PHILLIP C. MAY PC
CERTIFIED PUBLIC ACCOUNTANT

April 10, 2023

To the Trustees and Plan Administrator
LTRA Engineers 401(k) Plan
3320 Belt Line Rd
Farmers Branch, TX 75234

The Objective and Scope of the Audit

You have requested that we perform an ERISA Section 103(a)(3)(C) audit and report on the financial statements of LTRA Engineers 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

As part of our audit, we will report on the supplemental schedule(s) required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA-required supplemental schedules) for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America (GAAS). These schedule(s) are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The financial statements and ERISA-required supplemental schedule(s) are included in the Plan's Form 5500 filing with the Employee Benefits Security Administration of the DOL.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution

in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).
Except as described in the preceding paragraph, the objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

The Responsibilities of the Auditor

We will conduct our audit in accordance with GAAS. Those standards require that we are independent and that we fulfill our other ethical responsibilities relevant to the audit. For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects in accordance with GAAP.

As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We will communicate with management and those charged with governance certain matters as required by GAAS, including reportable findings identified during the audit of the ERISA plan financial statements as a result of testing relevant plan provisions.

As part of our audit, we will perform certain procedures, as required by GAAS, directed at considering the Plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status, including whether management has performed relevant IRC compliance tests and has corrected or intends to correct failures. As we conduct our audit, we will be aware of the possibility that events affecting the Plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the Plan's compliance with the requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA noncompliance that come to our attention during the course of our audit. You should recognize, however, that our audit is not designed to, nor is it intended to determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

The information included in the ERISA-required supplemental schedule(s), other than that agreed to or derived from the certified investment information, will be subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures in accordance with GAAS. Accordingly, our opinion will state whether the form and content of the supplemental schedule(s), other than the information agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and whether the information in the supplemental schedule(s) related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Firm audit will be conducted on the basis that plan management acknowledge and understand that they have responsibility:

1. for the preparation and fair presentation of the financial statements in accordance with GAAP which includes the determination of the appropriate value of investments;
2. for determining whether:
    1. an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances,
    2. the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8,
    3. the certification meets the requirements in 29 CFR 2520.103-5, and
    4. the certified investment information is appropriately measured, presented, and disclosed in accordance with GAAP as of December 31, 2022;
3. for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error;
4. for maintaining a current plan instrument, including all plan amendments;
5. for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants;
6. for the presentation of the ERISA-required supplemental schedule(s) and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements including their form and content in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA;
7. for identifying and determining that the Plan complies with the laws and regulations applicable to its activities; and,
8. to provide us with:
    1. access to all information of which plan management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
    2. a draft of Form 5500 that is substantially complete prior to the dating of the auditor's report;
    3. additional information that we may request from plan management for the purpose of the audit; and
    4. unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from plan management written confirmation concerning representations made to us in connection with the audit.

Management's election for the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is responsible for informing us about related party transactions, including transactions with parties in interest, as defined in Section 3(14) of ERISA and the regulations thereunder.

Management is responsible for adjusting the financial statements to correct material misstatements and for affirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Management agrees to include the auditor's report on the supplemental schedule(s) in any document that contains the supplemental schedule(s) and indicates that the auditor has reported on such supplemental schedule(s).

Nonattest services

Nonattest services that we will be providing are as follows:

- Preparation of plan financial statements

In connection with our performance of nonattest services, you agree that you will:

- assume all management responsibilities;
- oversee the service, by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience;
- evaluate the adequacy and results of the services performed; and
- accept responsibility for the results of the services.

Other Relevant Information

You have not engaged us to prepare the Plan's Form 5500 filing with the DOL. Professional standards require that we obtain and read a draft of the Form 5500 that is substantially complete prior to dating our auditor's report. The purpose of this procedure is to identify material inconsistencies, if any, with the audited ERISA plan financial statements. These procedures are not sufficient nor are they intended to determine that the Form 5500 is completely and accurately prepared.

The working papers for this engagement are the property of Phillip C. May PC and constitute confidential information. Except as discussed below, any requests for access to our working papers will be discussed with you prior to making them available to requesting parties.

Our firm, as well as other accounting firms, participates in a peer review program covering our audit and accounting practices. This program requires that once every three years, we subject our system of quality control to an examination by another accounting firm. As part of this process, the other firm will review a sample of our work. It is possible that the work we perform for you may be selected for its review. If it is, the firm is bound by professional standards to keep all information confidential.

We may be requested to make certain working papers available to the DOL pursuant to authority given to it by law or regulation. If requested, access to such working papers will be provided under the supervision of Phillip C. May PC personnel. Furthermore, upon request, we may provide photocopies of selected working papers to the DOL. We will mark all information as confidential and maintain control over the duplication of all such information. However, the DOL may intend or decide to distribute the photocopies or information contained therein to others, including other governmental agencies. You will be billed for additional fees as a result of the aforementioned work.

We estimate that our fees for the audit and other services will be $8500. You will not be billed for any out-of-pocket costs such as report production, word processing, postage, etc. The fee estimate is based upon anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant time is necessary, we will keep you informed of any problems we encounter and our fees will be adjusted accordingly.

Our fee is payable as follows, an initial retainer of $3000 is due at signing of the engagement letter. The balance of the fee is due at the time the initial draft of the audited financial statements is presented for the administrator review and approval.

Reporting

We will issue a written report upon completion of our audit of the Plan's financial statements and ERISA-required supplemental schedule(s). We will report on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly in accordance with GAAP and whether the certified investment information in the financial statements agrees to or is derived from the information certified by a qualified institution. Our report will be addressed to the Plan Administrator and Participants.

We will also report on whether the form and content of the ERISA-required supplemental schedule(s), other than the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the certified investment information in the supplemental schedule(s), agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Circumstances may arise in which our report may differ from its expected form and content based on the results of our ERISA Section 103(a)(3)(C) audit. Depending on the nature of these circumstances, it may be necessary for us to modify our ERISA Section 103(a)(3)(C) opinion, add an emphasis-of-matter paragraph or other-matter paragraph to our auditor's report, or if necessary, withdraw from the engagement.

Please sign and return the attached copy of this letter to indicate your acknowledgement of, and agreement with, the arrangements for our audit of the Plan's financial statements and supplemental schedule(s), including our respective responsibilities.
