the Plan on the first day of the month coinciding with or next following the date the eligibility requirements have been satisfied.

Employees who are classified as union employees, interns, leased, part-time, temporary or seasonal employees (employees whose regularly scheduled service is less than one year of service) are excluded from the Plan. However, if part-time, temporary or seasonal employees complete a year of service, they shall enter the Plan on the first of the following month.

Contributions – Participants may elect to contribute any percentage or dollar amount of their annual compensation up to 70%, as defined by the Plan, subject to certain Internal Revenue Code (“IRC”) limitations. Participants may elect to make pre-tax contributions, or Roth contributions. Participants who are at least 50 years or older may make catch-up contributions.

When a participant has met the eligibility requirements, automatic deferrals equal to 3% of compensation will be made to the Plan, unless the participant states in writing otherwise. Additionally, the deferral rate automatically increases over time, unless the participant elects otherwise, according to the following schedule: 1-2 years - 3%, 3 years – 4%, 4 years – 5%, 5 or more years – 6%. In addition, participants over age 50 are permitted to make catch-up contributions, as defined in the Plan. Participants who affirmatively make a deferral election are not subject to the deferral escalation clauses.

The Company makes a QACA safe-harbor matching contribution equal to 100% of each participant’s salary reduction contributions up to 1% of eligible compensation, and 50% of such participant’s salary reduction contribution from 1% to 6% of compensation. The matching contribution is paid into the Plan each payroll, however, the determination period for the matching contribution is the Plan year. Therefore, it may be necessary to make a true-up contribution to certain Plan participants after the Plan’s year end.

Additionally, the Plan permits the Company to make discretionary non-elective contributions. In order to receive a non-elective contribution, a participant must be employed on the last day of the Plan year. No such contributions were made for 2022.

Participant Accounts – Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contributions and (b) Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options – Participants direct their investments into a variety of mutual funds or common collective trusts (“CCT”).

Vesting – Participants’ contributions are fully vested at all times. The Company QACA safe-harbor matching contribution becomes 100% vested after 2 years of service. The employer non-elective contributions vest 50% after 1 year of service and become 100% vested after 2 years of service. In the event of permanent disability, death, reaching normal retirement age, or termination of the Plan, the Company contributions will become fully vested. A participant must work for at least 1,000 hours in a year to earn a year of service.

Forfeitures – Forfeited balances of terminated participants’ non-vested accounts may be used to reduce employer non-elective contributions or pay permitted fees of the Plan. During 2022, \$28,800 was used to pay Plan expenses. As of December 31, 2022 and 2021, there was \$40,183 and \$0 respectively, in the forfeiture balance.

Payment of Benefits – Upon termination of service, the participant, or in the case of death, the participant’s beneficiary, may elect to receive the vested value of the participant’s account in a lump-sum. If the vested portion of the account balance is less than \$5,000, the participant’s vested account balance will be automatically distributed if the participant does not elect to roll-over the balance to another qualified plan. Balances between \$1,000 and \$5,000 will be automatically rolled over to an IRA account.

In-Service Withdrawals – Participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to Plan participants for purposes as defined by the Plan and permitted by the IRC. Hardship withdrawals are limited to the portion of the participant’s

Participants who have obtained the age of 59 ½ are allowed to receive a distribution of all or any portion of the vested account balance in a single lump sum payment.

Notes Receivable from Participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans may be made from the participant's vested account balance. The maximum loan term is 5 years, unless the loan is for the purchase of the participant's principal residence in which case the maximum term is 15 years. The loans are secured by the balance in the participant's account, and bear interest at the *Wall Street Journal* prime rate plus 1%. A participant may have one loan outstanding at a time. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses – Administrative expenses are paid by the Plan or the Company, as defined in the Plan. During 2022, administrative expenses of \$191,731 were paid by the Plan.

Termination of the Plan – Although the Plan Sponsor has not expressed any intent to do so, it has the right to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants will become fully vested in their account balances.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance is considered necessary.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest is accrued when earned.

Management fees and operating expenses charged to the Plan for investments in mutual funds and CCTs are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction on investment return for such investments.

Contributions – Contributions are recorded in the year that services are rendered.

Payment of Benefits – Benefit payments are reported in the year of payment.

Date of Management's Review – Subsequent events have been evaluated through October 2, 2023, which is the date the financial statements were available to be issued, and there were no events that required adjustment or disclosure.

3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Mutual Funds – Valued at the closing price reported on the active market on which the individual securities are traded.

Common Collective Trusts – Empower calculates a unit value (similar to a net asset value “NAV”) of the CCT. It is the sum of the market value of the underlying investments as determined by quoted market prices, less operating expenses accrued but not deducted, if any.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan’s investments are reported at fair value as follows at December 31, 2022 and 2021:

Fair Value Measurements Using:				
	Level 1	Level 2	Level 3	Fair Value
December 31, 2022:				
Mutual Funds	\$ 6,840,779	\$ -	\$ -	\$ 6,840,779
Investments measured at NAV (a)				
Common collective trusts				14,958,276
Total investments at fair value				<u>\$ 21,799,055</u>
December 31, 2021:				
Mutual Funds	\$ 8,665,176	\$ -	\$ -	\$ 8,665,176
Investments measured at NAV (a)				
Common collective trusts				17,223,479
Total investments at fair value				<u>\$ 25,888,655</u>

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. They are valued daily, can be redeemed daily with no restrictions, and without prior notice. There are no unfunded commitments.

4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

5. INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, the trustee of the Plan, has certified that the following data included in the accompanying financial statements is complete and accurate with respect to investments as of December 31, 2022, and for the year ended December 31, 2022:

- Investments, at fair value
- Net depreciation in fair value of investments
- Notes receivable from participants and related interest income
- Interest and dividend income

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

6. TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan with a deferral arrangement which received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2022. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

An investment of the Plan is issued by Putnam, which is affiliated with Empower. This is a permitted party-in-interest. The Plan pays expenses to Empower, and to the Plan's broker and auditor. These are exempt party-in-interest transactions. Notes receivable to participants are exempt party-in-interest transactions.
