INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Plumbers Local Union No. 1 Employee
401(k) Savings Plan

Opinion

We have audited the financial statements of the Plumbers Local Union No. 1 Employee 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plumbers Local Union No. 1 Employee 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers Local Union No. 1 Employee 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plumbers Local Union No. 1 Employee 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers Local Union No. 1 Employee 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, Schedules of Administrative Expenses, and Schedules of Delinquent Participant Contributions, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year and Schedule of Reportable Transactions are supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

**PLUMBERS LOCAL UNION NO. 1 EMPLOYEE
401(K) SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Plumbers Local Union No. 1 Employee 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

The Plan is a multiemployer defined contribution pension plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. It was established on July 1, 1996 pursuant to a collective bargaining agreement between Plumbers Local Union No. 1, affiliated with United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry of the United States and Canada, and the Association of Contracting Plumbers of the City of New York.

Under the current provisions of the Plan, an account is set up for each participant after the first contribution is received on the participant's behalf for work in covered employment. A participant's account is adjusted for any withdrawals, investment income, gains and losses in asset value, investment expenses as well as charges for a proportionate share of Plan expenses. Generally, participants are immediately vested (100%) at all times in their Plan account.

The Plan allows for participant directed investing. Benefits are funded through employer and participant contributions. Contribution rates vary and are set forth in the collective bargaining agreements.

Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

Plan Amendments

On April 14, 2021, the Board of Trustees voted to amend the Plan to provide a temporary waiver of required minimum distributions (RMD). A participant or beneficiary who would have been required to receive an RMD under prior law but did not receive those distributions before January 1, 2021 is not required to receive those distributions for 2021. The Plan was also amended to limit coronavirus-related distributions (CRD) to \$25,000.

On September 1, 2021, the Plan was amended to increase the limit of CRDs to \$50,000.

On December 3, 2021 the Board of Trustee voted to amend the Plan to offer qualified birth or adoption distributions under the SECURE Act up to \$5,000.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual basis of accounting.

Investments and Investment Income Recognition - Investments in mutual funds are carried at fair value as of the last business day of the plan year, as provided by the custodian, based on the net asset value of the trusts and funds. Common collective trusts are valued based on values provided by the administrator of the fund, which are based on the underlying assets owned by the fund, minus liabilities and then divided by the number of shares outstanding. Short-term investments are carried at cost which approximates fair value. The Stable Value Fund is a synthetic investment contract with a wrapper contract that provides that participants execute plan transactions at contract value. Participants are guaranteed return of principal and accrued interest.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contributions - Employer contributions due but not paid at year end are recorded as contributions receivable. Employer contributions that were owed but whose collection was doubtful were accounted for by an allowance of \$737,500 as of December 31, 2022 and \$307,200 as of December 31, 2021.

Payment of Benefits - Benefit payments to participants are recorded when paid.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will in the opinion of the Trustees bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter on April 3, 2015 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code, and was, therefore, exempt from Federal income taxes under Section 501(a). The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 5. RELATED PARTY TRANSACTIONS

Identification of Organization

The Plan has the following related entities with which it has transactions:

- Plumbers Local Union No. 1 Welfare Fund (the Welfare Fund)
- Plumbers Local Union No. 1 Trade Education Fund
- Plumbers Local Union No. 1 Promotional Fund
- Plumbers Local Union No. 1

All of the above entities qualified as tax-exempt organizations. The entities listed above share common Trustees or officers with the Plan.

The Plan reimburses the Welfare Fund for its allocated portion of common administrative expenses. Such expenses are allocated pursuant to a cost sharing agreement approved by the Board of Trustees and are payable monthly. The Plan's share of allocated administrative expenses totaled \$1,282,655 for 2022 and \$1,137,087 for 2021. Included in these amounts are payments for contributions to multiemployer defined benefit pension plans and multiemployer Health and Welfare that provides postretirement benefits other than pensions. The amounts reimbursed were as follows:

	<u>2022</u>	<u>2021</u>
Plumbers & Pipefitters National Pension Fund	\$ 12,215	\$ 11,301
Plumbers Local Union No. 1 Welfare Fund	<u>140,618</u>	<u>155,735</u>
	<u>\$ 152,833</u>	<u>\$ 167,036</u>

The Plan owed the Welfare Fund \$329,114 and \$313,731 for these expenses as of December 31, 2022 and 2021, respectively.

NOTE 5. RELATED PARTY TRANSACTIONS (continued)

The Plan occupies office space in a building that is owned by the Plumbers Local Union No. 1, a sponsor of the Plan. The lease is considered an operating lease and is paid on a month-to-month basis. Rent totaled \$49,112 for the year ended December 31, 2022 and \$49,527 for 2021.

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2022 and 2021 there were no transfers in or out of levels 1, 2 or 3.

NOTE 6. FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level within the fair value hierarchy, the major categories of the Plan's asset measured at fair value at December 31, 2022 and 2021:

	Fair Value Measurements at December 31, 2022			
	Total	Level 1	Level 2	Level 3
Short-term investments	\$ 13,101,265	\$ 13,101,265	\$ -	\$ -

Investments measured at NAV	<u>424,845,181</u>			
Total investments	<u>\$ 676,502,673</u>			

	Fair Value Measurements at December 31, 2021			
	Total	Level 1	Level 2	Level 3
Short-term investments	\$ 12,093,450	\$ 12,093,450	\$ -	\$ -
Mutual funds	300,619,762	300,619,762	-	-
Total assets in fair value hierarchy	312,713,212	<u>\$ 312,713,212</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV	<u>503,420,604</u>			
Total investments	<u>\$ 816,133,816</u>			

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, sector and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 8. COMMITMENTS AND CONTINGENCIES

There are various lawsuits and claims against the Plan which have arisen in the ordinary course of operations. The Plan has evaluated these claims and has provided for potential liabilities which may arise, where appropriate. In the opinion of management, based in part upon advice from counsel, these actions will not have a material adverse effect on the Plan's financial position.

NOTE 9. NONEXEMPT TRANSACTIONS

There were certain employers who failed to remit employee deferrals for participant contributions within the time frame required by the Department of Labor (DOL). By DOL regulation an employer is required to segregate employee contributions from its general assets as soon as practicable in which amounts contributed by employees are withheld from their wages. Any remittances beyond that time are considered to be nonexempt or prohibited transactions by regulation. The total of these transactions was \$1,808,822 and \$1,923,305 for the years ended December 31, 2022 and December 31, 2021, respectively, and is reported in the attached supplemental schedule of delinquent participant contributions.

NOTE 10. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has an investment contract with Prudential Insurance Company of America. The contract is considered a synthetic GIC contract.

Assets are invested in the Prudential Core Intermediate Bond Fund which is a market value collective trust investment option with a general investment account guarantee that provides a stated rate of return and insulates plan participant activity from daily fluctuations in the market. Under the terms of the contract, participants may direct plan-permitted withdrawal and/or transfer transactions of all or a portion of their balance in the investment option at contract value.

The guaranteed minimum interest rate offered by the contract is 0.00%, guaranteeing no loss of principal or accumulated interest for participant driven transactions while the contract is active. This is guaranteed for the life of the contract.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Prudential, represents contributions plus credited interest less participant withdrawals and fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Cash to satisfy payment of withdrawals will be first obtained from assets in the investment account. If the amount exceeds the market value, the excess amount will be paid by Prudential and book value will be reduced by the withdrawal amount.

The contract value of the Prudential Core Bond Fund investment contract at December 31, 2022 and 2021 was \$63,919,685 and \$57,148,314, respectively. At December 31, 2022, the Prudential Core Bond Fund accounted for 9% of net assets available for benefits.

NOTE 11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 26, 2023, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
